### About US:

[1800 Emergency Dentist Seattle](#) is your go-to provider for 24-hour emergency dental care in Seattle, WA. Conveniently located on Airport Way S, our clinic offers immediate help for all types of dental emergencies. Whether you're suffering from a sudden toothache, cracked tooth, oral infection, or a dental abscess, we're ready to treat it—day or night. We offer same-day extractions, emergency root canal evaluations, and rapid treatment for dental trauma. Walk-ins are always welcome, and we're open during nights, weekends, and holidays. Patients from Georgetown, Beacon Hill, and SoDo trust our clinic for fast and professional care. Our experienced team treats both adults and children with compassion and urgency. If your regular dentist is unavailable, we're here to provide quick relief.

We use advanced dental equipment for precise diagnosis and efficient treatment. Don't have dental insurance? We offer affordable pricing and flexible payment options. Our staff is bilingual in English and Spanish to assist a diverse patient base. From broken fillings to gum swelling and knocked-out teeth, we handle a wide range of urgent dental issues. We follow strict sterilization and cleanliness protocols for your safety and peace of mind. Emergency pediatric dental care is also available for your child's urgent needs. Whether you're a local resident or just visiting Seattle, our team is ready to help when dental pain strikes. We're located near public transit and major roadways for easy access. Patients in Rainier Valley and nearby neighborhoods rely on us for after-hours dental help. We focus on relieving your pain quickly and restoring your smile with care. Trust 1800 [Emergency Dentist](#) Seattle for reliable, round-the-clock dental treatment.
