

St. Mary's County Public Schools Athletics

SEASONAL TRYOUT INFORMATION

School Year 2025-2026

- *Anyone wishing to compete for a place on a team is expected to be at all tryouts.*
 - First Day of Fall Sports Tryouts - **August 13, 2025**
 - First Day of Winter Sports Tryouts - **November 15, 2025**
 - First Day of Spring Sports Tryouts - **March 1, 2026**

Arbiter/Family/I.D. Student Registration

- All interested athletes are expected to be present from day one and have all required documentation fully completed if they wish to compete for a place on the team. For online registration go to [Arbiter/Family/I.D. Registration](#) and select "Login" then "For Families/students" to create an account. Select your high school. Failure to submit all required electronic data entry/forms/cards by the deadline set by the high school will necessitate the exclusion of the student.

Preparticipation Physical Evaluation

- Sports physicals are valid for 12 months. It is recommended you attain your sports physical during the months of June or July annually.
 - [History Form](#) - To be filled out prior to examination by the patient or parent/guardian and provided to the Physician.
 - [Physical Examination Form](#) - To be completed by the Physician and kept in their office in the patient's medical file.
 - [Medical Eligibility Form](#) - This is the ONLY form that should be submitted to the school.

Corollary Sports Program

- The Corollary Sports program is offered as an alternative program to the mainstream high school athletics program, with team rosters composed of both students with or without disabilities. For more information please visit the [Corollary Sports Page](#).
 - Fall Season - Cycling
 - Winter Season - Bowling
 - Spring Season - Bocce

Assistance and Contacts

- Please contact your child's school [List](#) if you have questions or concerns.
