

The Legendary Times

Season 4: Gameweek 9/10

Cusco suffer Devitt Blitz

Reykjavik Ice Running Back gashed the Flying Serpents for 191 rushing yards (5th best single game rushing yards). The 26 year old Running Back added a further 74 yards receiving as the Europeans ran out 26-7 victors. Devitt now has 918 yards on the ground for the season, a huge

308 yards ahead of the next rusher. Devitt now has Willie Rivera's season best of 1,535 yards rushing firmly in his sights.

More records in danger

The two Mike's, Barcelona Bulls Michael Becker and Beijing Red Dragon Michael Bremner look set to juke it out for the season's top wideout. Both are closing in on 1,000 for the season (Bremner 995, Becker 980).

Yellowknife Dagger Nicholas Rodriguez holds the season record with 1,743 yards. It should be a great battle between the two over the final seven games.

24 year old Becker, in his third season, added another 132 yards and 2 TD's as helped the Bulls to a 27-13 win after the scores had been tied going into the final quarter.

Bremner (26), had a quieter day with 6 catches for 73 yards. Beijing were pushed hard by Bavaria, trailing 6-3 after three quarters. Like Barcelona they turned the screw late in the game to triumph 13-6 despite throwing three interceptions. A result that leaves Reykjavik, Barcelona and Bavaria all tied up at 6-3 in the European division.

Game of the Week

Baghdad went into the Spice Rack to clash with Tabasco. This was always going to be brutal with two such strong defensive set ups and so it came to pass. Tabasco's 21-0 victory looks relatively straightforward at first glance. A closer look at the box scores shows that kicker Jeremy Reeves was a busy boy with 4 field goals. The Defence chipped in with a Safety whilst QB Luis Robbins hit David Childers for a 3rd quarter TD.

Around the League

Another player hunting down League records is Admiral QB Jeffrey Knapp. He led Nelson to a routine 45-6 win at Victory Field posting figures of 52 - 33 - 322 - 5TD. The 27 year old now has 3,372 yards for the season and 30 touchdowns.

Louis Menard has the record for yards with 6481, whilst future hall of famer, William Tolentino posted 56 TD passes in 2100 (season 1). Talking of Yellowknife, the Daggers won 35-14 in Alaska, forcing four turnovers and completely shutting down the Eskimo running game. They remain the only unbeaten team in the League.

Week nine proved to be the week of the blowout with Roanoke smashing the Gold Nuggets at the Gold Mine (77-0), Jeddah crushed the Hex at the Genie's Lamp (34-3) putting an end to Haiti's winning run. Greenland got a first win over divisional rival Thunder Bay. The Labradors were very impressive in a 27-6 rout.

Shock of the Week

Luxor Sphinx 25-3 Kimberley Diamonds. Luxor also got a first ever win over the Diamonds and did so without scoring an Offensive TD. Kicker Bob Goldberg hit six field goals as the Sphinx crept into an 18-6 lead before a late strip sack from Nathaniel Yendell was recovered by William Arteaga who returned it for a TD to put the game to bed.

Finally

The Nile won in Killarney, Mumbai stomped on the River Rhinos. Montego Bay made it two wins in two brushing aside Amazon, who were once more

held without a Touchdown again. Baku dismantled Del Fuego and despite being bottom of the Europe division, they are only a game back on the other three. Las Vegas conjured up another win, beating divisional rival Kentucky. At the Havanadome, the Smoke succumbed to the Firecrackers as Caracas continue to keep pace in the battle for the #2 seed.

PLAYOFF PICTURE

Yellowknife have a comfortable two game advantage for the number one seed. The number two seed looks set to go to the wire with Caracas, Tabasco and Roanoke all on 7-2. At this point, the four divisions look to be fairly cut and dried with all four teams having a two or three game lead.

The Wild Cards are currently in the possession of Greenland (6-3) and Haiti (5-4). On the outside looking in, sitting on 4-5 are Thunder Bay, Las Vegas and Havana. At 3-6 we have Kentucky and Cusco and I'm not writing off Montego Bay and Alaska despite there 2-7 records.

Playoff Picture

In the Warrior Conference things are a lot less clear cut. Each division looks set to go to the death with teams either tied for the lead or just one game in it. Mumbai and Beijing are both 8-1 and the prize could be the Division title AND the number one seed. The vanquished may have to settle for a Wild Card. Mind you, with Baghdad 6-3 and Jeddah 5-4 there is still a lot to play for in Asia.

In the GB&I Tiger Bay 7-2 held on to the number two seed, despite losing in Barcelona. The Admirals took full advantage and moved into the sixth seed with there 6-3 record. These two have still to meet in both weeks 12 and 14.

The number three seed currently sits in Bavaria' lap. With the German's loss this week both Reykjavik and Barcelona joined them on 6-3. The Ice have a 3-0 record in the division whilst Reykjavik 1-3 and Barcelona 0-2 have ground to make up. Do not rule out Baku who are one game back at 5-4 but have a 2-1 record in the division. Make no bones about it, the remaining divisional games in Europe are critically important.

In Africa things are no clearer with three teams battling for one spot. The Nile hold a slim one game lead over Kimberley and Luxor, but both have a better divisional record than the Croc's. Again divisional games look crucial with the two unlucky teams unlikely to get into a playoff berth
