Provide a general synopsis of what the course/activity covered/contained.

Under \$5M: Langdon Stormwater Management Facility, Carroll County, MD

Over \$5M: I-895 Bridge Project, Baltimore, MD

Representatives from last year's winning MdQI Awards of Excellence projects of the year in both the Over \$5M and Under \$5M categories will give an outline of the unique aspects of the projects from both design and construction perspectives. The under \$5M winner was Carroll County's Langdon Stormwater Management Facility. The over \$5M winner was the MDTA's I-895 Bridge Project. This will further highlight the award winning projects and also give the opportunity for those submitting future nominations to see what aspects are included in these award winning projects.

Attach any documentation of participation: i.e. Certificate of Attendance/Completion, transcripts, handouts, tests, programs, outline, reports and other demonstrative evidence of attendance.
