

Two opportunities to help with Sleep in Heavenly Peace.

Noel and Shari Williams have registered for 2 events, a delivery/set up and a bed build. They would love to have others join them.

- A. A delivery on 8-16 in Rowlett/garland has limited space**
- B. A build event on 9-13 has unlimited space and is held at Irving Lowe's.**

For the bed delivery event on 8-16 and bed build on 9-13 (both Saturdays)

- 1. Go to shpbeds.org**
- 2. Scroll to bottom to “find your chapter” and click on that**
- 3. In the select box, choose Texas from the list and hit apply**
- 4. Scroll down to TX - Dallas / Fort Worth and click on that**
- 5. Scroll down to Rowlett and Garland delivery event August 16 and there is a red button to register for that. Click that and you can register for the event.**

A few events below that is Bunks Across America event on 9-13 at Irving Lowe's and you can register for that with red register button.

At some point it had me create an account that allows you to access local events easier and shows what you have registered for and keeps track of your volunteer hours. On your profile for that you are asked for email, cell, address, tshirt size, emergency contact info, and any allergies...

Noel and Shari created accounts and are registered for both events (8:30 to 12:30 or 1 pm).
