Residents Of The State Of Mesa

In response to my upcoming recall election, and now likely impeachment, I announce my resignation as the State Of Mesa's Governor. While I have worked tirelessly for ALL Mesians, my work seems to be blindsided by the actions and activities of the Nationalist Party which is gunning to end my political career. Effective in two weeks on May 9, 2023, I will hand the reigns of the Governorship to Lieutenant Governor Joshua Adamson who will serve as the 20th Governor Of Mesa.

My Anti-Trans policies were never directed at or meant to hurt those who are genuinely part of the Transgender Community. They were targeted at those who used the transgender ideology to maim, mutilate and harm our State's children.

I have the utmost confidence in Joshua Adamson's leadership abilities. He will carry on as the State's 20th Governor. He will be a great asset and a productive Governor to the state, and my hope is that he will continue to be good for the State and make a beacon of hope and freedom for the rest of the United States Of Jesstopia.

I am truly sorry to anyone that I have hurt and may have offended. I hope that my resignation serves as a reminder of how dedicated I am to the success of our beautiful state. Josh Adamson will be given updates on everything that I have been working on and will continue to work on until I leave on May 9, 2023..

Regrettably,

Kirk G. Paul

Governor Of Mesa
