Date	Grade	Location	Time	Information
	12th ▾			-Direct Admit - Direct Admit Wisconsin offers are posted to the Infinite Campus Student and Parent Portal and you can now log in to view Direct Admit Wisconsin offers. Please review directions to access information. Directions can be translated by choosing translate at the top of the webpage. -You and your child may have questions about direct admission or you might be ready to select your UW's. For more information or to get help with next steps, visit the UW-System website to access Live Chat, email the UW HELP Team at uwhelp@wisconsin.edu, or give them a call at 800-442-6459. You can also reach out to individual UW universities to connect with them for information, schedule a visit, learn about academic programs, and more. -Senior students who have received Direct Admit offers should log into the UW Admission Pathway Portal to view their direct admit offer and submit the Direct Admit form as soon as possible. A few things to note about submission of the form: • Submitting the Direct Admit form is not an enrollment commitment. Submission of the form ensures that the UW universities know that the student is interested in attending their University. • Students have until May 1, 2027 to submit the form, however we highly recommend students submit as soon as possible so that UW universities can connect with the student.

10/5	All ▾	Ashwaubenon PAC	5:30pm	<u>Digital Safety & The Dangers of Sextortion</u> Online risks are constantly evolving, and staying informed is critical to keeping our students safe. Our district, along with several neighboring Green Bay area districts, is co-hosting a vital community presentation event titled Digital Safety & The Dangers of Sextortion on Monday, October 5, 2026, at 5:30 p.m. at the Ashwaubenon PAC. This presentation features John DeMay, who will share his family's story following the tragic online exploitation of his son, Jordan. Together with local experts, the event will cover how to recognize early warning signs, understand predator tactics, and utilize practical tools to protect youth online. <i>Please note: Due to the sensitive nature of this topic, it is recommended that children under 6th grade do not attend. Older students should attend with an adult.</i>
