

RSC WhatsApp Groups: Guidelines

Rhosneigr Sports Club (RSC) has various WhatsApp groups to provide relevant information and help people make contact with others to arrange games of tennis, bowling, walking football/tennis etc.

To maintain the positive culture found at RSC, WhatsApp Group participants are required to abide by the following guidelines.

Guidelines

- Participants should be over 18 yrs of age
- Messages should be supportive and respectful of all other group users. Hateful speech and bad language will not be tolerated. RSC WhatsApp Groups are not the platform for religious or political discussions
- Messages should be relevant. Avoid personal chats and non-related topics.
- Messages should not be posted at unreasonable times.
- Photographs/videos of people should not be shared without their consent.
- The confidentiality of the group should be respected.
- **Basically, before posting ask: Is this relevant? Is this necessary? Is it a good time to post?**
- Participants should contact an 'administrator' of the group, or one of the directors of the club to discuss any issues or complaints.
- The RSC directors reserve the right to remove a person from the group for breach of these guidelines.

General Data Protection: Your mobile number is required to join a WhatsApp group. As it is not possible to hide this, please be aware that your number is visible to all other members of the group. It is forbidden to misuse the mobile phone number of any other participant in the group.
