

Dear Sophomores and Parents/Guardians,

This is our last email for the school year. Please check your grades and absences to make sure you are passing and getting credit for all of your classes. If you are not sure if you need to take a final exam, check in with your teacher.

As reminder, you are only allowed 6 unexcused absences for half year classes and 12 unexcused absences for full year classes. Please review your attendance to make sure you are not losing credit. In order to regain credit, you will have to complete 12 or 24 hours of online instruction. Here is the attendance policy in the [Parent/Student handbook](#) for more information.

If you are interested, tutor.com is available to students throughout the summer who are looking for extra help getting prepared for next year or SAT/ACT preparation.
