RE: FORMAL CEASE AND DESIST NOTICE

Unauthorized Use of Intellectual Property, Name, Image, Likeness, Sayings, Stories, and Related Materials

To the Church Administration:

The MtB Entertainment Legal Department issues this formal Cease and Desist Notice concerning the alleged use, display, reproduction, distribution, publication, presentation, or other exploitation of materials and representations pertaining to Christ and associated with the intellectual property, identity, image, writings, sayings, stories, and related creative materials claimed by or associated with Mr. Marcus T. Brooks and/or MtB Entertainment.

You are hereby directed to immediately cease and desist from using, reproducing, displaying, distributing, publishing, performing, incorporating, or otherwise exploiting any images, sayings, stories, representations, or other intellectual property pertaining to Christ that MtB Entertainment contends is subject to its rights or interests, unless you possess independent lawful authorization to do so.

This demand specifically includes materials presented through Sunday Mass, daily Mass, religious services, ceremonies, rituals, publications, educational materials, promotional materials, websites, social-media accounts, audiovisual presentations, and other church-related activities where such materials are allegedly being used for purposes from which the Church receives financial, commercial, institutional, or other benefit without the consent of MtB Entertainment or the rights holder.

MtB Entertainment further objects to the alleged use of the Bible and related religious narratives, statements, imagery, and representations in a manner that MtB Entertainment contends has contributed to propaganda, false representations, or defamatory portrayals concerning Mr. Marcus T. Brooks and his professional identity and image. Mr. Brooks's name, image, creative identity, and intellectual-property interests are important components of his professional activities in the entertainment industry in Hollywood, California.

DEMANDS

Accordingly, MtB Entertainment demands that Saint Albert the Great and all affiliates:

Immediately cease and desist from any unauthorized use of the disputed materials and representations.

Remove from your property and controlled platforms any images, sayings, stories, representations, or other materials pertaining to Christ that MtB Entertainment contends are being used without authorization.

Cease incorporating such materials into Masses, services, rituals, publications, performances, promotional activities, educational materials, websites, social-media content, or other activities where such use allegedly violates the rights asserted in this notice.

Preserve all potentially relevant evidence, including photographs, videos, recordings, publications, bulletins, correspondence, electronic communications, social-media material, website content, financial records, contracts, policies, internal communications, and other documents concerning the creation, acquisition, use, reproduction, publication, distribution, or presentation of the disputed materials.

Take reasonable steps to prevent the destruction, alteration, deletion, concealment, or modification of potentially relevant evidence after receipt of this notice.

Provide written confirmation identifying what materials have been removed, what activities have been discontinued, and what measures have been taken to ensure continued compliance.

Identify any claimed legal authorization, license, ownership interest, or other basis upon which you contend that the challenged materials may lawfully be used.

RESPONSE REQUIRED

You are required to provide a written response to the MtB Entertainment Legal Department within ten (10) calendar days of receipt of this notice.

Your response should confirm whether you will comply with the demands stated above and should identify any basis upon which you dispute the claims or demands contained in this notice.

Nothing in this letter shall be construed as a waiver of any rights, claims, remedies, causes of action, or defenses available to MtB Entertainment, Marcus T. Brooks, or any other applicable rights holder. All such rights and remedies are expressly reserved.

This notice is intended to provide formal notice of the asserted concerns and an opportunity to resolve the matter without further escalation. Failure to provide a timely response may result in consideration of additional legal and administrative remedies without further notice.
