

Welcome to 3rd Grade!

Hello! My name is Mrs. Gavette, and I will be your homeroom teacher this year at Lee Elementary. I am very excited to have you in my class. I can't wait to meet you and your family.

You are going to love third grade! Our year will be full of new and exciting things. You will be learning how to become a better reader and writer, how to multiply and divide, all about fractions, interesting science concepts, and lots about our great state of Michigan. You will also have the privilege of having Mrs. Hannapel as a teacher for half of the school day. While you are with her, she will be teaching you reading, writing, grammar, and spelling. When you are with me, I will be teaching you math.

Let me tell you a little about myself. My family consists of my husband, Dave, and my three boys. My oldest, Caleb, is attending Baker College and is a part of their radiology program (he wants to be the one who takes your x-rays if you ever need to have them done). Cameron is a junior at Davenport University where he is studying computer programming, and Tyler is a senior at TK High School. When I'm not teaching, my favorite things to do are read, exercise, watch movies, and snuggle with my dogs, Mazee and Ricky. My favorite food is BBQ

chicken, and if I had to choose a favorite drink it would be a vanilla chai tea latte from Biggby or Starbucks. I can't wait to learn about your favorite things!

I hope you are having a great summer. Can you believe it's almost over and school is about to begin? Hopefully I'll see you at the open house on Monday, August 21 from 4 pm - 6 pm! You can check out our classroom (room #205) and meet me! Please bring your school supplies if you've got them! Our first day of school is Tuesday, August 22!

Enjoy your last few days of summer!

Mrs. Gavette
