

All right, Brother Morgan, let's go now to the Word of the Lord, and we're going to pick up with part five of the Masoroth. I would like to just run back through the signs again, and there's all of our signs that speak to us from the heavenly. Before Satan perverted this, it was the original gospel that Yahweh wrote in the stars of heaven.

All of the stars are preaching to us. The Bible says they speak to us day by day. Yahweh named these constellations.

Read that, Brother Morgan. Isaiah 147 and verse 4, don't ever let the enemy take what belongs to Yahweh. Amen.

It's not his zodiac. It's Yahweh's Masoroth. I'm ready when you are, Brother.

He telleth the number of the stars. He calleth them all by their names. I want to ask you a question.

If Yahweh don't want you looking at the stars, why was he so focused on naming them? Why was he so focused on laying them out and naming them literally? Because within those names, within those signs, is the original gospel in the stars. When you look up to the heavens, this is the clock that you will see. It's a divine portrait.

The whole gospel to all mankind. We know that Satan perverted it. I've already taught you these things.

We've read the book of Enoch. We showed you how Satan perverted it. We showed you the meaning of the word Masoroth, which means the way.

That's why Yahshua said he was the way. He was the fulfillment of the Masoroth. Now, I would like to deal with something real quickly about the Masoroth and the pre-existence of Christ.

Many people are confused by a few verses in the Bible where Yahshua seems to say that he pre-existed. One verse that comes to mind is when he says that the son of man came from heaven. But the problem with that is we have found out that the word heaven does not always mean heaven.

But in fact, it means where the stars dwell. And in fact, if you look at this screen, you will find Yahshua from the beginning to the end. He is the manifestation in the flesh of what was written in the stars before the world was ever created.

That's why he said before Abraham was, I am. In other words, you don't see Abraham in that heavenly scroll. You don't see the Jewish people in that heavenly scroll.

All you see is Yahshua from beginning to end. He was in the heavenly scroll before he ever came to earth. Sister Shayna Ellis, your hand is raised.

Go right ahead. Yes, pastor. There is one scripture that I just cannot seem to reconcile whenever it comes to the pre-existence.

All right, go ahead. And it's Proverbs 8, 27. It says, when he prepared the heavens, I was there. When he set a compass upon the face of the depths. And then it goes on to say that I was forever rejoicing in his presence. Yes, and it's not speaking about Yahshua.

It's speaking of wisdom. Okay. Go back and read the beginning of the chapter.

And I don't have it right in front of me, but hold on one second. Now I got to get up and now y'all gonna find out my secret. I got a suit on at the top and pajamas at the bottom.

I do the same thing. Praise the Lord. All right.

What chapter are we in? It's Proverbs 8, 27, I think, or 28. Okay. Proverbs chapter eight.

Yes, sir. Pastor, all right. Go ahead.

All week, I've been on live on TikTok all week. And I have nothing but people coming to me trying to, because they know that I don't believe that Yeshua is God in the flesh, coming with every scripture, this one in particular, which I came back with them saying, you don't understand the scriptures are saying, speaking about wisdom, not about the pre-existence. And I point to your teaching every time that Yeshua was the plan of Yahweh in the blueprint.

So if you want to point back to the pre-existence, we know that he had already prepared for him to come, but he comes in the flesh by the miraculous birthing of him, putting that seed in Mary of Joseph. And I've been, my head's been blown up all week, brother. My head's been blown up because I don't even go onto these TikToks to discuss this, but every Christian comes on there to try to debate me.

Listen, if you want an enemy, you won't get it from the world. You'll get it from the Christian church. Amen.

Because they love elevating Christ to a position that he never asked for or ever claimed. Christ claimed one thing. What was that? That he was the son of God.

That's all he ever claimed. And why we have determined to move him, and let's just go back to this chapter eight, Sister Shana. If you'll go back to the first verse, I've taught all of our students, always go back to the beginning.

What does the first line say? Let's read the first two verses. Read, Sister Shana, for me, for your own self. Yes, sir.

Doth not wisdom cry and understanding put forth her voice? She standeth in the top of high places, by the way in the places of the past. Now, if you continue to read, you go down to your verse, it talks about verse 14, read verse 14. Counsel is mine and sound wisdom.

I am understanding, I have strength. There's your seven spirits of God. So he's counseling with himself.

Absolutely, absolutely. Among the seven spirits of God. If you're watching and you've not seen my teaching on the seven spirits of God, that is the wholeness of who Yahweh is.

And right there in that verse is the spirit of counsel, which is one of the seven spirits. There's the spirit of wisdom, which is one of the seven spirits. There's the spirit of understanding, which is one of the seven spirits.

There's the spirit of might, strength, which is one of the seven spirits. In the beginning, all seven of these spirits of Yahweh were working in unison in the whole council of Yahweh. and that is what was in the beginning with Yahweh.

Thank you, pastor. You're more than welcome. Amen.

Praise Yahweh. Sister Holly Edmonds. Just real quick.

So I was really reading about that this week, like in my Queen James version, it talks about, yeah, I haven't got the book of Yahweh yet, but I'm working on it. It talks, and me and Marianne were talking about how it says in the beginning, let us make man. And so the book of Yahweh, it doesn't say that, but do you feel like when he says, let us make man, instead of the Trinity, like what we thought it was, maybe it's referring to like the seven spirits.

Amen. The whole council of Yahweh. The whole council, okay.

And the whole council. And by the way, if you're watching and you've not watched my teaching on the heavenly council, it's on FHTV, just go type in heavenly council. You need to watch that teaching.

Everybody needs to understand who was with Yahweh in the beginning at creation, the Elohim. And so anyway, that is something that everybody needs to watch. Now, I'm going to ask, I'm just gonna open up the floor right now.

I've not even gotten to today's lesson, but I'm gonna open up the floor for anyone to show me in the Bible where Yahshua ever said that we had to believe that he was Yahweh or that he was divine or that he was preexistent. Now, why do I want you to do this? Because I want to prove to you that the Christian church, the Catholic church has created a red herring. At the end of the day, what must you believe to be saved? What must you believe to believe in the correct Christ and the correct father? According to the words of Yahshua, you must believe two things.

You must believe in him that sent me and him that was sent, that I am the son of God. Now, if there's any place else where you can show me today, right here in front of the whole world, where he said you've got to believe that he is this or he is that, then I'll stand corrected. All right, go ahead, Sister Shana.

It's not me saying anything against you. I had a preacher, actually, I was explaining to him why I believed what I believed. And he came back to me with a bunch of scriptures.

They're typical oneness scriptures. Right, you want to run through them? Yes, sir. Well, he gave me the first, he gave me the Colossians two and one, which we already know the explanation of that.

You just did that one. And then he came back with John one and three are the first thing. Oh, they love John one.

They love John one. Yes, the big thing for Peter. I don't have time to explain John one today, but let me refer everyone to a teaching called in the beginning.

Oh man, hold on. Keep going, Shana. Let me look up that sermon.

The Biltmore sermon. The Biltmore. Yeah, the Biltmore sermon.

Yeah, whatever that one, what was the name of it? Let's see. The word beginning. That's one thing I love about FHTV.

I think it's just the pre-existence. I think you can look up pre-existence and it comes up. Okay, hold on.

Pre-existence. Let me just type in pre, see if we get lucky there. Boy, I love FHTV.

You can just type in any word. Okay, there it is. Okay, share this one, Courtney, or I can do it here.

I lean on her for everything. I can do it myself, I reckon. Let's see.

I don't even know how to get in the chat. I don't, I'm so lost right now. I don't even know how to get back to the chat.

Courtney, type in pre-existence and share that Biltmore video. All right, go ahead, Shana. I just want everybody to know where to find resources for these questions.

I will say your study on the Maserat has made a lot more sense of it because whenever you look and you just are thinking the translated Hebrew word *dabar* is plan. No, ma'am. The Hebrew word *dabar* is plan.

Sorry, my children. But then you look at John one and three and it says all things were made by him and without him was not anything that was made. Absolutely, and we've corrected that because that's not what it says.

It is a mistranslation. Everything was made through him. I'm sorry, on the account of him, not by him.

What lesson? That was a Sabbath morning lesson. Go search in the old Sabbath videos. Because of him.

Huh? Another one was because of him. Yeah, because of him and on the account of him. By the way, we just broke another attendance record.

We've never had this many people in class before. Yahweh, that's wonderful. We're hitting, we're getting right at that thousand mark.

So, Shana, I don't have time today, okay? But the word by him is a gross mistranslation. And here's one way I know it's a mistranslation without even knowing it. Because Yahweh said, no one was there with him in the beginning.

He said, I alone stretched forth to heaven, all right? So if you've got Yahweh doing it and Yahshua doing it, we've got a major problem here, all right? So the problem is in the mistranslation, and I'm gonna make it short. Somebody find me that sermon. It was in the Sabbath morning school where I taught the mistranslation of that verse.

It's not by him. As a matter of fact, the book of Yahweh does correct it. It was on the account of Christ or because of Christ, Yahweh created everything to give it to him as an inheritance.

The reason it was all created was on the account of Christ, not by Christ. Pastor, I think it was three weeks ago when you broke down Hebrew. Hold on, Mr. Shana, hold on.

Oh, you're okay. I was just saying, I mentioned this to him and he said, we shouldn't get so burdened down with seeing if it's a mistranslation. He said, because you're not a translator.

Right, they love that excuse. That's why they stay with the Queen James Bible because it gives them a cop-out. But the Bible said study to show yourself approved unto God.

They don't wanna study. They wanna read. And there's a huge difference in reading the Bible and studying the Bible.

And you know what? It don't take a rocket scientist. You know what? It don't take a rocket scientist. Let me show y'all how hard it is.

I just wanna, let me just show you how hard it is to do these translations. It's so hard, I tell you. I don't know.

Hey Pastor, I find it fascinating. Hold on, Brother Joseph, I didn't mean to cut you off. Go ahead, Brother Joseph, you're next.

No, I was, now I lost my train of thought. I'm so sorry about that. No, that's all right.

You taught on it, I think three weeks ago when you broke down Hebrews and then you brought us back there as well. So make sure you start, you taught it before that. You taught it in the Logos.

The Logos, okay. 22 June, 2002. It's, it says in Hebrews 1.1, replaced by, with, because of.

There you go. We got what, what was the date of that video? 22 June. All right, so somebody scroll back through and it should have been uploaded the week after that.

And I titled it, I titled it Logos. All right, Shana, look at your screen. The word is dia.

This is not hard at all, y'all. We don't need to get bogged down in translation. This is so easy.

The word dia, all right? Now, when we go down to dia, look how many different ways that word is translated. Okay? Now, 58 times it's translated for and not by. So could we say that the world was created for Christ? Of course we could.

What about for the sake of? 47 times, for the sake of Christ. Or for this cause, 14 times, for this reason. Or because of, 52 times.

Or, and go look right here, the second meaning is for the reason that something is done. For the reason of, on the account of, for this reason. Therefore, on this account.

So you cannot tell me when the Bible says Yahweh created everything, the New Testament cannot say that Yahshua did it. It's a contradiction. All right, praise God.

It's that easy. When people say, don't get bogged down, I wanna laugh. It's that easy, folks.

I mean, you know, that's why you've gotta study. If a verse don't make sense, and John one and three don't make sense, you can't have two people doing it when Yahweh said, I alone did it.

Well, okay, then I accept you at your word.

But what are you saying over here? In the original text, he said, I created it because of Christ, that I might have an inheritance to give my son, amen. What is Yahshua's inheritance, everybody? The nations of the world. Well, you gotta create a world to have nations.

So if you saw that in the Masoroth, if Yahweh wrote this in the Masoroth, Leo the lion was gonna have the nations of the world. He might wanna go ahead and create a world to make that happen, right? Amen. Praise Yahweh.

All right. Thank you. You're welcome, Shana.

I appreciate your love for truth, Shana. You and Heather appreciate all of y'all so very, very much. There is no question off limits here.

We don't hide from questions. We answer questions in this ministry from the word of God. And I'll be the first, if somebody can prove me wrong, I'll be the first to say, oh, we gotta undo that.

Gotta get it right. Okay? I promise you, I'm wearing these red glasses. I just saw that.

Honey, bring me some normal looking glasses. Praise God. Here, I got a pair of other lenses.

No, we love them. Keep them. You love the red ones? Okay, I'll put them back on.

Yeah. There we go. We like red.

We like red. Let's do red. Let's do red.

Well, somebody said Elton John glasses, but I ain't got that Elton John spirit. Hallelujah. All right.

Let's get back to our lesson now. Let's share the screen again. All right.

If anybody, listen, I wanna ask you, I beg all of you from the first to the last, don't sit here. And when I teach something that you don't agree with, don't be that person that's scared to speak up and say, I don't know. Ask questions.

Don't leave the class with questions because then the devil will get in your mind, okay? All right? Always ask questions. And if I'm wrong, I'll admit it and we'll search the scriptures together. All right.

Now, we found out that the tabernacle was created after the Mazaroth. The tabernacle has all the same symbols that the Mazaroth has. All of the tribes, the 12 tribes is created after the 12 houses of the Mazaroth.

We found out that Daniel was the greatest astrologer of his day. We found out that that's how they found baby Yahshua because they knew how to read those stars. They knew when he was coming.

Then we found out where you start reading the Mazaroth is with Virgo and you end it with Leo. And then we started going through the signs, Virgo, Libra, Scorpio. Yes, last week we was on Sagittarius and Capricorn.

If you missed those lessons, they are all available on FHTV. You can go back and we explain the meaning of every one of these symbols. Well, today we start on Aquarius.

That is the next sign in the heavenly scroll is Aquarius. Now, let me do a quick test real quick. Capricorn, someone tell me what this is symbolizing and what this message is saying to us in the stars.

Life comes from death. And this is a sign of what event? Atonement. Amen.

This is Yahshua, the goat, one of the goats and the two goats. This is Yahshua. By the way, the first day of the seventh month is next Tuesday at sunset, not this Tuesday, next Tuesday at sunset.

That is a high holy day. That's the feast of shouting. Sometimes called the feast of trumpet.

We will be having service live at Waveland for that holy festival. Make sure you join with us. That is a commanded assembly.

Then 10 days later, we'll have atonement. You're welcome to join us. This is a picture of-

Doesn't the tail end of Capricorn represent the birth of the church? Absolutely.

The death of Christ and the birth of the church. Now, why do we get the death of Christ and the birth of the church together? Because Yahshua is the second Adam, all right? What happened to the first Adam? The first Adam, in order to give birth to his church or his bride, which was Eve, what had to happen to the first Adam? He also had to die, if you will. He was put to sleep. Yahshua was put to sleep for three days and three nights. Adam literally was put to sleep. And what came forth from his sleep? His church or his bride.

Yahshua is the second Adam. On the cross of Calvary, when his legs were broken, do y'all see the broken leg of the ram, of the goat? Well, he was broken. That is a symbol that he was damaged, but not defeated.

But from his damage comes forth the bride, the second Eve. And this second Eve comes directly from inside of Yahshua. Because when they, where did they pierce Yahshua? Does anybody know? His side.

In his ribcage. His ribs. Where did the first bride come from, Eve? His ribcage.

Come on, everybody, get your spiritual ears open now. All right? The first bride came out of the rib. You came out of Christ.

You was in Christ when he died on the cross. Now, Brother Vaughn, I don't believe that. It's okay.

Where was Levi when Abraham paid tithes to Melchizedek? His loins. The Bible said Levi paid tithes through Abraham. And yet Levi had never been born.

But because he was in the loins of Abraham, Yahweh knew he was in those loins. Not Yahweh knows the sperm count of every man. Yahweh knows every, that was in the sperm bank of Adam.

He knows you. That's why he told Jeremiah, before you was born, I knew you, I formed you. I designed you to be there.

I designed that sperm cell to find that egg with your name on it. Resurrection power. Say it again, sister.

Resurrection power. And this is why abortion is such an evil, because Satan knows that every sperm cell has a name on it. And all that sperm cell is the predestined of Yahweh.

You were in Christ on the cross. The Bible said that what came out of his ribcage? Water. Blood, and what else? Water.

What's always present at a birth? Water. There's always blood and water. Yeshua, the second Adam died, you flowed out of him to the earth.

He left you here in his place as his proxies. He released you onto the earth to carry forth his ministry. That's why he said greater than things that I've done, you will do.

No, that didn't mean you was gonna be more powerful than him. That didn't mean you was gonna raise more dead people than him. It simply meant that what one man was doing on the earth, now billions of men would do greater works.

And you came, coming out of Capricorn. That's you, beloved. That's the fish.

That's the life. Remember, he caught you, fishers of men. He caught you.

You were swimming in the wrong direction. And he dropped a net down and caught you. Hallelujah, by the preaching of the gospel.

Amen. So it's imperative that we understand that the church come forth right there. Now, what's the next thing that the heavenly scroll prophesies is going to happen after the birth of the church? Well, it's real easy.

The outpouring of the Holy Spirit is next. Ladies and gentlemen, look at this scroll. After the birth of the church, the church needs power.

The church needs an anointing from heaven. And the heavenly scroll prophesied to us that the Holy Spirit would come on the church. And there it is in the stars.

Do you not see this story unfolding in the heavenly scroll? It's so perfect, so beautiful. After the church is born, then the Holy Spirit would be poured out upon the church. Now, there's one person I didn't see in class today, Sister Vicki Baker.

I pray she's okay today. All right, Brother Morgan, let's go to the word of God. And let's prepare now to bring the revelation of the Aquarius.

The book of Numbers chapter 24 and verse 7. Sister Sandra Brawley, if you would get Isaiah 32, one through two. Brother Anikwitch, if you would get Isaiah 33, 17, 20 and 21. Brother Anna, Sister Jan Meadows, if you would get Isaiah 44, verse two, verse three, and verse six.

All right, Brother Morgan, let's start off at Numbers 24 and verse seven. He shall pour the water out of his buckets, and his seed shall be in many waters, and his king shall be higher than Agog, and his kingdom shall be exalted. Now read it one more time.

This is talking about Yahshua, read. He shall pour the water out of his buckets. All right, let's hold on a minute.

Let's go back now and let's look at the promise that Yahshua will pour the water out of his what? Buckets. Did y'all know that was in your Bible, Aquarius? Wow. Did you know he's gonna pour the water out of his bucket? Now, I know you can't see it on my screen, but if you'll look in that stream of water, there are many stars in that stream that looks like seed.

Wow. Hallelujah. Oh, hallelujah.

Now, what's gonna be in that water, Brother Morgan, according to this prophecy? The Holy Spirit. No, read, read it. Oh.

Read what's after he pours water out of his bucket, what's gonna be in the water? What's gonna be in the water? And his seed shall be in many waters. Oh. Hallelujah.

My God, his sperm, his seed is going to be in the water. Hallelujah. My God, my God.

Wow. That's why the Bible said, if this same spirit that was in Christ also dwells in you, it will seed of God. The seed is in the Holy Spirit.

When you went to the waters of baptism last night, Brother Lutz, that water was poured upon you, and the seed came in the water. And now that seed, what seed? Oh, let me show you. Let me show you what seed.

Look over there to the left. Who do you see? Virgo. What's in our left hand, beloved? The seed. Somebody say the original seed. The original seed. Yahshua is the seed's son, but he's not the only son.

Oh, hallelujah. Because when the water pours out, the seed packet's gonna be poured out on the earth. Hallelujah.

My God, from Mount Zion. Hallelujah. The seed is gonna be poured on the earth in the water that comes out of a bucket.

Oh, yes. Isn't that marvelous, what Yahweh says in his word? Go ahead, Sister Tabitha. Woo, hallelujah.

Unmute, unmute, unmute. There you go. That's not like me to not unmute, boy.

I just got confused because I'm in Book of Yahweh, and it just reads a little different. It says, water will flow from their buckets. Their seed will have abundant water.

Yes, ma'am. There is referring to the Elohim, which is the plurality. It's just a, it's a correct rendering of the word Elohim.

Got it. Yes, ma'am. Now, brothers and sisters, listen carefully.

Satan don't, you know why Satan don't want you to know this, Maserat? He don't want you to know that the seed is in the water. He don't want you to know that you received the very same seed that Yahshua received, orchestrated by the Holy Ghost. He don't want you to know this. He wants you to think you're just an old human. You have no power over sin, but my beloved friend, I don't know if you know the power of that seed, but if it ever falls on good ground, it will drive out the weeds. It'll drive out the addictions.

It'll drive out the strongholds. All you need is a seed. Somebody ought to put that on a t-shirt.

All you need is a seed. Praise God. I'll get that done.

Yeah, there you go. And you ought to pour that water. Matter of fact, let's sell that at Tabernacles.

Go make me, go put Aquarius on there and put at the top, all you need is a seed and then under it, put if you know, you know. Hallelujah to God. Praise the Lord.

Oh, how wonderful. How many in this room today has that seed that's been poured out on you? Hallelujah. When you receive the Holy Spirit of God, you receive the original seed.

Hallelujah. Praise God. Hallelujah.

Hallelujah. That's what Aquarius is. It is the pouring out.

Somebody said, I received the Holy Spirit. No, you received the Holy seed. There is power in the seed that you cannot imagine.

Now, if that seed falls on bad ground, it'll never bring forth the son of Yahweh. You'll always be just a man. But if that seed ever falls on word ground, word ground, a man that's in the word, then all of a sudden the life that was in Christ, whoa, hallelujah, the life that was in Christ gives you, that's why I preach so hard against the divinity of Christ in the flesh.

It robs the seed of its power. It robs the Holy Spirit of its overcoming power. Christ was born like you.

You fought every devil in hell like you did. And he did it with the same seed of God that you received when Aquarius poured out his spirit on the day of Pentecost. Hallelujah.

All you need is in the seed. All you need is in the seed. See, do you know that there's nothing in a loaf of bread that's not in the grain of bread? Do you not know that all the nutrition in the loaf is in the grain? Hallelujah, my God from Zion.

Do you not, see, people have a problem with that same seed. When I preach on that same seed, they can't deal with that. Surely Christ had a better seed than we have.

When you preach that, you're preaching Satan. So you can live defeated all life. You've got power over gossip.

You've got power over tail bearing. You've got power over the lust of the flesh. You've got power over the what? Because it's in the seed.

Now, what happens when you plant the seed in the ground? It's gotta have two things. It's gotta have the water and the sun. As long as you are nurturing that seed with the water, which is the word of Yahweh, sun, which is the presence of Yahweh, then that seed's fixing to give you everything it gave Christ, amen.

Sister Nicole. Yeah, it's really cool here because it says under this particular constellation that there's 108 stars in the sign and each of the names under them are significant. For instance, the star alpha in the right shoulder is called Sa'ad al-Malek, which means the record of the pouring forth.

The star beta in the other shoulder is called Sa'ad al-Sund, who goeth and returneth, or the pour out, and the last one I'll share because 108's a lot. The bright star gamma in the lower part of the right leg is well known today by its Hebrew name, Sha'ad, which means who goeth and returneth. So their blessings are ensured or the living waters of blessing poured forth for the redeemed.

I just wanted to say that. Somebody's been doing their homework. I'm so proud because the truth is, I cannot get to all these stars.

I can only get to the constellation, but if you start studying the Hebrew names of each of the stars in the constellation, it only shows you the majesty of Yahweh, the depth of which he speaks to us. Amen. Sister Donna Deppard, go right ahead, darling.

Okay, my question is, I received the Holy Ghost some 58, 59 years ago, and seven years later, I heard about being baptized in Jesus' name, and I did that, and it made a huge difference in my life because I had been baptized in the Trinity titles before. Now that I've learned more truths, what happens if I don't get to be baptized in the name of Yeshua? The Father knows your desire to do so, okay? Yes, yes. However, we make every effort possible to make that happen.

Where do you live, Donna? In Lake County, Florida. Oh, we can handle Florida. We've got Florida people here.

What is that close to? We're in Central Florida. Leesburg, well, the villages, Leesburg, Lady Lake. I'm gonna get a minister to baptize you, Deborah, Donna, real soon.

Courtney, drive me crazy and remind me to get a minister to Florida to ordain them to baptize her, ASAP. Donna, your desire to be baptized comes from the Father. Yes, yes.

It comes from the Holy Spirit within you, amen. Yes, and I- We'll get that taken care of. Okay, because I want to qualify for the kingdom.

Amen, Donna. I'm going to be in that first resurrection. Woo, hallelujah.

Yes, yes. Oh, I love it, praise God, Donna. Whatever, whatever it takes.

Whatever it takes. Whatever it takes. I want everybody to listen closely to Donna speak, and I'm telling you that for a reason.

I'll come back one day and remind you of it. Remember what she just said. Donna, remember, don't ever let that leave your heart.

I will make that first resurrection. I will. Praise God.

Sister Callie Sewell, go right ahead. No, just to add to that, if you send somebody this way, I'm only an hour and a half from Miss Donna, and I have my daughter and I have Irene. They have to get baptized.

They never get baptized. So if you put something together, I couldn't do it. Pastor Vaughn likes Florida, so we may just- Yeah, we hope we get here.

Hallelujah. And I do have a pool too, so I can use my- Oh, you do? Yes. Well, Sister Vaughn, how do you feel about a little Florida trip? Well, all right, we'll get it done.

But let's put something together because my daughter never been baptized and Irene cannot make it and she's never been baptized and she- Okay, do this for me. Connect with Donna, Callie. Okay.

Connect with Donna. So we have a number, phone number, and let's arrange something for right after Tabernacles. Okay.

Because it'll be winter time. I'll be ready to get to Florida. Amen.

Okay, awesome. Okay. God bless you.

All right, let's read our next scripture and let's move right along today. Isaiah 32 and one through two. Behold, a king shall reign in righteousness and princes shall rule in judgment.

And a man shall- Now, I want y'all to hear that. Now, I need everybody to hear that. Everybody talks about Christ is coming to rule, but that is not what it says.

That is not what it says. It says princes. Now, how are you a prince? You've got to have the seed of royalty.

Yeah. You've got to have Aquarius pour out those seeds of royalty in your life so that you can no longer be just a man, but a prince. Do you know what Israel means? Prince of God.

Amen. Hallelujah. Hallelujah.

So every one of you watching me now, the first seed you was born of was human seed, but now you've got to be begotten again of royal seed or else you're not a royal nation. So keep in mind, it's not just Yahshua coming to rule, it's the princes or the seed sons. Amen, read.

And a man shall be as a hiding place from the wind and a covert from the tempest, as rivers of water in dry place, as a shadow of a great rock in a weary land. Here's the deal about Aquarius, everybody. It was not fulfilled on the day of Pentecost.

It began on the day of Pentecost. When the Holy Spirit was poured out on the church, unfortunately, the modern church does not understand the millennium reign, the millennial reign. So they believe that the Holy Spirit was poured out on the day of Pentecost.

No, a little drop fell, all right? Aquarius, Yahshua began to pour out that spirit for a chosen few. It was just a dab of dew yet. All right? But this is a promise of a coming day, Isaiah tells us when that water is gonna, they're gonna take the bucket.

They've been tripling it out a little bit here and a little bit there. Oh, come on now, here a little, there a little. The little bucket's just, but there's coming a day when they're gonna take that bucket and turn that thing right side up, upside down.

And that water's gonna come out like a deluge, according to Isaiah. And it's gonna be rivers in the desert. The whole earth is gonna be filled with the Holy Ghost.

Everybody is gonna be baptized with what you've already been baptized in. Just like John the Baptist was a forerunner of Christ, you are also a forerunner of Christ. You are the voices of Elijah.

You are the forerunners of that great day. You've got now what they will get then. Rejoice in the Lord your God and know who you are and why he filled you with that little drop of water right now.

Hallelujah. Praise God, praise God, praise God. Pastor, that's the long-term plan.

That's a long-term plan that started on the day of Pentecost. But the Pentecostal church thinks it ended on the day of Pentecost. They don't understand the feast of God.

They don't understand the heavenly scroll. So therefore they think the Holy Ghost fell at Pentecost. They don't, Pentecost was a dab of dew, here a little and there a little.

A former rain is not a latter rain. That was a former rain, darling. That was a springtime rain, but the deluge is coming, praise God.

Amen, Sister Tabitha, go ahead. Quick, quick comment. It just, I still, I can't understand what it is, why so many are not spreading the truth about the millennial rain.

I don't, it's so hard to fathom. Revelations 12 and nine. He's deceiving everybody.

Yes. The whole world. He's deceived the world.

It's just hard to, it's so hard to grasp why. I know, but you know what? He poured a little bit of that millennium river on you already, hallelujah. Do y'all realize he's poured a little bit of that millennium river on some of you already? Oh, when you come to the Feast of Tabernacles, he's gonna pour a little bit more of the millennium river on you, praise God.

Oh, and you're gonna feel the presence. Listen, I love when people make fun of me for the way I have church, and I ask them. I say, you little, you little, nevermind.

Be sweet, Brother Vaughn. All right, so here's what I ask them. I say, darling, has anybody ever poured water on you? What do you act like when they pour a bucket of water on you? What do you act like? What do you do? You just stand there? No, you respond to the water.

Don't you just start jumping up a little bit? Don't you? Well, the river falls on us every time we get to stand under that river, then I don't know about you. I can't stand under the river. I gotta swim in it.

When it starts, I just go to swimming, hallelujah, because the church is a fish, right? The church is the fish. Well, we need water to swim in, praise Yahweh. That's why He pours His Spirit out on the Holy Sabbath and on the festival, because you need a little bit more water, because you're living in a dry land.

Everything around you is evil. He pours that water on you to keep the fish alive. Don't you know you're a fish? Woo! You gotta have that living water in the dry desert.

Go ahead, Sister Sandra, I see you having a fit over there. Well, I have a question, or I need clarity. And, you know, I think about all of the blessings you were speaking of coming down upon us and rejoicing, and everybody that we see in the world worships differently, but what I'm thinking about is the power is in the seed.

Come on. It's in the seed, so that that's the thing. It's not our expression of joy and our shouting. That's not the power. Thank you, that's what I need clarity. That's the response to the outpouring.

But look, you can go pour water on a dog, he's gonna act the same way as a human acts. Don't mean you got the seed. It don't mean you got the power, all right? But if you do have the seed, when the spirit of God comes down upon that seed, there will always be a response, tearfully, joyfully, there will always be a response from the seed saying, thank you, Abba, for that water.

I needed that outpouring of the water. Some of you are getting rained on right now all over the world as I speak to you. That rain will fall upon every one of you from the preaching of the word of God.

The seed within you is receiving the water from my mouth. The word of God brings life to the seed. Now, if you don't feel that, then you probably don't have no seed in you because the seed responds to the word.

I said last night, it turns you on. It literally excites you. It literally stimulates you.

It literally brings you alive. Is it like when we're talking of a seed, it's like sprouting, it's like a thing, and then the actual bringing forth of the thing is at the resurrection. Yes, that's where the seed blooms.

That's where the seed is born again. Right now, none of you are born again. That's the most horrible teaching in the Christian church.

That you are born again. Darling, if you're born again, you don't need no more rain to grow. You've been begotten again.

Learn the difference. Go watch my teaching. No one is born again.

And every time I hear a preacher say it, I wanna scream, stop. Hallelujah. Brother Joseph Anikwitch.

I know I have to read next, but I just wanted to add something. I'm an Aquarius, right? Born under that sign. But years ago, I was prayed over that I would have a filling, a filling of the Holy Spirit.

And if I have just a droplet right now, I can't even imagine what it's gonna be like to have the full pouring, because it is amazing. It is amazing what God is doing in my life and how He has anointed me to speak, just clarity in my mind, bringing me to your ministry and just bringing full clarity that I might go forth as an evangelist and really do my job. I just praise God for you, brother.

You're a carrier of the river, brother Anikwitch. And you know, brothers and sisters, the Bible calls this little drop that we got, the down payment or the earnest of our inheritance. Now, what does that mean? That means that there's a river coming.

What you've got now is a drop of the river. That peace you feel is not compared to what you're gonna have. But here, we don't know what our inheritance is.

They think our inheritance is heaven. If our inheritance is heaven, why do we need more of the river? All right? Our inheritance is going to be the nations of the world. It's going to be whenever the whole earth is covered with the glory of God, like the waters of the ocean, the Bible said.

That river is gonna fall on your mama, your daddy, your neighbors, everyone that you're praying for right now that's not coming to repentance. Chill out. They will come.

I promise you they're coming on that great day. Hallelujah. He's gonna get them all.

He's gonna get them all. The river's pouring out on the, Satan, you don't win. You're nothing. You're a loser. Hallelujah. He's going to get them all back from the hold of Satan.

But right now, he's getting you back. So when he does get them back, somebody can teach them in the government the ways of Yahweh. Hallelujah.

My God, so much truth right there. Hallelujah. Oh, so much truth.

Hallelujah. Hallelujah. Babylon people, come out of Babylon, folks.

They're lying to you. You gotta walk in truth. And the Bible said, buy the truth and sell it not.

I know people that have sold this truth and gone back. God, help them. There is no other way but the narrow way.

Hallelujah. Come out of her. Come out of her, my people.

Cross over that Nile River. I'm sorry about anybody. Y'all learn when I'm in the anointing and don't interrupt me when I'm in the anointing.

I'm sorry. Learn when I'm in the anointing. There's time to interrupt, but know when I'm in the anointing.

We gotta learn. There's a time when the anointing comes upon me. Let me speak in that moment.

God is calling many of you to cross that Nile River. He's drawing it up for you so you can walk across it roughshod. Hallelujah.

And you need to know that this river that he's pouring in you, do you know why you're getting more? Because you're absorbing. Already pour it in. Now you're becoming an open vessel for the outpouring of the Holy Spirit.

Ladies and gentlemen, if you think you've got something now, you ain't seen nothing yet. That great day is coming. We're gonna teach you about it in a few weeks on the last great day of the feast.

Hallelujah. Sister Carmen Basta, go right ahead. Hi, Pastor.

So in my beginning walks, I had an experience where, you know, the pastor had an alter call and everything like that. And of course I went forth and I was like total surrender. The Holy Spirit like just met me and the pastor was praying for other people and it never got to me, but Yahweh spoke to me and said, I am going to pray over you and anoint you.

And pastor, what I felt was like showers, like literally of, I don't know, the way I could only express it was like the Shekinah glory, the like sparkles of fire flowing down over and consuming. And I'm like, I was just in awe and just like consuming until the Holy Spirit was able to release me to sit back and I was just sitting and just receiving and just trying to absorb what just happened in a total silence. You know, that was me and Yahweh.

And then a brother came over to me and said, I exactly know that the Lord touched you. And he explained everything that was happening. And I was like, oh my goodness.

Sister Carmen, he poured his bucket over you is what he did. You don't need nobody to lay hands on you, baby for the bucket to come. Oh.

Absolutely. Y'all know why we throw our hands up? We're saying more Lord, we're opening our bucket. Come on, pour the river.

Hallelujah, hallelujah, woo. I wanna get to all the rest of you, but I need to get to some other scriptures. So let's, Brother Nick, you go right ahead and then I'll come back to the rest.

Okay, I just wanted to say that as you were speaking on a little bit that was poured out at Pentecost. Yeah. I heard him say, had I poured out the whole bucket at Pentecost, I would have washed away the seed.

But as the seed takes root and it grows, I then can pour out more upon. Woo. Wow.

I did anybody hear that? Did anybody get that prophetic word right there? Did you get that? Hallelujah, hallelujah. Oh my God, have mercy. Oh, have mercy.

Can you repeat that please? Brother, that was powerful. That was powerful. I would have washed the seed off the earth if I would have poured out the whole river.

Hallelujah. All he had to do was set the seed, right, Brother Nick? What does the spring rain do? It just sets the seed, don't it? What is the first thing they tell you to do? I'm a gardener now. When you plant your seed, what's the first thing you gotta do? You gotta set the seed with a little water, not a whole lot.

Woo, that was good, Brother Nick. He set the seed on the day of Pentecost and that seed took off with miracle grow, hallelujah. Oh, yes it did.

Oh, and then the, now the weeds begin to grow in with it because when you set a seed, you get the weed. That's the Roman Catholic church. Yeah, they began to, Simon the magician and the sorcerer and Marcion, they begin to grow with that.

So he said, now what I'm gonna do, I'm gonna let it all grow up together now. But when it comes harvest time, oh, I'm gonna start pulling out the weeds and separating the tares from the wheat. And that's the hour we're living in right now.

Hallelujah. Oh, praise the Lord. I'll come back to the rest in just a moment.

Let's read Isaiah 33, verse 17, verse 20 and verse 21. Your eyes will see the King in his beauty. They will see the land that is very far off.

Now, this is a promise to every one of you. You are going to see the King in his beauty. Read.

Now, hold on. Why did he say in his beauty? Because when he came the first time we saw him, the Bible said he was not beautiful to look upon. That we saw him in his death, dying as a bloody animal.

We saw his body, but we didn't see him in his beauty. But the father is gonna show off the beauty of his son. Now read verse 20.

Look upon Zion, the city of our appointed feast. Your eyes will see Jerusalem, a quiet home, a tabernacle that will not be taken down. Not one of its stakes will ever be removed, nor will any of its cords be broken.

But there the majestic Lord will be for us, a place of broad rivers and streams in which no gallop with oars would sail, nor majestic ships pass by. Well, in other words, the river that's coming is a spiritual river. It's not for boats.

It's not for ships. But there's coming a day when we're going to live in the river of the spirit of God. But brothers and sisters, listen to your pastor.

You are already there. They are not there yet. They're not the first harvest.

But the first harvest is already living in the river. That's why at my church, we sing about the river so much. That's why during worship, I cause our singers to sing about the river because the river of God makes glad the cities of God.

You are the cities of God, said on a hill. And that river makes us glad. This is why Satan don't want us coming together in an assembly.

That's why he don't want you coming to tabernacles. He don't want you at Passover. He doesn't want you at Pentecost.

Why? The river will be flowing and you're going to leave there with another dose of the river. And what's in the river? More of the same. Hallelujah.

Listen, that's why Yahweh told Israel gather together. The Bible said when they would gather together, the priest couldn't even stand up to minister. Because the glory of the river was upon them.

I don't understand a church where people are not falling under the power. I don't know about a church where when that river begins to flow, there's no response. Something's wrong with your seed.

Something's wrong. You got the wrong seed. Because this seed will make you respond to that river.

Whether it's tears of joy, whether it's rejoicing, there's going to be a response. And when the man of Yahweh lays hands upon your head, he is literally being a conduit of more of the river of God. Hallelujah.

Oh, hallelujah. Learn to love the river. Sing about the river.

Bask in the river. Become river rats. Hallelujah.

Become river rats. Make me a t-shirt said I'm a river rat and put that thing on there with the river of God. Hallelujah.

Praise God. Go ahead, brother. Sister Jill Sidock, you're next.

Hold on. I need to know what did you say about that shirt? I'm a river rat and put the river of God flowing and put stars in that river. Oh, hallelujah.

I'm a river rat. Just get creative. We need some rip.

Put in there. I'm a holy ghost river rat. Whatever you want to put.

Praise God. Yes. I'm the millennium.

I see that our great harvest that's going to be there. My question to you is what about the Jeffrey Dahmer's and Adolf Hitler's and the vile people? How do you see that playing out? Such were such would have been some of you. Right.

But by the grace of God. Do you not believe brother Sidock? That Pharaoh was an evil man?

And yet, what did Yahweh call Pharaoh in the New Testament? I called him my servant. So you so.

I know I know that the waters of baptism can wash away. Yes, sir. So that I'm coming.

It's coming. It's going to wash away Adolf Hitler's sin as well, sir. So that spirit is going to be gone.

That person and the truth will be there. Who do you think it was that was operating in Adolf Hitler? You think it was mama's little boy that gave birth to Adolf? No, I believe I believe that we're deceived. And I believe that and that's something that's happened.

I just got done reading the dream team. And I look at humanity differently now because I see the deception. I see mission accomplished.

We are blind. We are and we take joy. You know, let me explain something to all of you.

I don't say these things in public that I say here. By the time I was 11 years old, I'd probably been molested. By men in the church.

I'm going to say at least 10 times. Okay, I'll never forget being at my grandmother's house. And one of the men of the church would take me to the back bedroom while they was having Sunday lunch as a little boy.

And the things he did to me while they were the whole family was just in the other room having Sunday lunch. Now, the reason I say that is to say this. Were it not for the grace of God, do you know what I would have become? Amen.

Exactly what all psychologists say I should be today. But I defied their odds. I became a loving father, a man that loves a woman.

Amen. I became everything that they said I shouldn't have become because of the grace of God and the seed that was poured in my life as a four-year-old little boy. I could tell you stories that would make your hair stand up on your head.

My stepmother sexually molested me while my father was going to work and placed within my life a seed that only the love for God drew out of me. And I want you to hear me and understand Adolf Hitler has the same opportunity for that grace that I had, and he's going to get it on the last great day. There's going to be an outpouring of the baptism.

Everybody's getting baptized. All things will be made new. The old man will be dead, and the saints of Yahweh won't be mad about it.

We won't be puffing and huffing about it. We will be rejoicing over the power of water baptism. Hallelujah.

It's coming, children. It's coming. David said his mercy endures forever.

Doesn't it? See, we don't like his mercy. We like his mercy as long as we're getting it. But we don't like when he shows mercy on our enemies.

We don't like when he shows mercy on bad people, like you're not bad or something. Amen.

Now, let me show you something about Adolf Hitler real quick while I got y'all here.

Let me just explain this. Oh, thank God for truth. The day is coming when the Father's going to get it all back.

I'm going to teach y'all one day on that. I ain't ready to do it yet. But Jeremiah 16 and 16, let me show y'all Adolf Hitler in the Bible.

Y'all ready for this? Let me show you Adolf Hitler in the plan of Yahweh. Y'all ready for this?

Let's see if I can find it now. Where's my screen at? Well, there it is.

Okay. Praise God. Here it is.

Y'all want to see Adolf Hitler? There he is. This is talking about the end time Israel. But the Lord Yahweh liveth that brought up the children of Israel from the land of the north, from all the lands where he had driven them.

And I will bring them again into their land that I gave to their fathers. But how are you going to do it, Lord? I will send fishers, sayeth the Lord, and I will fish them. And after them, I will send hunters, and they will hunt them down from every mountain, every hill, and out of the holes of the rocks.

In other words, I'm going to send a hunter. That hunter's going to make their hearts turn back long for home again. It would have never happened without Adolf Hitler.

Thank you, Lord. You ain't got to like it. It's the word of God.

Yahweh's right hand and his left hand. There you go, Brother Morgan. There you go.

People can't accept this because they want a God that gets everybody else but them. Let me show you something else. Let me show you something else.

I'm going to show you if I preach you something, I can back it up with God's word. Hallelujah.

Y'all got to learn how the Lord works.

Did Yahweh agree with Adolf Hitler? No, no more than he agreed with you when you was a sinner. But he used all that for his glory. Let's read Romans 9 and 17.

Let's read Romans 9 and 17, shall we? What does it say about the most evil man that ever lived? For the scripture saith unto Pharaoh, even for this same purpose did I raise you up, that I might show my power through you that might be declared throughout all the earth. Now go tell that Pharaoh that Pharaoh was about to kill her baby. Go tell them God raised him up.

I'm going to make y'all think today. I might as well just go ahead and do this. Go back to Israel. Let's go back right now. Go back to how Pharaoh treated the people of God. And then go tell them, hey, don't worry.

God raised Pharaoh up for this. I'm just going to let that simmer a minute, let y'all think about that. If you don't quit looking at your enemies as your enemies and see that God raised them up in your life so that he could show forth his power through your enemies, you'll live with offenses. You'll live with offense and heartache and heartbreak. You'll live with, you'll live, God raised them up today. Go on pastor, preach it.

Woo! I brought you to this class throughout your life. It brought you to this place. Amen.

Brother Don Robbins. Thank you, sir, for taking my question. And thank you for feeding the eagles that are watching.

Question regarding the last great day. Is that also the time in which you mentioned last night about a hundred year message from Christ? Yes, yes. And I was looking in the scriptures and I could just find generic, vague references.

I think it was in Daniel, but I can't swear to it. And I was wondering if you could elaborate on that as well as one more. Last night you mentioned you felt like with Queen Elizabeth's death, it was the start of the tribulation.

And I was wondering if you could elaborate on that as well. Yes, sir. The birth pains.

When Great Britain falls, that is one of the end time nations of Israel. America is connected to Great Britain. The fall is beginning.

Both nations are falling. It takes their fall 70 years on the throne. The queen, no matter what you think about her, was the last Christian leader of the world.

Now, I know she wasn't, you know, I get that. But as far as professing Christ, she was the last one that was not afraid to say the name of Jesus. She was a defender of the church.

She was the last Christian leader of the known world. She's gone. The voice of Christianity and her defense of it is gone.

Now, this is also part of Babylon falling because her church was part of Babylon as well. So you have a 70-year opportunity that was given to Great Britain and America to get it together. Her will be the beginning of the birth pains of the great tribulation that is coming to correct end time Israel and bring us back into obedience to Yahweh.

Now, it will not work. We already know that. But Yahweh does it in spite of it not working to be fair to mankind.

And that's where we are. I'll discuss the 100 years when I teach on the Feast of the Last Great Day, Brother Roberts, which is just a few weeks from now. Sister Laura, go right ahead, and we're going to get to the rest of our scripture.

Hi, Pastor. It's Keith. Hey, Brother Keith.

My comment goes back, I'm sorry, about 20 minutes back to the water and baptism in the Spirit. I was talking to Brother Joseph Anikwiche this morning and describing him what happened during worship over Pentecost weekend in one of the services. And when I look back on it, it was the worship time was a rushing river.

It was a raging river going through our congregation, through the building. And I kept being pushed back under the water. And if that, as you say, is just a drop, we're in big trouble.

Amen. We're in big trouble. Good, good, good trouble.

That was a beautiful time of worship. And Brother... I could be a little late to the party with that one, but... No, that's beautiful. Brother Keith, that's why I push so hard.

I literally push every service to get our people into the river. They don't want to go. It's amazing how people just don't want to go into the river.

You know why? Because no flesh is... You know, I've got teenage boys. They don't want to take a bath. I don't know what it is about teenage boys that they don't want a bath.

They would rather go without bathing. And I literally have to force them to put deodorant on and take a bath. And you know why? Amen.

Our carnal nature, we don't like that bath, that water. And it's the same way in the spirit. But how many knows once you get in the bath, you're like, oh, I like this.

See, it's the same way. You got to work to get into the presence of the river. And it's my job.

When you come to Tabernacles, if you think I'm just going to sit there and we're going to sing amazing grace two times and you don't... We're going into the river, okay? And just call me a river rat. Amen. Amen.

Sister Sandra. I have a comment about the seed. And that is once a seed sprouts in the natural, it just follows the sun.

It just follows the sun everywhere the sun goes. Okay. I watch that in my garden.

Yes. Yes. And then the other thing is a question about years ago, I read about the story that the Christian church teaches about the wise men that came to do homage to our Lord.

Okay. And what I read is that they were Phoenicians. And, but evidently when they looked at the stars, they must have been studying the Masorot because they knew it was time for the king to be born.

Is that correct? That's correct. Were they Israelites? They were descendants of Daniel's school. Daniel was the wisest astrologer.

That, you know, Daniel never married. He was dedicated to the art of astrology. And he was very wealthy.

Daniel was so wealthy because he was right hand to the Pharaoh, the king, very wealthy. This, what do you think the gifts were that they brought to Yeshua? It was the gifts from Daniel that had been passed down through the Magi. The wealth of the prophet Daniel.

This is where this wealth came from. And so people don't know these things and they must know it because when we look at the stars, now we will know when he's coming the next time. It was all in the heavenly scroll.

Amen. Sister Dot, go ahead. And then brother, whoever's got Isaiah 35, 1 and 6, be ready to read.

Go ahead, Sister Dot. What about Judah? Your question is about Judas, Mama Dot? Yes, he said it would have been better for him had he never been born. That's correct.

And what about the four? Let's talk about that real quick. I'm one of the few preachers that believes that Judas repented and Judas did the same thing that you and I did. It would have been better for none of us to be born while we was in our sin.

But remember what Judas did. Notice something. Let me show you something, everybody.

Hold tight. I'm going to show you from the word of God. You know, my answer is I try not to bring them from my own mind.

But the word of God, let's go back and look at Judas because people talk like he was a bad man. Let's go to Luke 22 and verse 3. And I'm going to show that to you. Luke 22 and verse 3. Remember Judas.

Do you believe if Judas was a bad man that he would have been traveling with Yeshua? I don't. But in verse 3, it says, then Satan entered Judas. There was a point in time where Yahweh allowed Satan to enter Judas.

Now, what does that tell all of you? Before Satan entered him, was he a bad man? He was an apostle. Amen. Now, Satan had to use someone because Yahweh had already prophesied that he would be betrayed through the prophets.

It had to happen. Now, here's my question. Let's go back and look at the next one.

John 13 and 27. When did Satan enter Judas? As soon as Judas took the bread, Satan entered into him. And so Jesus wasn't even mad at him now.

What did Jesus tell him? What you're about to do, go ahead and do it real quick. Do what you was born to do. Do what's got to be done because now Satan, the left hand of God, has entered you to bring my death to pass.

Let's get it done quick. Now, here's my question. The moment that Satan left Judas, what did Judas do? Took the money.

What did he do? Cast it in the temple at the feet. He said, oh my God, what have I done? It wasn't me that did it. What did I do? I love this man.

And he threw the money back. That's called repentance. Amen, pastor.

Sorry for what he did. You know what he did next? He went and took his own life because he loved our Lord so much. He didn't even want to live after Satan got done with him.

That's the way your life will be when Satan gets done with you. You won't even want to live. And I believe the father saw his heart.

And I believe with all my heart at the last great day, Judas will come up in that second resurrection, will stand before the judgment seat, and that water will pour upon him, and he'll be declared holy and righteous. I believe it with all my heart. Otherwise, otherwise God is unfair. Hello, God is unfair. Because he didn't do nothing no worse than you've done. Oh, brother Von, I don't believe that.

Well, hold on. Let's see what the Bible says. Brother Von, I don't believe I'm as bad as Judas was, really.

Go read Hebrews chapter six and verse six. Every time you fall away from Christ, do you know what you have done? What? What have you done? You have crucified the son of God all over again, just like Judas did. But you think Judas ought to get more trouble than you get.

Amen. Mama Dot, did that help any? Yes, but I have another one that say that no fornicator or liar can enter into the kingdom. Oh, that's true.

Not the kingdom. There's a difference in the kingdom. The kingdom is the government.

That's the first resurrection. Gotcha. Amen.

But they're going to be in the outer court where there's weeping and wailing and gnashing of teeth. Amen. Man, you got to get, everybody's got to get that 30, 60 and 100.

You got to get that outer court, inner court, holy of holies. The kingdom of God is not the outer court. It's not the outside the city where the nations of the saved are walking.

Now, remember, these people are not going to be fornicators. They're not going to be adulterers at the last great day. They're not coming up in the first resurrection.

But in the second resurrection, they're coming up where the spirit's going to be poured out on everybody. There'll be no adulterers then. But in the kingdom of God, which is the first resurrection, the government, no liar's coming up in that first resurrection.

No fornicator. Now, Judas will not be in that first resurrection. No, ma'am.

He will not be in the kingdom of God. See, the problem is we don't know the difference in the kingdom of God and the church of God. The kingdom is the ruling government, the 144,000.

Thank you, thank you, thank you. You're welcome, mom and dad. All right, let's read these last few scriptures so I can, I know I'm boring some of you.

We're going to get you all out of here real quick. Read Isaiah 35, one and six. Who had that?

Did we get Isaiah 44, pastor? This comes before 44.

Isaiah 35, one and six. I think I gave that to sister Jan Meadows. Yeah, we didn't write that one down.

Jan, what did I give you? She got 44. I got 44. Okay.

All right. Then brother Morgan, read Isaiah 35, one and six for us. 35, one and six.

One through six. Just one and six. Okay.

The wilderness and the solitary place shall be glad for them. And the desert shall rejoice and blossom as the rose. In verse six, then shall the lame man leap as in heart and the tongue of the dumb sing.

Yes. For in the wilderness shall waters break out and streams in the desert. Hallelujah, hallelujah, hallelujah.

Aquarius is not through y'all. Amen. Aquarius is not done.

Did y'all hear those verses? Did you get them? What's coming to our planet? Brother Morgan, those were so beautiful. I just want you to read them again. I just want to listen.

The wilderness and the solitary place shall be glad for them. And the desert shall rejoice and blossom as the rose. Then shall the lame man leap as in heart and the tongue of the dumb sing.

For in the wilderness shall waters break out and streams in the desert. My God. Restoration.

Hallelujah, restoration. Yeah. My God, my God.

That's when everybody is going to be healed. You see the problem with faith healers today, they think these verses apply to now. You know why? They don't know.

They don't keep the Feast of Israel. They don't understand the seventh day, the eighth day.

They don't get it.

They think everything is for now. And that's why people get deceived and quit going to church when they didn't get healed. That's why people lose their faith when they didn't get healed.

Because they say, well, the Bible says that the lame man's going to leap. And I'm lame. Why am I not leaping? Tick tock.

If it happens now, it's just because a little dab will do you. You got to, we got a little healing. Oh yeah.

We see the sick healed on a very small scale. Why? Because we're under a very small dab will do you right now. Hallelujah.

Praise God. But we pray by faith. We pray for everybody.

Hoping that that dab will touch them. Hallelujah. We don't quit praying for people.

And I've seen many where that dab has touched them. Amen. But then when it don't touch them, that's all right.

We know there's coming a day when it's going to touch everybody. Hallelujah. That's where our faith is.

Amen. Read for me, Sister Jan. Isaiah 44, verse 2, verse 3, and verse 6. This is what Yahweh says.

Who made you and formed you from the womb? Who will help you? Do not be afraid, Jacob, my servant, and Jeshurun, whom I have appointed. For I will pour water upon him who is thirsty and floods upon the dry ground. I will pour out my spirit upon your seed and my blessing upon your offspring.

This is what Yahweh, the King of Israel, the Redeemer, Yahweh of hosts says. I the first and I the last. And except for me, no source of power.

Oh, hallelujah. Hallelujah. He said, I'm going to pour rivers on the sea.

And I don't know about you today, but because of Yahshua, guess who is now the seed of Abraham? Oh, hallelujah. That promise is for you, beloved. And he's already poured a little of it on you.

But there's coming a day when you're going to get the full measure. God bless you. That is Aquarius.

And that's the meaning of Aquarius. And there's so much more that we could teach you today. But I'm going to take a few comments and questions before I do, because I know some of you will start jumping off.

Let me make these quick announcements. Tomorrow, I'll be in Illinois at two o'clock. If you live in the area, please come.

The Feast of Shouting will be next, not this Tuesday night, but next Tuesday night. And then the following Thursday, not that Thursday. I don't know these dates.

Courtney, please help me. The following Thursday is the Feast of Atonement. We will be live at the church for those services.

And then the Feast of Tabernacles. I want to talk to anybody that's watching me now that is not planning to come to Feast of Tabernacles. Listen to me.

If there's any human way possible, change your plan. Get to the feast. Now, I know some of you cannot.

I'm not talking to you. But if there's some of you that's a little iffy, get rid of the iffy and become a river rat. We may just change the theme to the gathering of the river rats.

Come to the river. Come and obey the commandment of Yahweh. Your life will be so blessed. It's free of charge. All you have to pay for is your lodging. By the way, if there is anyone that's coming that needs a roommate, if you're a female, we have a sister in our church that she is now able to come.

She didn't think she was going to be able to come. But the cost of lodging for her by herself is very expensive. If there's anyone that's coming that would like a good godly roommate, let Courtney know.

And we'll connect you with that sister. Maybe she can help you pay her half of the fees, okay?

All right. Let's take questions now, comments.

Sister Callie Sewell. Sister Callie. I'm so sorry.

I'm here listening to you. Okay. Okay.

Going back a little bit because I know about the last, the eighth day, the last great day, which was a beautiful, beautiful teaching that you have. It gives hope for the world. However, right now

in the state that we are living in and when people are in bondage, even if I see what is their design, unfortunately, they're walking in bondage.

They're walking in sin, even if they're Christians. And me personally, I don't know that I still love them and I share with them and this and that, but I don't feel like I put like a little wall, like a boundary. Is that an okay thing? Because sometimes I say, well, maybe I should.

Yeah, because I want to make sure, you know. It's what I do, sister. I have so many walls to protect my walk with God.

The Bible says have nothing to do with the unfruitful works of darkness. If you know someone is living in open sin, you know that they're not walking in obedience to the commandments of Yahweh and you know that, then by all means. Now, we love, I love my children, but when my son was messed up on drugs, you wasn't allowed in my home with your drugs, okay? I love you. I would die for you. I'd take a bullet for you, but I'm not going to allow you to disturb my peace because that's not love. When you're allowing people into your space, you're not loving you or them.

So definitely there's nothing wrong with protecting your walk with God. Amen. Thank you, pastor.

You're welcome. Love you, sister. Sister Laura Maran, our brother Key.

They, I lost him here. There you go. Okay.

Yeah. I'm going to put this out. If you don't feel right now is the appropriate time, then something you said a few minutes ago, that's still weighing kind of heavy on me, not in a sense of fear or anything, but you know, we're watchmen.

We're watching. We're watching the Eastern sky with the passing of the queen and the, with Charles taking the throne. It, we're going to, we're kind of, we're going to come into something very different.

And, you know, I know, I don't disagree with anything you talk about as a professor Toto, but the return of Trump and turning this ship around seems a little dark, dim at this point. I mean, dim in one sense, but we rejoice on the other hand, because we know the kingdom is near. Yeah.

Let me explain. I'll be happy to explain that to you. Remember, Great Britain is one of the end times Israelite nations, not all of them.

Okay. America, remember, we, we are a younger nation than Great Britain. Great Britain will fall and it has fallen.

You can't even, Great Britain is crumbling. Look at their economy. Look at their, things are crumbling bad.

Their fall will happen first. Yahweh raised up Donald Trump to preserve our fall and to delay it down the road. Because when righteousness rules a nation, the people are glad.

Right now, we don't even have a legitimately elected president. So America, without the, I will say this, without the return of Donald Trump, both nations, Great Britain and America are in their downward spiral. The return of Donald Trump preserves America for a later day.

We're still, judgment's coming. But Yahweh always raises up a man, always to stay his hand. So here's your two choices.

We fall with Britain or we bide our time. And that's the purpose of Donald Trump. I see that.

That's his purpose. And he will be back. I believe you.

He will be back. They will not stop him, no matter what they try. And that is going to be, that's going to be the power of God that's going to blow the minds of the whole world.

He may even come back in an orange jumpsuit. That's going to make it even more wonderful. Nothing can stop him.

The constitution says nothing. They can arrest, do you know they can arrest the man for murder today? And that wouldn't stop him. They're trying to turn the hearts of the people is what they're doing.

And you know what? There's a people within a people and they're turning our hearts more and more to where we support him more than we ever have. That's right. The harder they push.

You know what? It's the same way when a mom and dad tries to fight against their daughter's boyfriend. Yeah. Don't do it.

That's right. All you're doing is sending her into his arms. Yeah.

Leave it be. Tell her she's making a huge mistake. You'll love her whatever she does.

Warn her, do everything you can. But if you fight it, then you're causing more damage than good because guess what you're going to do? That turning on him makes her run to him. So let them turn on Trump.

Everybody with a reasonable mind will run to it.
