

## DIRECTIONS

This story frame template is designed to be used along with the professional learning systems storytelling process outlined [here](#).

**Part 1:** In your site team discuss your biggest success within Systems for Professional Learning: Teacher Collaboration/PLCs, Coaching, or Professional Development.

- What has had the greatest impact on adult practice this year? What conditions, structures, leadership, or learning contributed to that success?
- What did you learn?
- In what ways did your success counter inequities or white supremacy culture?
- What practices, mindsets, strategies, or skills will you continue to practice or integrate into your systems as a result of your work this year?
