Please support [student] in IEA's *Trek for Talented Youth*!

In [student's] words:

"I am doing a walkathon for my gifted program IEA. I love the classes at IEA! They're challenging in a good way. I make friends and the projects are great. I'm really looking forward to my next class! Please donate money!"

In our words:

We are thrilled that [student] is able to attend IEA to enhance her education. They really discovered a sense of belonging through their classes. This program lets the naturally curious child experience, learn, and explore with like-minded peers, and that is invaluable. It is a truly unique experience that would not be possible without additional funding.

[Student] will attempt to be a [name of prize and explain what it is]!

Thank you in advance for your support!

Love,

[Student] and the whole [last name] family
