Foundation, concealer & contour

Kryolan Digital Complexion Fluid Foundation (I use shade Y24)

A foundation that blends beautifully with the skin and lasts all day.

Ben Nye The Concealer + Adjuster Palette

A makeup artist's staple that has everything you need to camouflage and color correct.

Inglot Under Eye Concealer (I use shade 92)

My go-to under-eye concealer with a very natural finish. It's not high coverage, so I recommend color correcting beforehand if needed.

NYX Wonder Stick (I use shade Fair)

My favorite contour stick with just the right cool tone. I use shade 01 Fair. I've tried a bunch, but always come back to this one.

Facepaint

LA Girl HD Pro Conceal in Flat White

Technically a color corrector, but it works amazing as a white concealer!

Mehron CreamBlend Stick

I use the Mehron CreamBlend Sticks for facepaint. They're highly pigmented and, if properly powdered, last a very long time.

Setting Powder

Ben Nye Neutral Set Powder

Amazing for setting cream face paints and any other type of makeup.

Blush & Bronzer

Ben Nye Vivid Blush Palette

You'll see me use this palette in almost every cosplay makeup look. It's extremely pigmented and has a great variety of shades.

Physicians Formula Butter Bronzer (I use shade Light Bronzer)

Light Bronzer is the perfect shade if you have pale skin and every other bronzer makes you look muddy. I've gone through so many of these!

Eye Makeup

Eyeliner

Wet n Wild Breakup Proof Liquid Eyeliner

The best black eyeliner I've tried, especially for hooded eyes like mine. The brush tip gives great control and it lasts all day.

(Amazon): <https://amzn.to/4mGMDCh>

NYX Epic Wear Waterproof Liquid Liner in White

Hands down the best white eyeliner out there. Just a heads-up: you'll need an oil-based cleanser to remove it. It does not budge!

(Amazon): <https://amzn.to/4gN9rPa>

Mascara

Heroine Make Long & Curl Mascara Advanced Film in 01 Jet Black

If you need a 100% waterproof mascara, this is the one. You'll need an oil-based remover to take it off, so keep that in mind.

Maybelline Sky High Mascara

This mascara is great! It's not waterproof but a tubing mascara, so it can handle a little moisture like a few tears or light rain. It's easy to remove with warm water. They have lots of shades. I love the Burgundy one but mostly use Very Black for cosplay.

Ben Nye Mascara in shade White

You'll often see me use this mascara (combined with white lash clusters) for fantasy looks. It's also great for painting your eyebrows white.

Eyeshadow

BPerfect Cosmetics Carnival Eyeshadow Palettes

I love the BPerfect Carnival palettes! I have *Interstellar* and *Carnival XL*, and they're both amazing for cosplay eye makeup.

Eyelashes & Lash Glue

I prefer lash clusters over strip lashes because they're more comfortable and stay on better. Here are some of my favorites:

- Black eyelash clusters (Curl: D, Length: 12-18mm mix, Color: CM-01): https://s.click.aliexpress.com/e/_EuAAeG0
- White eyelash clusters (Color: white): https://s.click.aliexpress.com/e/_EuRy1Q4
- Bottom lash clusters: https://s.click.aliexpress.com/e/_ExjLQ6S

Duo Quick-Set Striplash Adhesive in White/Clear

The best lash glue! I've been using this since my MUA days in the bridal industry. It lasts all

day and is also great for safely gluing on rhinestones.
