

APTA Faculty Workshop PT Information

NAME	UNIVERSITY	EMAIL	CONTENT AREA	RESEARCH INTEREST(S)	OPTIONAL ADDITIONAL INFO
Robin Joyce	Seton Hill	rcjoyce@setonhill.edu	Neuro	Peripheral Neuropathy; Neurologic Wellness; Catholic Social Teaching in DPT Curriculum	
Maria Osborne	Indiana State University	maria.osborne@indstate.edu	neuro	Rural health, community engagement, perturbation training, balance/falls	
Amanda Wilson	University of North Dakota	amanda.k.wilson@ndus.edu	neuro	Education, population/rural health, neuro	
Melissa Tolbert	Western Kentucky University	melissa.tolbert@wku.edu	Anatomy, MSK	Education, Pain Neuroscience, Dry Needling, Injury Prevention	
Katie Yahya	Regis University	loren084@regis.edu	Geriatrics, acute care, clinical education	Leadership, Clinical instruction, burnout in clinicians,	
Brittany Kennedy	St. Francis University (PA)	bkennedy@francis.edu	Neuro, Clinical Education (DCE), Teaching and Learning	Clinical reasoning, clinical instruction, neuro implementation science	
Katie June	Lincoln Memorial University	katherine.june@lmunet.edu	Cardiopulm, pathophys, acute care	Heart failure, acute care clinical, early introduction to the ICU, clinical	

				reasoning in acute care	
Shannon Scanlan	Saint Francis University	sscanlan@francis.edu	Clin Ed, Professionalism, Complex Pts	Critical thinking/clinical reasoning; Leadership; Developing Clinical Partnerships; Improving success of grad admits; ACL	
Katie Shroyer	Carlow University	kshroyer@carlow.edu	Clinical education	Clinical reasoning in clinical education, Clinical Instructor support/training; pediatrics	
Jordan Felsberg	Wingate University (NC)	j.felsberg@wingate.edu	Cardiopulmonary	Home health cardiopulmonary, cardiopulmonary in other populations (MSK, Neuro, etc), simulation in education	
Kristi Kleinig	Kilgore College	kkleinig@kilgore.edu	PD	n/a	
Ginger Kennison	ECPI University (PTA program)	vkennison@ecpi.edu	MSK, kines, modalities, ortho, devices, cardiopulm, assessment, board prep, motor dev		
Priya Pockyarath	Indiana Wesleyan University	priya.pockyarath@indwes.edu	Ortho, kines, leadership	Low back pain in gymnasts	
Liz Corwin	University of Puget Sound	lcorwin@pugetsound.edu	Anatomy, O&P, geri	Performing artists. Usually	

				circus artists.	
Dawn Gray	University of Puget Sound	dgray@pugetsound.edu	Clin Ed seminars, professional issues - Intro (1st yr) & Advanced (3rd yr)	Collaborative Education Model; ? student perception of JEDI adherence in clinical sites	
Sarah Tylkowski	North Central College-Developing program with 1st cohort right now.	stylkowski@northcentral.edu	Acute Care, Cardiopulm, Geriatrics, Documentation	Everything, Acute care, cardiopulm, and geriatrics, education, student success, burnout, emotional distress on clinicals	
Hayleigh Raiff	Bellarmino University (Louisville, KY)	hraiff@bellarmino.edu	Cardiovascular and pulmonary, pharmacology, introduction to acute care	Heart failure management in home health setting, PT role in cardiac rehabilitation, inspiratory muscle training	
Yvonne Budd	University of South Florida (Tampa, FL)	ybudd@usf.edu	Clin Ed, complex patients, psychosocial aspects, oncology	Clin Ed, Oncology, Acute care, Admissions & retention, DEI, IPE	
Elizabeth Fonken	Lincoln Memorial University	Elizabeth.Fonken@lmunet.edu	Neuromuscular Rehabilitation, Intro to Acute Care	New graduate PT's in business, Vestibular dysfunction and COVID19, Student success programs	
Gabi Brazg	Midwestern University (Downers Grove)	gbrazg@midwestern.edu	Neuro, Clinical Education	Neuro rehab, SCI & gait, predictors of	

	Grove, IL)		(DCE)	student success, admissions & retention	
C. Benjamin Jones	Methodist University	cjones@methodist.edu	Musculoskeletal, gait and movement analysis	Overhead throwing, DPT test taking skills, concussion and vestibular practice in the orthopedic outpatient setting	
Brittany Samulski	Old Dominion University	bspear@odu.edu	Motor Control, Adult Neuro, Gait Analysis, Falls Risk Assessment, Differential Diagnosis	Motor Control, Adult Neuro, Gait Analysis, Falls Risk Assessment	
Amanda Petty	Oregon Tech	amanda.petty@oit.edu	Neuro, Clin Ed (DCE)	Academic coaching, non-academic predictors of student success	
Gabbi King	Laramie County Community College	gking@lccc.wy.edu	Neuro, Cardiopulm, Clinical Education	CI development, PT/PTA relationship	
Steven Lesh	University of Charleston	stevenlesh@ucwv.edu	Impact of technology on the learner; Pain; Anatomy		Willing to help build and coordinate a research pod or two
Linsey Hamilton	Concordia St. Paul	lhamilton@csp.edu	Musculoskeletal	Teaching & learning, shoulder biomechanics	
Charlene Nolen	University of Evansville	ck39@evansville.edu	Acute Care/Multiple systems topics,	Acute Care Discharge Planning; Wound care	

			Cardiovascular and Pulmonary, Gross Anatomy, Neuromuscular Rehabilitation, Ethics, Management of Complex Patients	interventions/venous ulcer prevention; Motivational interviewing with neurologic patients	
Alexis Cross	Indiana Wesleyan University	alexis.cross@indwes.edu	Neuro DCE	Neuro/Vestibular Student Success	
Mareli Klopper	Graceland University	klopper1@graceland.edu	MSK, pelvic health	Teaching and learning, non-academic predictors of student success, Social determinants of health/access/student success, anthropological concepts, pelvic health	
Elizabeth Chaffin	PCOM Suwanee, GA	elizabeche@pcom.edu	DCE, Sports Rehabilitation	Non-operative treatment of athletic pubalgia and SIJ dysfunction
