

## Hiring: Videographer / Media Producer (Full-Time / Part-Time / Flexible / Freelance)

We're looking for a creative and reliable **Videographer / Media Producer** to join our growing media team. This is an exciting opportunity to help shape content across **Kayode's personal brand and projects under the KTD Group** — from keynote speaking and campaigns to local events.

### What you'll do:

- Film and photograph events, school talks, and community projects.
- Capture and edit high-quality short-form content (TikTok, Instagram Reels, YouTube Shorts).
- Take part in dedicated **content days** (planned shoot days where we batch record a variety of content).
- Support both **evergreen content** (consistent messages, key themes) and **reactive content** (responding to topical news and events).
- Work closely with the Content Manager to deliver ideas and bring stories to life, with regular check-ins (e.g. weekly) to plan content

### What we're looking for:

- Strong videography and editing skills (Premiere Pro, Final Cut, or similar).
- A creative eye for framing, storytelling, and making content pop on social media.
- Reliable, flexible, and able to adapt to both planned shoots and quick-turnaround requests.
- Ambition to grow into a **Senior Media Producer role**, with potential to lead junior creatives as the team expands.

### What you'll get:

- Be part of meaningful projects across Lewisham and beyond.
- Build your portfolio with high-profile, public-facing content.

- Flexible working with shoots scheduled around events and content days.
- This is a part-time, **paid role** on a monthly retainer basis (to be agreed based on skill and experience).
- Equipment can be provided — the main thing we're looking for is creativity and skill.

#### **Practical details:**

- **Freelance, part-time, flexible** (hours will vary depending on events and content days).
- **Hybrid role** — mostly Lewisham-based for shoots, with some remote editing.
- **Time commitment:** expected a few days per month initially (with potential to increase as projects scale).
- **Pay:** part-time, **paid monthly retainer**, to be agreed based on skill and experience.
- **Start date:** September 2025.

👉 To apply: Fill in this short form <https://forms.gle/YmPqQWnYGPsYVGQx6> by **24th September 2025**.
