

At QWX7NumberPuzzle, we respect your privacy and are committed to protecting your personal information. This policy explains how we handle data in our number sequence puzzle game.

Information We Collect

Our app stores game progress, scores, and settings locally on your device. We collect gameplay statistics including completion times, difficulty preferences, and achievement progress to enhance your gaming experience. No personal identification information is required or collected.

How We Use Information

Game data is used solely to track your progress, maintain high scores, and provide personalized difficulty recommendations. Settings data helps customize your gaming experience according to your preferences. All information remains stored locally on your device.

Data Storage and Security

Your game data is stored securely on your device using iOS standard data protection methods. We do not transmit your personal information or game statistics to external servers. Your privacy is maintained through local data storage only.

Third Party Services

Our app does not integrate with third-party analytics services or advertising networks. No data is shared with external companies or services.

Children's Privacy

Our app is suitable for users of all ages. We do not knowingly collect personal information from children under 13 years of age. Parents may review and delete any information collected from their children by uninstalling the app.

Changes to Privacy Policy

We may update this privacy policy periodically to reflect changes in our practices or legal requirements. Users will be notified of significant changes through app updates.
