

D9: Vic DeLuca

(Vic is also a Maplewood Township Committee Member and Former Mayor)

I urge District 7 Democrats to re-elect Dean Dafis and Rick Greenberg as your District Leaders. Dean and Rick have been very active over the years electing Democrats from town hall to the White House. As Mayor, Dean developed a close relationship with Congresswoman Mikie Sherrill, which resulted in nearly \$1 million in grants for storm drainage projects. Rick has been an effective member of Maplewood's Affordable Housing Board for many years. Dean Dafis and Rick Greenberg have well served Democrats in District 7. Let's re-elect them.

I urge District 8 Democrats to vote for Fred Profeta and Gail Safian as your District Leaders. As a member of the Maplewood Democratic Committee, Fred led the effort to open the Township Committee nominating process, making it more accessible and transparent. We need Fred's voice on the Democratic Committee to push for fair ballots in future Essex County elections. Gail will be a terrific addition to the Democratic Committee. She has provided exceptional leadership as the head of the Durand-Hedden House & Garden, making their programs more diverse and inclusive. District 8 Democrats will be well served with Fred Profeta and Gail Safian as their District Leaders.
