not supported:

project name	link to code block	extra
Murano	https://github.com/openstack/murano/blob/5a5a92f9cfdff3876404bc78fbe2b8978b959488/murano/engine/system/status_reporter.py#L34	Fix patch: https://review.openstack.org/#/c/365680/

used **rpc transport settings** for notifications,
but does not use rpc servers / clients (so, stay separated)
