

Math Disclosure Summary 2026-27

Teacher: Miss Plant Email: dplant@reaganacademy.org Website: www.reaganacademy.org

Keep this page for your information. For detailed class information, visit Miss Plant's website.

RULES

- RESPECT OTHERS AND THEIR LEARNING & TRY YOUR BEST

To access ALEKS visit my.mheducation.com

HOMEWORK

- There is DAILY homework in this class.
- Most homework assignments will be in ALEKS.
- Homework assignments are due the next school day at the start of class.
- Late assignments can be submitted for 2 weeks (less at the end of a term) for partial credit.
- It is required for students to show their work in the proper format for all assignments.

VISIT ALEKS FOR CURRENT GRADE INFORMATION: *Aspire grades are summaries!*

GRADES

- Assignments (40%), Assessments (40%),
Notes, Showing Work, & Independent Practice Participation (20%)
- Students will receive 3 late passes a term.
 - These can be used to remove the late penalty on completed assignments.
- Some assignments, such as those left unsubmitted and extra credit, are not scored in Aleks until the close date. This means unfinished assignments may not impact the student's grade for two weeks.
- Assessments must be completed in class independently by the student.
- Absent work cannot be given in advance, if extended time is needed contact Miss Plant.
- Students must complete absent work in Aleks first and then contact Miss Plant to remove late penalties.
- The Aleks gradebook does not include +/- in the letter grade, but they will be included in the final Aspire grade. For example, an A of 92% in Aleks, will be an A- in Aspire.

TIPS FOR SUCCESS

- Take notes, ask questions, and follow along during the lesson
- Use ALL of the class time to work
- Ask for help when needed
- Shoot for 100% on all Assignments. Use the Aleks tools to help you achieve it!
- Take advantage of Extra Credit opportunities in Aleks (marked EC) throughout the term

CALCULATORS & DEVICES

- Students need to bring a scientific calculator to class daily.
 - *Contact Miss Plant if your student does not have access to a scientific calculator.*
- Classroom tablets and devices can only be used for Aleks. Students are not permitted to visit any other website without permission from the teacher. Violations will result in disciplinary action.
- Cell phones cannot be used as calculators.

CLASSROOM POLICIES

- Students will receive 3 Hall Passes a term which can be used to visit the restroom or locker. Excessive requests to leave the class use may result in a meeting with the teacher.
- Keep everything. In the event of a grading dispute students will need to show the work from the completed assignment to have the grade changed.
