Rehearsal on Friday, September 26 has been rescheduled

Our originally scheduled evening rehearsal for this day has been rescheduled from **8 AM to 10 AM in Panther Stadium**. We were informed that our rehearsal was in conflict with the Homecoming Dance and wanted our students to be able to attend the dance if they want. However, we are not comfortable with canceling rehearsal the day before our first competition.

The new time has been updated on the band calendar and we want to give everyone as much lead time as possible to prepare for the new rehearsal time.

Please sign the Band Student Contract at your earliest convenience

Our second of three forms (the first we asked you to sign was the [UIL Marching Band Acknowledgement Form](#)) is the LHHS Band Student Contract. Please take a look at it and sign it at your earliest convenience.
