NEW BUILDING

Our incredible new building at 550 Brandon Ave will be opening throughout the month of September. We have created a webpage for building hours and service-specific transition and location information that is updated regularly. We appreciate your understanding and flexibility as our teams set up and mobilize in our new spaces!

New Building Highlights:

- 156,000 sq. ft. of state-of-the-art space (*compared to Elson's 35,500 sq. ft.*)
- Wellness suite with multipurpose spaces dedicated to activities such as meditation, prayer, or reflection
- Teaching kitchen
- Indoor/outdoor student living room area
- Art therapy room
- Outdoor gathering and recreational spaces
- 61 patient exam rooms
- Expanded rooms for counseling, group therapy, and space for student telehealth privacy
- Pharmacy space
- Research center
