DAW + Plugins

Logic Pro X

Many UAD compressor plugins + all guitar amp plugins

Most SSL Plugins that come with UF1, UF8, UC1

OFF GRID RECORDING NOTE

We're running off a 400ah lithium battery bank, so please refrain from using anything else that doesn't belong in the studio. Please send me a photo of any equipment you want to bring in. Most guitar amps are okay, but bass amps aren't due to their huge power draw.

STUDIO HIRE FEES

Studio Hire w/ JB

\$400 Per day 9-7pm

Excess hours \$50 per hour

Dry Hire (No supplied engineer)

\$250 for 9-5pm

Excess hours \$30 per hour

Mixing costs on average

\$180 per song

Mastering

\$50 per song

Session Work

\$50 per part

FOOD / DRINK / ACCOM

Artists to BYO all food and drink for themselves - we also have drinkable rainwater on site. There are cooking facilities (BBQ and Gas Stove) and a large esky for cooling so bring some ice. 1 bed on site for accommodation if required please let us know what days you're staying. If you have your own van/tent there is plenty of space to setup. The closest food and bottle shops are at Bannockburn or Logan Village (8 min drive from Studio)
