

Monthly Opportunities

Thank you for your willingness to serve our community! Please check this document frequently for opportunities to volunteer! We appreciate your commitment to fulfilling your service hour requirements while also pouring into our community! Please email [Mrs. Bailey](#) with any questions or concerns.

Please consider wearing GMC attire when volunteering! Go Blazers!

****students when contacting via email please make sure to use your personal email address****

Parents- PLEASE NOTE: To volunteer on campus during the school day, you must have a driver's license so we can scan you in for security purposes.

This greenhouse will be available for all future Environmental Science class members and Plant Club members to use. The Greater Greenville Master Gardeners funded most of the project. However, we could use a little help to keep the plants growing year round using solar technology and to fund some additional materials, like gardening tools. We are requesting donations to the Greenhouse Project Fund. Remember, these donations count toward service hours for parents! Use this link and scroll to the Greenhouse Project Fund to donate! Thank You for your help!
