Sixth Form Updates

Dear Sixth Form Students and Parents,

As we come to the end of Term One, I would like to congratulate all our Sixth Form students on a fantastic start to the academic year. It has been a busy and productive term, filled with achievements, new initiatives, and opportunities for growth. While we celebrate the progress made, it's also a reminder that there is always room for improvement as we strive for greater success.

This break is a valuable opportunity to focus on **revision skills** in preparation for the January mock exams. I hope the strategies we explored this week have been useful and that students are committed to following the **revision timetables** they have created.

For **Year 13 students**, please ensure you find time to complete your **UCAS applications** so that when you return, you can focus solely on your mock exams. I will do my best to respond to emails during the break, but please also remember that you have support available through **MABECS** and **UKEC** for any additional guidance you may need.

Equally important is prioritising your **wellbeing**. Regular breaks, a positive mindset, and a quiet, distraction-free space can make a significant difference in your focus and productivity. Remember, this is your chance to make the most of your time and build confidence in your abilities—**you can do it!**

I would also like to extend a heartfelt **thank you to all parents** for your continued support throughout the term. Your encouragement and involvement play a vital role in your children's success. Wishing you all a joyful holiday season and a wonderful New Year.

Thank you all for your hard work and dedication this term. I look forward to seeing you in the new year, ready to take on the next term with determination and enthusiasm.

Best wishes,

A handwritten signature in black ink, appearing to read 'J. Welburn'.

Mr. James Welburn
