

PLC Late Start Information

Thank you to our wonderful community that successfully navigated our first Thursday PLC late starts! From here on out, each school-day Thursday through 4/27/22 will begin with 1st hour at 9:19 a.m. **Please note that one of two options are available to you each week (see below):**

Option 1 (preferred by school and likely preferred by your student):

- Frankly, for your student, it will likely be better for them to take advantage of a little extra sleep and arrive around 9:10 a.m. for our first hour beginning at 9:19 a.m. each Thursday. However, we realize this is not feasible for all families. If you cannot take advantage of the late start, or find a Thursday car-pool, walk, or bike option that works for your family, a second option exists. See below.

Option 2:

- Each Thursday, bus pickups and routes will continue to run on the same daily schedule, and students will still be able to enter the school at 8:20 a.m.
- If your student must arrive to school at the normal time because your family cannot feasibly make late start Thursday transportation work, they will be split by grade level and housed in of our larger spaces (e.g. gymnasium, cafeteria, etc.).
- These larger spaces will be supervised each week by a rotating group of teachers, but your student will need to bring a book, homework, etc. because they will not be released to the hallways until 9:10 a.m. Students would be allowed to appropriately use their cell phones during this time if they bring them.

What does the Thursday schedule look like?

The only difference in the schedule each Thursday from 9/1/22 - 4/27/23 is that we do not start at 8:45 a.m. with Knight Time like every other day of the week. Instead, we start with 1st hour at 9:19 a.m. The schedule is pictured below:
