Salary ranges are based on comparisons with average compensation of surrounding school districts of each ResponsiveEd Arkansas district.

Note: ResponsiveEd Arkansas districts hold waivers from A.C.A §6-17-201 et seq. ResponsiveEd Arkansas does not necessarily determine base pay on a strict formula of years' experience and degree; but uses other formulas and criteria to establish teacher and administrator compensation. ResponsiveEd Arkansas provides compensation that is competitive with local school districts. The district reserves the right to determine the specific salary of each employee.

Teacher is defined as one who serves as the teacher of record for a course.
