

Crew for 3rd Quarter Hospitality Tables

Table Crew performs these duties for each home game:

- 15 minutes before half time - set up food tables and coolers (we take turns staying at the tent while everyone else watches the half-time show)
- Beginning of 3rd quarter - replenish the food while the visitor's band and our band get something to eat
- After bands have eaten - break down tables and stow away the food

Four volunteers per home game are ideal, but more are welcome!
