

Harrison Back to School COVID Leveled Plan Madison County Transmission Levels

<https://covid.cdc.gov/covid-data-tracker/#county-view>

All level precautions can be skipped or extended based on the Madison County Health recommendations, quarantines, or and local/state/federal mandates

Level 1: 'Low' Risk Transmission in Madison County (0-9.99) - Blue

- Social Distancing
- Air purifiers for increased air ventilation
- Assigned Seating
- Hand Sanitizer
- Disinfecting between classes
- Lunchroom - eating as classes/grade levels
- Stairwell directions for walking

Level 2: 'Moderate' Risk Transmission in Madison County (10-49.99) - Yellow

- Level 1 strategies plus.....
- Temperature Checks
- Pod learning (same pods throughout)
- Limited community access to facilities
- UV Lights

Level 3: 'Substantial' Risk Transmission in Madison County (50-99.99) - Orange

- Level 1 and Level 2 plus...
- Teacher barriers at desks (optional)
- Limited community access to facilities

Level 4: 'High' Risk Transmission in Madison County (> 100) - Red

- Level 1- 3 plus.....
- Lunchroom pods
- Recommended (not required): Teachers & Staff wear masks/shields/gaiters when they aren't social distanced from students
- Limited community access to facilities

Level 5: 'High' Risk Transmission and within the School

- Level 1 -4 plus....
- Lunch time barriers
- Masks, shields, or gaiters required of staff and students even with social distancing
- Classes encouraged outdoors if weather allows
- Off Site instruction considered starting with Juniors & Seniors, then Sophomores and Freshman; K-8 on site unless transmission is across grade level groups
