Kondor

Spirit of vengeance/ Gift to an ancient ruler/ None escape his sight.

Handed down ruler-to-ruler through the centuries, the vengeful spirit known as Kondor is thought by many to be nothing more than an urban legend.

Quest	Lines
Eliminate 5 players: Quest complete:	**Select your target. Follow them and know them well. And then take the shot.** **In all my centuries, I have seen few as destructive.**
Eliminate 25 players: Quest complete:	**No room for mercy. No time for hugs and cuddles. Yes, I am lonely.** **Do you feel yourself in vengeance's sweet embrace?**
Eliminate 100 players: Quest complete:	**Bullets, blades, or bombs. You must learn to use them all. I can, NBD.** **Your quest for eliminations is going well. I am pleased.**
Eliminate 250 players: Quest complete:	**One hundred at start. At the end just one. Make sure it is you.** * **You are like a spirit of vengeance yourself. Impressive.**
Eliminate 500 players: Quest complete:	**Like a deadly wind. Leaving only destruction. Also, blowing leaves.** **I do not do friends... but I do not hate you.**
Get 5 melee eliminations: Quest compete:	**Be close and deadly. And then land the final blow. Victorious path.** **Up close and personal. I approve.**

Get 25 melee eliminations: Quest compete:	**I prefer a sword. But a pickaxe is not bad. A winner makes do.** **Face to face is my preferred method. Always.**
Get 50 melee eliminations: Quest compete:	**Eliminations. Of the most personal kind. My favorite type.** **It is important to take pleasure in our work. Excellent.**
Get 75 melee eliminations: Quest compete:	**Your land is so strange. But the weapons work so well. I can work with this.** **I believe I am adapting, and I see you are too.**
Get 100 melee eliminations: Quest compete:	**I drop from the sky. I spy my foe on the ground. Unseen, I strike first.** **Fine work. I might just have to watch out for you...**
Deal damage within 15 seconds of gliding: Quest complete:	**Isolate the pack. In this trap, our foes will pay. Show them no mercy.** **Your enemies fall. As fast as leaves in autumn. Don't break the cycle.**
Destroy inflatable tubemen llamas at gas stations: Quest complete:	**The llamas mock me. With wiggly arms, vacant eyes. I must destroy them.** **They wiggle no more. But still my soul is restless. What will bring me peace?**
Throw a fish back into the water: Quest complete:	**I know these portraits. Old faces that balm my hurt. How to repay Mave...?** **Mave's goal may not work. My fire may never die. But the effort is kind.** *

Defeat Ruckus:	**I saw your Beskar. Taken by a brash madman. Find him; reclaim it.**
Quest Complete:	**A clean victory. The steel claimed righteously. Use it in good health.** *

*incomplete haiku
