 - Meet with city to determine what they want us to do regarding Climate Action Plan

Public Comment

- Andrew Mitchell – Boards should have a commissioner assigned to you to get feedback from commission. Helped with communication between entities.

- Matt Thompson – Thoughts on moving forward with Climate Action Plan. Feels its too big for volunteer board. More appropriate for city to develop and we advise. Green house gas inventory baseline would be very helpful.

Recommended Items for Next Agenda

- Electric vehicle presentation by Michael DeChellis
- City green waste study presentation
