-We would like the parents to take the dist4rict survey. We want to increase communication and give parents resources to help at home.
-Connectedness Goal: increasing fluency and improving family engagement from 25% to 30%. It would be better to have events at the beginning of the year, i.e. Family Engagement Night. We need SOT and PTO parents to help get the word out.
-We want to add supporting Math to the PTO agenda.
-Family Engagement Night: late September/early October. Not a Tuesday or Thursday because of soccer. We want to do it after soccer ends.

-We are now funding our full-time counselor and our SBT.
-The budget this year is very tight.
-Community concerns: none of this time.

Not that we know of. We discussed communicating between parents and teachers regarding Math, i.e. parent prompts for teaching their kids at home, such as “show me,” “teach me,” etc.
