

On the 12th of Adar Aleph 5771 (2011), Elisha Chanina z"l, who was four years and ten months old, was playing at home with his parents, brothers, and sisters, when he suddenly passed away. Lishi z"l was full of life and life without Lishi is incomplete. Lishi was always excited to speak to anyone and everyone. His fun-loving personality brought people of all kinds together and brought smiles to their faces.

Lishi loved to learn. He especially loved to learn the parsha of the week in school and at home. He proudly shared that learning every Shabbat at the Shabbat table.

Each year we invite the community to learn with us to make a virtual siyum. We aim to bring people together as Lishi did.

Thank you so much for helping us make a siyum on all of Tanach and Mishna in Lishi's memory.
