2019 Charity Information:

This year's charity is: [Finger Lakes Donor Recovery Network](http://www.donorrecovery.org) - www.donorrecovery.org

“Finger Lakes Donor Recovery Network (FLDRN) is a not-for-profit, organ donor program that coordinates organ and tissue donations in New York State’s Finger Lakes, Central and Upstate regions.

We are committed to increasing awareness and fostering understand of organ and tissue donation among health care professionals and the general public.

We will provide individuals and their families with the knowledge required to make informed decisions about donation.”

Please contact info@rrpaa.org with any questions
