

DAY 1 – Teaser + Warm feelings

Subject: 🍩 A Donut Shop, A Bear, and a Business Idea

Body:

Hey [First Name],

Last night, I was helping my niece choose a coloring page before bedtime.

She picked a page with a cozy little donut shop... a bear waving from the side... a bunny peeking through the glass...

And she said:

“I want to live here.”

That one sentence reminded me why cozy, kawaii art always wins hearts — and sales.

And it's why I'm beyond excited to share this with you:
