

LINDENWOOD

REAL EXPERIENCE. REAL SUCCESS.

Dear Educators,

You may apply to Lindenwood for graduate credit any time during the course. To avoid delays with grades and transcripts, we encourage you to apply to Lindenwood prior to course completion.

- **EW 52496 Add It Up St. Louis Conference (1 Credit Hour)**

To earn graduate credit, please complete the following steps:

- Complete the Lindenwood application form and pay \$75 per credit hour with a credit card each time you enroll in a workshop – [Enroll now](#). Select the ‘workshop’ option on the application and allow 5-7 business days for the Lindenwood application to be processed.
- Once the application is processed, you can check the grade status and unofficial transcript by accessing the *Student Portal* at [My Lindenwood](#). If you have not received your Lindenwood username and password, please email [IT Helpdesk](#) with your full name as per our academic records.
- **Graduate credits are nonrefundable.** Participants are strongly encouraged to verify with their school districts to determine if this graduate credit is applicable. These may be applied, in most cases, to satisfy CEUs or professional development requirements (plus hours) for salary advancement or licensure renewal. It is up to individual school districts and state certification renewal requirements as to whether they will approve these graduate credits.
- Grades are processed at the end of the semester.
- An official transcript may be ordered online through [Parchment](#). Official transcripts are sent directly to a district, employer, or student and bear the university seal.

If you have questions, feel free to check our [FAQ](#) section or reach out to Lindenwood Professional and Continuing Education (PACE) at pace@lindenwood.edu.

Sincerely,

AZAM NATHANIEL
