

Subject: Invitation to Support Your Employees' Participation in SEA's Co-Working Day

Dear Business Leaders and Community Partners,

My name is **Belle Espinal**, and I'm reaching out on behalf of **Sisters of Economic Action (SEA)** — a Cleveland-based initiative that empowers women through professional development, meaningful networking, and a shared commitment to financial freedom and sisterhood.

At SEA, we envision a future where all women have equitable opportunities to create, be heard, lead, thrive, and contribute. Our work is rooted in building community, and collaboration with like-minded partners like you is key to making that vision a reality.

We are writing to **ask for your support in allowing your employees to participate in our upcoming Co-Working Day event** — an opportunity designed to enhance productivity, foster connection, and promote professional growth in an inspiring community setting.
