RE: Letter of Recommendation for Anna Nizhoni

To Whom It Concerns,

I am writing this Letter of Recommendation for Anna Nizhoni, a mural artist who is enormously talented and has terrific ideas and concepts for public art spaces. Anna is Native-American and brings that cultural sensitivity and perspective to her projects. Her ability to portray both realism and interpretive artistry to her work is truly outstanding. She is very easy to work with and very collaborative in her approach. She is also very intelligent and articulate and presents herself well. I have thoroughly enjoyed the time I have spent collaborating with her and believe her to be a very special talent.

Please do not hesitate to contact me to discuss Anna and her art. I enthusiastically recommend her to anyone fortunate enough to collaborate with her.

Sincerely,

Rory Murphy
