2025 Fire School

FNRL Fire School will be held at Camp Tadmor on April 2-4. Fire School is a joint effort between FNRL, the Oregon Department of Forestry, FNRL member schools, and various other agencies and groups. The cost is \$120 per person for FNRL members and \$140 per person for non-member schools. This includes the clean-up by the camp hosts. The camp will start at 4:00 PM with registration on Wednesday and finish after lunch on Friday. **We need to have the number of each school's participants by March 7th, 2025.**

INVOICING: Invoices will be sent out after I receive your registration. I will attach the current W9 for your billing office. **THERE IS A NEW MAILING ADDRESS!** 20 E Airport Rd #281, Lebanon OR, 97355. **Make checks out to FNRL or Oregon FNRL.** Checks shall be sent in advance unless other arrangements have been made.

Each participating school needs to send their **Certificate of Coverage form** to the following organization and notify me: Ask your business manager for this certificate. **This must be done by March 28th, 2025.**

Some other things to consider:

CABIN POLICY

Students will be placed in cabins by their respective district policies. We will do our best to keep multiple schools from sharing cabins. Some schools have requested to have their whole group in one cabin. District policies allow for this, and it will be welcome.

Space is reserved on a first-come, first-served basis. We are limited to approximately 125 participants. We would like to keep each school's maximum number of students at 20. Each cabin holds ten students and one chaperone. Please keep this in mind when choosing your students.

YOU are responsible for student behavior. Fire camp rules will be in effect and enforced.
