Dear [Mr. or Mrs. or Ms. Principal's last name],

I hereby revoke my consent for my [daughter/son/student], [student's name], to use the I-Ready learning platform. [If you would only like to opt out of the testing or only the lessons, add the words (I-Ready) "Inform assessments" or "Personalized Instruction." and remove this note.]

I respectfully request that my child or student be allowed to draw or read a book during the time designated for the I-Ready. I do not consent to any treatment of my child [or student] that could reasonably be considered punitive as a result of this choice.

Sincerely,

[Your full name], [Student's name]'s [Father/Mother/guardian]
