

Privacy Policy

Our privacy policy explains:

What information we collect and why we collect it.

How We Use That Information.

Information We Collect

We collect information to provide better services to all of our users. Information that we obtain about you from other services, such as Google Analytics, Firebase, Crashlytics, Google Play, and other services that we use to improve our applications and services.

If you choose to use our Service, then you agree to the collection and use of information in connection with this policy. The personal information that [I | we collect] is used to provide and improve the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

This information includes: Information you provide to us, for example, if our application requests to log in or register to store or sync your data, we will ask you for personal information, such as your name, email address, images, location, or phone number. Or it will ask you to log into your Google (maybe Facebook or other accounts). The information we request is kept on your device and we do not collect it in any way, we will retain and use it as described in this privacy policy. We do not collect any personal information in our apps for kids. In our children's apps, users can access the app or the game in its entirety without signing up.

Device Information - Device-specific information, such as your hardware model, operating system version, unique device identifiers, and mobile network information.

Registration information: this may include: details of how you used our applications or services; internet protocol address; device event information, such as crashes, system activity, hardware configuration, browser type, browser language, the date and time of your request, and referrer URL; cookies that can uniquely identify your browser or account.

Location information: some of the services we use in the applications (for example, Google Analytics) may collect and process information about your location. All your location data is aggregate non-personally identifiable information.

Unique Application Numbers - Certain services include a unique application number. This number and information about your installation (for example, the type of operating system and the version number of the application)

Local Storage: We may collect and store information (including personal information) locally on your device using mechanisms such as browser web storage (including HTML 5) and application data caches. Our applications can allow you to download images and set them as wallpaper.

Cookies and Anonymous Identifiers: We use various technologies to collect and store information when you visit our site or work with the application, which may include one or more cookies or anonymous identifiers sent to your device. We also use cookies and

anonymous identifiers when you interact with the services that we offer to our partners, such as advertising services and others.

Service Providers: We may employ third-party companies and individuals for the following reasons:

To facilitate our service;

To provide the Service on our behalf;

To perform services related to the Service; or

To help us analyze how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security: We value your trust in providing us with your personal information, therefore we strive to use commercially acceptable means to protect it. But remember that no method of transmission over the Internet or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to other sites: This service may contain links to other sites. If you click on a third party link, you will be directed to that site. Please note that these external sites are not operated by us. Therefore, I recommend that you review the Privacy Policy of these websites. I have no control of, nor do I assume any responsibility for, the content, privacy policies, or practices of third-party sites or services.

Children's Privacy: These services are not directed at anyone under the age of 13. We do not knowingly collect personally identifiable information from children under the age of 13 years. In the event that we discover that a child under the age of 13 has provided us with personal information, we delete it from our servers. If you are a parent or guardian and you know that your child has provided us with personal information, please contact us so we can take the necessary actions.

Changes to this Privacy Policy: We may update our Privacy Policy from time to time. Therefore, it is recommended that you check this page periodically for changes. We will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective
