| 2. Name of the Event                      | : Research Progress Seminar                   |
| 3. Date of the Event                      | : 6/02/2025                                   |
| 4. Organized by (Event Incharge)          | : Shivakumar Reddy                            |
| 5. Objectives of the Program and Guidance | : Event Report: Research Project Presentation |

[6/02/2025]

**Overview**

The event provided students with an opportunity to present their research ideas and receive feedback from experienced professors. A total of 14 students developed research proposals, with 8 in research projects, 5 in mass communication, and 1 in English literature.

**Key Takeaways**

- Improved research skills
- Enhanced critical thinking
- Increased confidence in research and presentation

**Conclusion**

The event was a success, providing students with valuable insights and practical experience in research project development.

1. Exposure to Research Methodologies: To familiarize students with research principles and methodologies in their chosen fields.
2. Development of Research Skills: To enhance students' ability to design, conduct, and present research projects.

3. Expert Feedback and Guidance: To provide students with constructive feedback and guidance from experienced professors.

6. Event report : The research presentation and guidance event was held, where students presented their research ideas and received feedback from professors. A total of 14 students participated, with 8 opting for research projects, 5 for mass communication, and 1 for English literature. Professors provided guidance on suitable methodologies and suggested changes to enhance the research projects. Students actively incorporated the feedback, refining their research ideas and methodologies. The event fostered a collaborative learning environment, encouraging students to share ideas and learn from one another

7. Outcomes :

1. Research Project Development: 8 opting for research projects, 5 for mass communication, and 1 for English literature.

2. Improved Research Skills: Students gained hands-on experience in research design, methodology, and presentation.

3. Enhanced Critical Thinking: Students learned to critically evaluate their research ideas and incorporate feedback from professors.

4. Increased Confidence: Students became more confident in their ability to conduct research and present their findings.

8. No of Participants : 8

9. Winners List (If Competition) :

10. Supporting Documents to be attached(hard Copy)

- a) Brochure/Circular (with Title and Date of Event)
- b) Photos (Geo tagged and Normal, captioned with Title and Date))
- c) List of Participants with signatures (with title and date)
- d) Xerox of Winners certificates issued (with title and date)
