

Thank you for your willingness to volunteer for the GPF booth at the Atlanta Science Festival Expo. The event is March 21, 2026. The public facing event runs from 10am - 4pm. Early and late volunteer slots include time to assist with set up and break down. The slots overlap so earlier volunteers can explain to later volunteers what worked well, tips, etc. **Please feel free to sign up for one (or more) slots.** Your help is greatly welcomed! Please see the [Science Festival Expo website](#) for more information about the day including parking info and a map. We will also send out a reminder email closer to the event. Thank you!

We would like to aim for **4 psychologists and 2 students** per shift for 6 total at a time.

<u>9:00am - 11:00am (set-up help and first shift)</u>	
Psychologist volunteers (name and email):	Student volunteers (name and email):
Alex Alverson (alverson@nsgatlanta.com)
