

American Sign Language Resources

- [Bill Vicars - YouTube Videos](#)
 - Resource site for ASL students, teachers, interpreters, parents of deaf children or anyone interested in learning ASL.
 - Mr. Vicars teaches the words and has a student repeat it back. As you watch, you can practice along with his student to master the language.
- [Signed with Heart - YouTube Videos](#)
 - YouTube channel offers several lessons
- [LifePrint](#)
 - You pick the words and watch the video or view images showing how to properly sign the word.
