Kuikui Nut Oil

Indulge in the timeless allure of Hawaiian beauty with our Unrefined Kukui Nut Carrier Oil, meticulously cold-pressed from the nutrient-rich kernels of the Kukui Nut tree. This exquisite oil stands as a testament to the wisdom of tradition, preserving high levels of natural polyunsaturated fatty acids that make it a coveted ingredient in premium skincare.

For generations, Hawaiians have revered Kukui Nut oil for its remarkable ability to swiftly penetrate the skin, forming a protective barrier against the harsh effects of saltwater, intense sunlight, and drying winds. This cherished oil has earned its nickname, Candlenut, owing to the historical practice of burning Kukui seeds, emitting a gentle glow that symbolizes its luminous qualities.

Embrace the lightweight, fast absorbing Kukui Nut Oil, an enchanting journey into holistic skincare. The Unrefined Kukui Nut Carrier Oil offers a natural remedy for dry, dull skin and hair, and serves as an effective carrier oil in massage therapy.

Botanical Name: Aleurites moluccana

Origin: Indonesia

Plant Part: Kernels

Extraction Method: Cold-pressed

Processing Type: Unrefined

Color/Consistency: Light yellow to yellow clear liquid, typical and characteristic of carrier oils.

Absorption: Absorbs into skin at a medium absorbency rate, leaving a slight oily residue on the skin.

Aromatic Description: Typical characteristic scent of carrier oils.

Shelf Life: Users can expect a shelf life of up to 2 years with proper storage conditions (out of direct sunlight in a tight container). Refrigeration after opening is recommended. Please refer to the

Certificate of Analysis for the current Best Before Date.

Cautions: None Known.

Benefits

Pure and Unrefined: Our Kukui Nut Carrier Oil is unrefined, ensuring it retains all the natural nutrients and antioxidants that make it a potent choice for holistic beauty.

Skin Rejuvenation: Rich in essential fatty acids, vitamins, and antioxidants, Kukui Nut Oil penetrates deep into the skin, promoting a hydrated and revitalized appearance.

Luxurious Hair Hydration: Kukui Nut Oil provides deep conditioning, adding a natural shine to your locks. Use it as a nourishing hair mask or add a few drops to your conditioner for enhanced benefits.

Therapeutic Massage: Known for its exceptional glide, Kukui Nut Oil promotes relaxation, relieves bodily tension, and leaves the skin feeling silky smooth.

Directions and Uses

- **Nourishing Face Serum:** After cleansing, apply 2-3 drops of Kukui Nut Oil to towel-dried skin and gently massage for quick absorption. Follow with your favorite moisturizer.
- **Shine and Manageability:** Mix 2-4 drops of Kukui Nut Oil with your conditioner to add shine and improve manageability. Comb through with a wide tooth comb and rinse.
- **Warm Massage Oil:** Enhance your massage by warm the oil between palms before applying to the skin with gentle, sweeping motions. For a more personalized massage experience, blend 1 oz of Kukui Nut Oil with 2-3 drops of your preferred essential oils.
- **Enhanced Formulas:** Incorporate Kukui Nut Oil into lotions, creams, serums, and massage oils to enhance nourishment and luxurious feel.
