

ARTICLE ____: EMPLOYEE ACCOMMODATIONS

1. Expedient, clearly communicated, and reasonable process for acquiring employee accommodations, and an expedited process for short-term accommodations.
2. Ensure that Graduate Assistants' student accommodations are respected when taking qualifying exams, as a Graduate Assistant's continued employment is often contingent on passing these exams.
3. The University will require training of TA's and Professors on how to provide accommodations to students, and training of anyone in a supervisory role on how to provide employee accommodations to Graduate Assistants.
4. Information on the procedure to acquire employee accommodation will be distributed yearly and listed on any relevant website, handbook, and new employee orientation.
