

Population Math III

Directions: *Complete the table and the questions in your notebook.*

Country	CBR*	CDR*	Growth rate	Doubling time
China	12	7		
India	22		1.3%	
Iraq	32	10		
Italy	9	10		N/A
Japan		8		700
Kenya		9	2.8%	
Russia	10		-0.4%	N/A

*CBR and CDR values are from 2010 and are measured per 1,000 people.

1. If you were a leader in Kenya, would you be concerned with the rapid population growth?
What are some of the ways your government could slow population growth?
2. What would you expect the age structure diagram of Italy to look like?
3. What would you expect the age structure diagram in Iraq to look like?
