and support to community partners

# PRESS RELEASE

## For Immediate Release

Nov. 24, 2025

### **Website for AARP Tax Aide Appointments**

**[www.scwtaxaide.as.me](http://www.scwtaxaide.as.me)**

Sun City West Foundation is pleased to announce the AARP Tax-Aide Program is gearing up to serve local residents with FREE assistance to e-file both federal and state tax returns. SCW Foundation is donating use of its Palo Verde room, located in the Foundation, 14465 W RH Johnson Blvd, Sun City West, AZ for the exclusive use of the tax volunteers from February 1 through April 14, 2026.

Tax preparation starts in February, 2026 but the appointment website opens Thursday, **January 15, 2026 at noon. Please check our website, [www.scwfoundation.org](http://www.scwfoundation.org) for a link to the tax appointment website if you have trouble connecting directly.**

**You must have an appointment to see one of the highly trained AARP tax-aide volunteers and you do not have to be an AARP member to use this free service.**

Need help making an appointment? Ask a friend, neighbor, or even an out-of-state relative to access this website for you and make your appointment. Computers are also available for SCW residents at the Sun City West Library. Copies of the form linked on the appointment website will be available for pickup outside of the Foundation's main office, starting in late January. No need to print the form if printing is limited for you.

AARP relies on local seasonal volunteers who take pride in serving their peers. New volunteers are needed and will be trained for many different jobs. You do not need a tax or accounting background to help.

Sun City West Foundation, who donates the space for this program FREE of charge, is located at the intersection of R.H. Johnson Blvd. and Stardust Blvd. Your tax-deductible donation sustains Sun City West Foundation programs serving the community. Sun City West Foundation is a non-profit 501c(3) organization serving the community since 1987 with community center facilities as well as the ever-popular Helping Hands service.
