HEROES: https://www.youtube.com/watch?v=zfUD_p4nPJ0, LINK WAS CHANGED, NOW CORRECTED

June 16, 2025

Dear Criminal Justice Public Officials:

Please find enclosed a supplemental criminal complaint I am submitting. It is compelled by the gravity and continuation of acts involving genocide, treason, and the systematic subversion of constitutional governance. For efficiency and environmental responsibility, this cover includes only the first 10 pages of the report. The full digital versions are available via the links below. This criminal complaint is submitted in defense of the sanctity of life, equal protection of the law, adherence to the Paperwork Reduction Act, and to support cost-effective law enforcement action. The report, in its entirety, is publicly accessible on the digital links below and should be reviewed in full to ensure comprehensive understanding.

Research and documentation presented in the linked report substantiate that Margaret Satterthwaite and Federal Judicial Actor Alison Nathan, acting as a married couple, are engaged in coordinated terrorist acts aimed at judicial capture, obstruction of constitutional protections, and the administration of racially and religiously motivated genocide under the guise of law and humanitarian platforms. The complaint outlines their criminal acts that include:

- Strategic manipulation of legal academia and judicial systems;
- Promotion of doctrines facilitating extrajudicial killings and mass human trafficking;
- Use of United Nations and university affiliations as fronts for criminal networks;
- Systematic silencing and targeting of African-descended populations and whistleblowers;
- The advancement of ideologies rooted in historical foreign laws designed for enslavement, expulsions and persecution.

In plain English, the research shows that Margaret Satterthwaite and Federal Judicial Actor Alison Nathan are working together as lesbians criminally using their color of law positions to: target heterosexuals, takeover judiciaries, for massive assassination programming, mentoring genocide, administering premeditated obstruction of constitutional powers of the court, overthrowing governments, teaching in law schools around the globe how to capture or criminally usurp courts, create unconstitutional law as amended law, and reinterpret constitutions for their satanic assassination killing requirements in exchange for wealth and power they could never earn. These eugenicists, criminals and Luciferians, study and enforce: the history of divisions, teach exclusionary laws, mentor dynamics of satanism disguised as pacts of domination,

program United Nations and other humanitarian fronts to human traffic, kill and blood drain children easily, set up man made disasters for live organ collections disguised as researcher work and for unsupervised children kidnappings, use and finance gangs to kill in vulnerable populations, and attempt to [silence black excellence](#), in intimidation of truth and justice rising.

These eugenicists/satanists want to create a picture of black people that is in contravention to biblically documented kings and queens accomplishments of Africans, advance the criminal and deadly teachings of the Foreign Law in the United States such as the Code of Noir, Expulsion of Jewish People, Enslavement of Africans, how to take over and weaponize judicial systems around the world, to resurrect Satterwaite and Nathans deadly, uncivilized and corrupted envy of groups of people and their ancestral great accomplishments. I formally request that Margaret Satterthwaite and Alison Nathan be subject to immediate investigation and criminal prosecution under, at minimum, the following United States criminal statutes:

- 18 U.S.C. § 2385 – ADVOCATING OVERTHROW OF GOVERNMENT OR SUBVERT CONSTITUTIONAL GOVERNANCE
- 18 U.S. CODE § 1091-- RACIAL AND RELIGIOUS GENOCIDE
- 18 U.S.C. § 1117 MULTIPLE CONSPIRACIES TO MURDER WITH A JUDICIAL AND DISCRIMINATORY IMPACT
- 18 U.S.C. § 371 – CONSPIRACY TO DEFRAUD THE UNITED STATES
- 18 U.S. CODE § 2381 TREASON
- 18 U.S.C. §§ 1961-1968), "RICO" STATUTE., [ORGANIZED CRIME AND RACKETEERING](#)
- 18 U.S.C. § 2339A/B – PROVIDING MATERIAL SUPPORT TO CRIMINAL ORGANIZATIONS
- 18 U.S.C. § 1346 – HONEST SERVICES FRAUD
- 22 U.S.C. § 7102 – USE OF LEGAL ABUSE IN HUMAN TRAFFICKING AND COERCIVE EXPLOITATION
- 18 U.S. CODE § 912 – IMPERSONATION OF A FEDERAL OFFICER OR EMPLOYEE.
- 18 U.S.C. § 241 – CONSPIRACY AGAINST RIGHTS
- 18 U.S. CODE § 242 – DEPRIVATION OF RIGHTS UNDER COLOR OF LAW
- 18 U.S.C. § 912 – IMPERSONATION OF FEDERAL OFFICIALS

DEEP BRAIN STIMULATION Researchers of the Cleveland Clinic have treated patients with obsessive-compulsive disorder by inserting a pacemaker in the chest that shoots electrical pulses to the brain. In the doctors' surprise, two-thirds of the patients in a small trial scored much higher on memory tests after the treatment.

MIND OVER MATTER At Brown University a small number of paralyzed patients have had chips implanted in their brains that detect neural signals. The chips are wired to computers programmed to carry out certain tasks the patients think about performing. After training on this system, some patients were able to move a cursor on the computer screen simply by thinking about doing so.

MEMORY CHIPS Doctors treating stroke patients who suffer from memory loss would like to replace damaged brain tissue with silicon conductors. Working with rats, a team of scientists led by the University of Southern California's Theodore W. Berger learned how neurons responsible for memory react to varying patterns of electrical stimulation. They've turned those reactions into equations on chips, which will soon be implanted in a rat's hippocampus. The chips receive signals from one set of healthy brain cells, process them digitally, and pass them along to other healthy cells—taking over the functions of damaged tissue. One day, chips might boost memory capacity in healthy brains as well.

HERDING NEURONS At the far reaches of brain research, scientists are learning to turn individual neurons on and off at will, raising hopes for quelling disturbing events in the mind and promoting useful ones. Edward Boyden, professor of neuroengineering at MIT, uses colored light on genetically engineered brain cells in mice. When exposed to a red pulse of blue light, the neurons in the brain switch on; a yellow beam turns them off. Medical applications might include treating Parkinson's tremors or epileptic fits by switching off swaths of diseased tissue. But the technique also could let researchers pinpoint and study those cells of neurons that control cognitive functions such as decision making. The end result could be the ability to identify, flick on, and coordinate whole networks of neurons to enhance specific cognitive skills.

DR Congo: LRA Slaughters 620 in 'Christmas Massacres'
Protection Urgently Needed as Killings Continue

(New York) – Combatants of the rebel Lord's Resistance Army (LRA) brutally massacred at least 620 civilians and abducted more than 160 children between December 24 and January 13 in northern Democratic Republic of Congo, said Human Rights Watch and Justice Plus, a Congolese human rights organization. Many of the victims were killed or abducted in three simultaneous attacks on December 24 and 25, 2008.

In a two-week mission to the region, Human Rights Watch and Justice Plus researchers collected detailed information, including lists of persons killed or abducted in and around Doruma, Faradje and Duru, in Haute Uele territory. At several sites where the killings took place, researchers found fresh graves, pools of dried blood, cords used to tie up prisoners and blood-stained bats and axes used to kill the victims.

"The LRA went in intending to kill and they left few survivors," said Anneke Van Woudenberg, senior researcher at Human Rights Watch. "The similar tactics and the near-simultaneous attacks indicate this was a planned operation meant to slaughter and terrorize as many civilians as possible."

The LRA attacks followed the beginning of a joint military operation on December 14, led by the Ugandan army with support from the Congolese, Southern Sudanese, and

What is the problem with child soldiers in Africa?

Many times the children recruited remain in the armed forces as they are forced into acts of violence against their own families to ensure they cannot go back to their communities. Other times, **children are given drugs to alter their state of mind** to facilitate the way their thoughts are shaped by people in command.

Dear Above Noted Criminal Justice Officials, Human Rights Advocates, and People Who Value The Most High God’s Gift called Life:

This report exposes a United Nations and New York University (NYU) judicial and lawyer power hijacker, and regional killer, named Margaret Satterthwaite. Please see her criminal and diabolical assassination programming manual she mentors at:

Margaret Satterthwaite is the United Nations plausible deniability financier of terrorist groups in the USA, Haiti, Africa and other countries. She stalks, targets and programs the assassinations of her United Nations induced vulnerable populations of people.

Her continued United Nations front used for her ongoing and current assassination programs, targeting people based on race and religion, requires the writing of this criminal report. Regional killer Margaret Satterthwaite, coordinated role in an international network of satanic assassination programming, via the criminal use of judiciaries to create vulnerable populations of people, based on race and religion, for financial destruction and easy satanic prey creations, coupled with criminal use of government leadership positions, for treasonous and satanic judicial hijacking, are the main reasons for this criminal complaint. Margaret Satterthwait is working at NYU and in the United Nations under fraudulent covers of “human rights” advocacy and U.N. legal scholarship, while she targets, stalks and programs mass induce man-made disasters and massacres for vulnerable populations of people.

In addition to operating as a long standing vulnerable population assassin programmer, she mentors government overthrow programming using:

- **Weaponized reinterpretation of the U.S. Constitution via foreign law frameworks**
- **Recruitment and mentorship of compromised judges and lawyers to suppress civil rights**
- **Mass-targeted financial assassinations as preludes to slow-kill and human sacrifice programs**
- **Use of international platforms for cover, plausible deniability, and transnational coordination**
- **Active engagement in spiritual warfare, legal perversion, and lawfare operations against the U.S.**

Her actions violate multiple federal and international criminal statutes including:

18 U.S.C. §§ 241, 242, 371, 1346, 1001, 1091, 2332b, 2339A, 2385; 22 U.S.C. § 7102

UN Genocide Convention Articles I–III; Nuremberg Charter Art. 6; U.S. Constitution

Supremacy Clause

 **This report is submitted for emergency national security review, license seizure, and criminal prosecution.**

SUMMARY OF FINDINGS:

Margaret Satterthwaite, under the cover of her United Nations assignment and academic position at NYU Law, has engaged in cross-border criminal activity that includes:

- **Exploiting “human rights” titles to weaponize judicial appointments globally;**
- **Recruiting legal agents and foreign actors to serve hostile interests against the United States and its allies (18 U.S.C. § 958);**
- **Conspiring to defraud the United States by directing judicial disinformation networks and foreign subversion (18 U.S.C. § 371);**
- **Participating in and covering up genocide and war crimes in the USA, Haiti and Africa under humanitarian pretenses (18 U.S.C. § 1091);**
- **Bribing or coercing USA and foreign public officials and terrorist gangs through unsupervised reparations money and programs to serve political subversion (18 U.S.C. § 201);**
- **Facilitating honest services fraud (18 U.S.C. § 1346) by misusing public trust for covert judicial targeting and retaliation;**
- **Enabling trafficking-adjacent activity and financial entrapment (22 U.S.C. § 7102, UN TIP Protocol violations);**
- **Violating the Genocide Convention and U.N. Charter obligations as a legal official operating with impunity.**
- **Violating 18 U.S.C. § 245 – Federally Protected Activities**

Margaret Satterthwaite has constructed and disseminated ideological frameworks through which the rights of individuals, particularly of African descent and those living in vulnerable global regions (e.g., Haiti), are criminally obstructed under the guise of "legal empowerment."

This obstruction includes deprivation of the right to live freely, to be protected from targeted violence, and to access civil processes without retaliatory subversion based on race or religion.

She is training and influencing legal actors to think in ways that excuse or normalize § 245 violations, especially in biased prosecutions. That's not reform. That's institutionalized injustice, satanic master deception training, trickery, deceit and treason, disguised as innovative and progressive education.

♦ **18 U.S.C. § 373 – Solicitation to Commit a Crime of Violence**

Satterthwaite's article and institutional influence solicit others, including students, legal fellows, foreign agents, and judicial actors, to adopt racially targeted legal enforcement and societal purges disguised as legal or reparative justice. This constitutes criminal solicitation to engage in hate crime enforcement, constitutional sabotage, and selective assassination under foreign legal ideology.

The publication, mentorship, and institutionalization of assassination frameworks amount to solicitation under § 373, especially when paired with logistical support, United Nations credentialing, and alleged financing streams.

This means that when someone like Satterthwaite writes, teaches, or promotes ideas that justify or encourage targeted harm or assassination, and trains others to act on them or provides support like credentials, cover, or access, this qualifies as criminal solicitation under New York Penal Law § 100.10, which prohibits encouraging or requesting criminal acts. By supplying material support, such as judicial funding, radical guides, or equipment, this also violates Penal Law § 373, which targets those who enable crimes by providing tools or resources.

CRIMINAL COLLABORATION AND AIDING AND ABETTING

Judge Alison J. Nathan, by way of her judicial position and institutional protections, has enabled, sheltered, and aided Satterthwaite treason scheme by:

- **Using her federal position to neutralize lawsuits and accountability aimed at this operation.**
 - **Dismissing or sabotaging actions brought by whistleblowers and victims of systemic abuse tied to Satterthwaite's hate based programs.**
 - **Covering up retaliation against federally protected complainants and witness-victims under color of law.**
-

CRIMINAL CONSPIRACY STRUCTURE:

As noted below, Satterthwaite is credibly implicated in:

- **A foreign-directed judicial hijacking network, advocating reinterpretation and amendment of constitutional law to facilitate civil rights extermination programs. See exhibits attached and see exhibits 17-21 at:**
<https://docs.google.com/document/d/1WkMhu20UGxiuUo7Y7hyxtVxOSnJ3W-ioiIxoEjG8MEc/edit?usp=sharing>

- **A pattern of coordinated legal sabotage via judicial mentoring, propaganda, international “soft law,” and backdoor appointments of hostile actors. See the attached exhibits,**

This conduct forms part of an organized effort to dismantle legal protections, seize civil forums, and enable satanic ritualized targeting and murder, particularly of whistleblowers and civilians of African descent. As noted below, Margaret Satterthwaite is married to the Second Circuit Court of Appeals Judge Actor, Alison Nathan.

Together they are criminally using judicial system^S, the United Nations, and hospitals, to meet their satanic killing quotas for wealth and power, and to overthrow Godly governance.

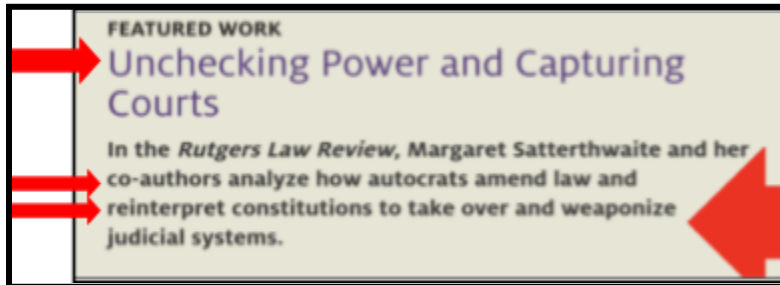

When satanism/government corruption reigns, the satanists do too. Hence, they have targeted and practiced, assaulting the USA, Africa and Haiti’s legal systems for catastrophes, primarily for induced oppression, to easily create human sacrifice prey to meet part of their massive satanic killing quotas, loyalty, and desperation for wealth and power. They have criminally designed a system to kill people for their personal diabolical gain, and to steal these countries, natural God given riches and resources.

Consequently, these criminals have practiced their below documented judicial and lawyer hijackings in the USA and in the above noted countries. They have killed massively, and are now attempting to bring their practiced United Nations democide and genocide programmings to the USA with criminal expertise. Such is being done to meet their killing quota for lawless leadership government positions and unsupervised stolen money. In the below screenshots, please see this married United Nations front, assassin programming, couple and their quest to take over and weaponize judicial system^S, for their personal greed and religious extremism.

Judge Alison Nathan, Southern New York U.S. District Court

Dec 10, 2020 — Judge Nathan is openly gay and married to Margaret (Meg) Satterthwaite. They are parents to twin sons.

Judicial Subversion, Mass Induced Atrocities, and Foreign State Destabilization via U.S. Positioned Officials

This letter and accompanying exhibits are submitted as part of a formal criminal report exposing a systemic conspiracy against rights, foreign subversion, and the criminal abuse of the judiciary and human rights platforms by Second Circuit Court Judge Alison Nathan and UN Special Rapporteur Margaret Satterthwaite. This married pair of U.S. judicial actors is shown herein to be using academic, judicial, and UN-affiliated fronts to advance destabilization strategies, including constitutional sabotage, propaganda-based "legal empowerment" training, and foreign lawfare schemes, in the United States and globally.

▼ CRIMES AND VIOLATIONS INCLUDE:

- 18 U.S.C. § 241 & § 242 – Conspiracy and deprivation of rights
- 18 U.S. Code § 1091-- Racial And Religious Genocide
- 18 U.S.C. § 2339A/B – Providing material support to criminal organizations
- 18 U.S.C. § 371 – Conspiracy to defraud the United States
- 18 U.S.C. § 1346 – Honest services fraud
- 18 U.S.C. § 1001 – False statements or concealment
- 22 U.S.C. § 7102 – Use of legal abuse in human trafficking and coercive exploitation
- 18 U.S.C. § 2385 – Advocacy or teaching to overthrow or subvert constitutional governance

CONTEXTUAL URGENCY – HAITI AS A CASE STUDY

Margaret Satterthwaite has been an active voice and policy influencer in Haiti, where the judicial and humanitarian systems are now directly linked to mass death and failed-state conditions. The United Nations itself has confirmed over 5,600 murders in Haiti in 2024 alone, with thousands more displaced or abducted under lawless paramilitary and trafficking regimes. These events are concurrent with Satterthwaite's documented influence in legal empowerment operations and front-facing "human rights" conferences, while assassinations, displacements, and the collapse of legal order mount.

These atrocities represent not only a massive human rights failure, but a breach of national security and constitutional integrity, aided by a judicial figure in the U.S. appellate system and a UN “Special Rapporteur” shielded from accountability.

INCITEMENT THROUGH EDUCATION AND LEGAL INSTRUCTION

While the First Amendment of the U.S. Constitution protects free speech, it does not shield speech that incites imminent lawless action, particularly when the speaker holds a position of public trust or authority. In *Brandenburg v. Ohio*, the U.S. Supreme Court held that speech advocating illegal conduct loses protection when it is both directed to inciting or producing imminent lawless action and likely to incite or produce such action.

Margaret Satterthwaite's exploitation of NYU School of Law and United Nations platforms for ideological indoctrination and covert assassination training falls directly within this exception. Her attached linked published hate crime frameworks and legal mentorships are not mere academic expressions, but function as operational blueprints for racial and political targeting and assassination programming, cloaked in academic jargon and human rights language. Please see Satterthwaite's as the foreign agent criminal she is, intertwining criminal, antiquated, uncivilized, occultic tactics, criminal foreign law inflictions on judges and lawyers and doing so, while programming the repeated killing of human rights lawyers via her United Nations front,

PLEASE READ THIS AND SEE THE EXCERPTS BELOW.

Her hate-based legal “empowerment” propaganda actively teaches methodologies for executing state and non-state violence, particularly targeting communities based on race, religion, or socio-political vulnerability. These incitements have directly contributed to real-world atrocities, including but not limited to:

The documented real-time death tolls, judicial cover-ups, and destabilized regions align with the teaching and promotion of democidal jurisprudence under Satterthwaite’s mentorship. Her partner, Judge Alison Nathan, has issued judicial rulings consistent with these frameworks, further legitimizing and operationalizing what is, in substance, assassination programming and domestic/foreign lawfare.

This constitutes criminal incitement, conspiracy, and a pattern of systemic abuse of legal education for genocidal purposes. Immediate action, including license revocation, is required to halt this ongoing threat to public safety and national security.

Margaret Satterthwaite’s exploitation of NYU School of Law and United Nations platforms for ideological indoctrination and covert assassination training falls directly within this exception. Her published frameworks and legal mentorships are not mere academic expressions, but function as operational blueprints for racial and political targeting, cloaked in academic jargon and human rights language.

Satterthwaite's United Nations title is being used as a deceptive shield of plausible deniability, allowing her to operate with virtual impunity while advancing destabilization campaigns masquerading as "human rights interventions." She is orchestrating systemic violence through legal policy tools while deflecting criminal accountability via her honorary rapporteur status, a position which notably provides no salary, no oversight, and no binding accountability to U.S. legal authorities.

Further, it is critical to investigate the financial channels behind these massacres and the alleged gang structures, which may be proxy militias or mercenary units indirectly funded through state or quasi-legal "reparations" and foreign aid packages. These groups are executing ethnic, political, and economic cleansing operations with apparent coordination, training, and legal pretext, a pattern consistent with state-enabled democide masked by humanitarian frameworks.

The documented real-time death tolls, judicial cover-ups, and destabilized regions align with the teaching and promotion of democidal jurisprudence under Satterthwaite's mentorship.

Her partner, Judge Alison Nathan, has issued judicial rulings consistent with induced oppression as precursors for her wife's human sacrifice frameworks, further legitimizing and operationalizing what is, in substance, assassination programming and domestic/foreign lawfare.

This constitutes criminal incitement, conspiracy, and a pattern of systemic abuse of legal education and UN authority for genocidal purposes. Immediate action, including license revocation, seizure of international funding trails, and joint counterterrorism investigation, is required to halt this ongoing threat to public safety and manifested national security.

The below shows Margaret Satterthwaite's: use of satanic programming regarding her United Nations **plausible deniability** standing and plausible deniability funded massacres and escalations under her appointment as a UN Special Rapporteur:

UN Special Rapporteurs:

The UN Human Rights Council appoints special rapporteurs and independent experts to investigate human rights situations, **but they are not UN staff and are not directly paid by the organization,** [according to UN News](#).

Key Factors and Evidentiary Patterns in Margaret Satterthwaite's Assassination Programming, Criminally Implemented Under the False Pretense of United Nations Authority

- Escalated Human Rights Defenders Killed under Margaret Satterthwaite's NYS satanic cult hijacking of the United Nations, and her promotions
- Her assassination programming for vulnerable populations of people and human rights lawyers and people, always include lack of accountability, for her assassination programming.
- This is just like no one was arrested for regional killer Adam Urbanski's NYC September 11, Election Day Bombing . Please see: The 9/11 Commission Report does not directly mention specific arrests related to the events of September 11, 2001

- No arrests for Kathy Hochul's repeated NYC Bomb plans and Threats, No arrests are ever made, to keep the blood shed going. Please see:

- Margaret Satterthwaite's Assassination Programming includes the killing of top human rights lawyers, agents, and their family members, to attempt to silence and destroy massacre accountability using law. Thereafter, via their organized crime top positions are replaced by bribery agents, who facilitate her, not prosecuted and ongoing human sacrifice assassination programs. Please see samples of her human rights attorneys, agents, and family member organized assassinations at:

Accomplishments: Disturbingly, in 2022, over 400 human rights defenders were murdered, the **highest number ever recorded**. This bleak trend does not seem to be decreasing in 2023, with four prominent human rights defenders killed in Africa in the first two months of the year. **Most of the time, the culprits are not punished**. With those responsible not being held to account, killings are more likely to continue. <https://www.undp.org/blog/protecting-those-who-protect-human-rights>

Margaret Satterthwaite's Assassination Programming in Africa, like in NYS, includes designing delusions of law, Leadership Chairperson governance positions for only one year. Meanwhile, UN assassin Margaret Satterthwaite's and her satanic cult members are criminally planted in the background, controlling and using the same governance position, for 20 years or more, with perfected assassination programming that no new Chairperson can stop, much more understand. Please see: <https://au.int/cpau>. This is part of her Africa genocide programming using her United Nations front. The true decision-makers operate outside public accountability.

Regional killer Margaret Satterthwaite's Puppet Leadership Figurehead Governance

- A "Chairperson" or official is installed as a symbolic or powerless figure, while satanists make assassination programming, eugenic infestation, and family destabilization decisions behind the scenes.
- Practiced and mentored from her state exclusionary corruption, racketeering, and state capture scenarios.
- Figurehead governance is in place to conceal power and siphon resources, constituting constructive fraud. Intent is for breach of fiduciary and ethical duties.

Regional killer Margaret Satterthwaite's inflicted patterns for her satanic assassination programming, includes: Racketeering Influence (RICO - 18 U.S.C. § 1961 et seq.) This includes use of governance structures, agents, and agencies for satanists created defraud control called democide. Democide is the criminal use of government money, agents, and agencies for satanic assassination programming.

Regional killer Margaret Satterthwaite's satanic assassination programming includes Color of Law Abuse

- Official titles and powers are falsely and deceptively used under the "color of law," but the acts are outside their legal role and administered to facilitate the satanic assassination program. Liability is invoked under 18 U.S.C. § 242 (Deprivation of Rights Under Color of Law).

Below in exhibit one, you will find disturbing occult teachings disguised as Margaret Satterthwaite's lawyer, judge and law school SATANIC ELEVATION teachings. These judicial and lawyer hijacking criminal activities must be banned.

Exhibit one below clearly shows criminal and deadly programming by Judge actor Alison Nathan and her wife Margaret Satterthwaite acting in their individual and payroll capacities: Their crimes include:

CRIMINAL PROGRAMMING: JUDGE ALISON NATHAN AND MARGARET SATTERTHWAITE

Exhibit one presents evidence of Second Circuit Court of Appeals Judge Actor Alison Nathan and her spouse Margaret Satterthwaite operating in coordinated assassination programming capacities. They exploit the judiciary and the United Nations as deceptive fronts to advance covert satanic-patterned assassination agendas. Their criminal teachings, masquerading as academic legal instruction for judges and lawyers, are in fact hate crime indoctrination sessions designed to foment racial division, judicial lawlessness, and unconstitutional governance. The criminal infrastructure laid out includes:

- **Abuse of judicial mentorship and UN platforms to train legal professionals in occult type assassination programming by region, race and religion, without penalties**
- **Economic injustice by administering EXCLUSIONARY legal perversions**
- **Covert teachings on no penalty enforcement for targeted and repeated vulnerable population induced man-made disasters, for satanists wealth and power, occult killing quotas, undead creations, for whole body human trafficking, as enslavement tool manifestation, and satanic ritualistic live organ harvesting as a means of wealth planning**
- **Obstruction of justice via plausible deniability operations and funding**
- **Pure manifested Genocide programming**

Key Patterns in Satterthwaite State-Enabled Massacre and Terrorist Programs

1. No Arrests of Perpetrators, this disablement of public safety is part of her Pact Domination Curse/Luciferian Mentorship and recruitment. Perpetrators, like gang members, are part of her script, regardless of the scale of violence, face no legal consequences, indicating tacit state approval or protection.

Pa Konnen Pa al Lajistis: The Law as a “Pact of Domination”

- Impunity and Corruption: High-profile crimes, including massacres and corruption, rarely result in convictions, reinforcing the perception that the law serves only the powerful 6 8 10 .

2. No Investigations into Funding Sources
There is a consistent refusal or failure to investigate the financial networks behind terrorist organizations and massacres, shielding financiers and enablers from accountability.
3. Deliberate Non-Identification of Weapon Suppliers
The origins and supply chains of advanced weapons used in attacks are rarely, if ever, publicly traced or prosecuted.
4. No Unraveling of Induced or Man-Made Disasters
Events that appear natural or spontaneous, such as famine, disease outbreaks, or infrastructure collapse, often result from policy decisions or intentional sabotage, like repeated infectious disease injection disseminations, with no official attribution or investigation.
5. Use of Human Rights and Development NGOs as Fronts
Many organizations involved in humanitarian aid or “development” are repurposed as fronts for intelligence gathering, population control, REPARATIONS signature gathering for whole body donation frauds for human trafficking or destabilization.
6. Exclusion of Local Voices in Peace or Legal Processes
Survivors and affected communities are systematically excluded from justice mechanisms or international forums, ensuring no real representation or redress.
7. Routine Destruction of Evidence
Mass graves, forensic data, surveillance records, and critical evidence are often destroyed or sealed, erasing the historical record.
8. Legal Immunity through International Platforms
Perpetrators are protected under the guise of diplomatic immunity, international appointments, or plausible deniability via “peacekeeping” missions.

9. **Information Warfare and Psychological Operations (PsyOps)**
Disinformation campaigns, character assassination of whistleblowers, and mass psychological warfare are deployed to suppress exposure.
10. **Induced Migration and Population Displacement**
Armed conflict or “development” projects are used to forcibly displace populations, enabling land grabs and resource extraction.
11. **Strategic Use of Racial and Religious Division**
Marginalized communities are pitted against each other, allowing external actors to destabilize regions while deflecting responsibility.
12. **Criminal Reinterpretation of Law to Justify Oppression**
Legal frameworks are manipulated to authorize killings, suppress dissent, or criminalize the very act of seeking justice.
13. **Respondent Margaret Satterthwaite, under the guise of human rights operations in th USA, Haiti and elsewhere, systematically participated in induced catastrophe environments leading to the forced trafficking, exploitation, and mass abuse of vulnerable populations, including Haitian and African children, in violation of 18 U.S.C. §§ 1589, 1590, and 1591.**
14. **Using plausible deniability doctrines, foreign legal immunities, and fraudulent reparations frameworks, Respondent materially supported human trafficking enterprises targeting minors, while deliberately obstructing judicial prosecution of these atrocities.**

Intelligence review and security clearance scrutiny for all current and former judges with ties to the racist legal “reform” teaching networks identified in the enclosed materials

Injunctions and oversight mechanisms to stop the continued hijacking and weaponization of the judiciary, lawyers and United Nations cover positions to harm U.S. citizens and foreign nations alike

Referral to federal and international prosecutorial bodies, for conspiracy, malfeasance in office, complicity in genocide and democide, and abuse of office

Pursuant to public safety and in light of substantiated evidence of targeted regional killings, hate-based legal indoctrination, and neo-liberal reform disguised as academic advocacy, Petitioner formally requests the immediate revocation and seizure of all law licenses, academic credentials, and institutional affiliations held by Margaret Satterthwaite. Her documented publications and programs constitute a pattern of occult-based legal indoctrination and assassination programming under the guise of international human rights.

Her criminal activities are linked to manifested and escalating regional killings, undermining both constitutional sovereignty and international human rights obligations. Immediate investigation and disbarment are warranted in light of these extreme abuses of legal authority.

Criminal indictment under §§ 245 and 373, with expansion into related statutes such as §§ 241, 242, and 1346.

A full counterterrorism review into the use of international law fronts (UN, NYU Law) to coordinate manifested assassination programs, human targeting and mass civil sabotage based on identity, religion, or race

Banning of all Regional killer Margaret Satterthwaite's and similarly situated anti-democratic, occult type assassination programming, tools of enslavement, history of division, the law as a Pact of Domination, and Neo-liberal reform in law teaching as a means to advance racism, the false phenomena of supremacy and pure retardation of civilization

Regional actor Margaret Satterthwaite should be subject to immediate investigation and arrest for her role in facilitating mass atrocities within vulnerable communities under the false pretense of United Nations authority. Her actions, under the guise of human rights advocacy, reflect a pattern of systemic abuse, fraudulent representation, and the misuse of international platforms to channel resources and legitimacy toward destabilizing and terror-linked operations targeting civilian populations

Assassin programmer Margaret Satterthwaite's race-based hatred, discriminatory, occult-influenced, mentally corrosive and life threatening teachings must be prohibited, as they serve as instruments of systemic subjugation. These teachings facilitate covert financing mechanisms for sustained mass violence by proxy, with impunity. They perpetuate structural inequalities that result in massive preventable loss of life, obstruct critical legal inquiry, and infringe upon the God-given rights of educators and citizens to promote the advancement of civilization by addressing both historical and ongoing injustices.

THE JUDGE ACTOR ALISON NATHAN AND HER WIFE ARE CRIMINALLY DEFRAUDING THE UNITED STATES BY HIJACKING JUDICIARIES AND LAWYERS INDEPENDANCE BY COMPELLING THE INFESTATION OF INTERNATIONAL LAW WITH RESPECT TO OPERATING AS AN EXCLUSIONARY STATE, WHERE JUDICIAL SYSTEMS ARE HIJACKED TO DENY DUE PROCESS, SUPPRESS CONSTITUTIONAL PROTECTIONS, AND FINANCIALLY ASSASSINATE SELECT CITIZENS THROUGH TARGETED LEGAL FRAUD.

The term in the above noted, assassin Margaret Satterthwaite's hate crime article, referencing the “**Exclusionary State**” isn't a universally codified doctrine in international law like “sovereignty” or “non-intervention,” but in scholarly, political, or legal discussions, it typically refers to:

A state (government or legal system) that structurally or deliberately excludes individuals or groups from the protections, benefits, or participation guaranteed by law.

✚ It Often Shows Up In:

1. Human Rights Law

- States that deny due process, voting rights, or citizenship to certain populations (based on race, religion, political belief) may be referred to as *exclusionary*.
- Example: **Apartheid-era South Africa or any regime that suppresses ethnic or minority rights.**

2. Refugee and Statelessness Law

- An exclusionary state may refuse to recognize the nationality of a group, rendering them *stateless* under international law — **a violation of the 1954 Convention Relating to the Status of Stateless Persons.**

3. Legal System Corruption or Capture

- **A system that excludes litigants from fair court access, uses law to silence dissent, or enables judicial conspiracies against rights** may be described as *exclusionary* — even if outwardly democratic.

⚖ Related Legal Doctrines:

- **Rule of Law Violations** – When laws exist, but they're only enforced **selectively or used to exclude targeted populations.**
- **Equal Protection Failures** – Under international treaties like the ICCPR or regional charters (e.g., European Convention on Human Rights).
- **Discriminatory Sovereignty** – When the state claims legal power while **violating binding treaties or constitutions.**

MARGARET SATTERTHWAITE'S FOREIGN-OPERATIONS FRONT IN AFRICA: COORDINATED FRAUD, BRIBERY, GENOCIDE COVER-UP, AND CONSPIRACY TO MURDER UNDER THE GUISE OF HUMAN RIGHTS ADVOCACY

The above exhibit documents Margaret Satterthwaite's ongoing collaboration with the African Commission on Human and Peoples' Rights (ACHPR) as part of an international legal infiltration strategy. Under the cloak of reparations and diplomacy, this operation shows red flags consistent with:

- 18 U.S.C. § 201 – Bribery of Public Officials and Witnesses, through unlawful inducements and procurement schemes to gain judicial or governmental influence,
- 18 U.S.C. § 1117 – Conspiracy to Commit Murder, by facilitating assassination planning under diplomatic immunity structures,
- 18 U.S.C. § 2332d – Financial Transactions with Terrorist States, if money is being routed to militias or fronts for destabilization,
- 18 U.S.C. § 371 – Conspiracy to Defraud the United States, by manipulating foreign policy and misusing aid, legal influence, and human rights platforms,
- 18 U.S.C. § 956 – Conspiracy to Commit Murder or Kidnapping Outside the U.S., if acts in foreign nations are coordinated on U.S. soil,
- 18 U.S.C. § 1346 – Honest Services Fraud, through abuse of public trust in her legal, academic, or diplomatic positions,
- 22 U.S.C. § 7102 – Abuse of Process in Human Trafficking Programs, if these platforms are used to facilitate covert abduction or sexual exploitation through migration crises,
- 18 U.S.C. § 1091 – Genocide, if actions or omissions enable systemic targeting of ethnic or regional populations.

This pattern also implicates international violations under:

- Articles I–III of the Genocide Convention,
- U.N. Convention Against Transnational Organized Crime, and
- International Covenant on Civil and Political Rights (ICCPR) – particularly violations of Articles 6 (Right to Life) and 14 (Right to Fair Judicial Process).

This pattern, already mirrored in Haiti, shows how "legal scholar fronts" weaponize law, aid, and diplomacy to infiltrate judicial bodies, destabilize civil governments, and execute financial and literal extermination under human rights branding.

RE: Margaret Satterthwaite: Assassination Programming, Treason-Based Slavery Enticement, and Hate Crime Governance Disguised as Legal Empowerment

Who is Margaret Satterthwaite? She is married to the Second Circuit Court of Appeals Judge Actor Alison Nathan, Accessory to Satanic Assassination Programming Through Legal Perversions and Judicial Fraud

The Presidential Prayer Team
<https://www.presidentialprayerteam.org> > 2020/12/10

Judge Alison Nathan, Southern New York U.S. District Court
Dec 10, 2020 — Judge Nathan is openly gay and married to Margaret (Meg) Satterthwaite. They are parents to twin sons.

This memorandum provides a review of the criminal academic manual titled “Tout Moun se Moun: Critical Legal Empowerment for Human Rights in Haiti”, co-authored by Margaret Satterthwaite (UN Special Rapporteur and spouse of Second Circuit Court of Appeals Judge Alison Nathan) and Nixon Boumba. This article, disgracefully published in the NYU Law Review (Vol. 97, Issue 6), acts as a covert framework for weaponizing law as a tool of racial hatred, enslavement revival, and occultic democide programming under the false pretext of human rights and empowerment.

EXHIBIT 7B

CONTINUED FIRST MEMORANDUM OF LAW

While Satterthwaite presents the paper as “legal empowerment,” its manifested criminal theme, reflected in Haiti, is a clear advocacy for assassination programming as a means for satanists to reach their massive killing quotas for wealth and power they could never earn.

Critical Criminal Empowerment, legalizing slavery, promoting race-based subjugation, and offering tools to satanic foreign actors for systemic demonic control through law.

As a direct result of this coordinated programming, Haiti is now facing collapse:

 “Haiti is on the verge of ‘total chaos’ as coordinated plotted plausible deniability United Nations Rapporteur funded gang violence continues to escalate...”

 <https://news.un.org/en/story/2025/04/1162436>

II. Criminal Analysis of regional killer Margaret Satterthwaite race based hate crime article:

<https://www.nyulawreview.org/wp-content/uploads/2022/12/NYULawReview-Volume-97-Issue-6-BoumbaSatterthwaite.pdf>

The article references the Code Noir (Black Code), a 1685 French colonial decree that formalized use of black codes for slavery and legalized race-based torture, mutilation, and dehumanization. Rather than wholly condemning this as genocidal history, Satterthwaite criminally inflicted in the USA court systems black code usage for denying equal protection of the law, as exemplified in exhibit 32 at:

https://drive.google.com/file/d/1_hqgqgSf7rMc8zqH90CmA-15umBa1RUT/view?usp=sharing

As the assassin programmer, Satterthwaite is, she is criminally aiding and abetting assassination programming, based on race and envy, via her wife Alison Nathan, Second Circuit Court of Appeals judge actor Defraud the United States position. They are criminally using the judiciary and the United Nations for their satanic assassination programming. The judiciary is being criminally used for the induced financial assassination component for easy human trafficking, prey creation and human sacrifice killings, for the satanists to meet their satanic wealth and power plots, even if just temporary. This is an occultic paper written with criminal hate crime intent, to criminally resurrect and usher in slavery tactics, through foreign law interpretations, as usable legal precedent under the modern guise of “Critical Legal Empowerment.”

EXHIBIT 7C

CONTINUED FIRST MEMORANDUM OF LAW

Satterthwaite's above noted organized crime and USC 1117 conspiracy to murder article, is not scholarly critique. This is the satanist, false phenomenon of above the law, killing without penalties for too long, article. Satterthwaite's covert assassination and human trafficking enticement into slavery programming, is further, criminally illustrated in the below linked 2025 delusion of law, acting as a guide and funding source for human trafficking program development at page 72 at:

<https://drive.google.com/file/d/1Ot2hvXhIz2MYsRYaCMfuY8niTY2ROGxy/view?usp=sharing> or at <https://www.law.cornell.edu/uscode/text/18/part-I/chapter-77>

The reason toilet tissue hate crime and assassination programming articles like this continue to exist is due to the complete failure of criminal prosecution and penalty enforcement. This treasonous article, masquerading as a judicial and legal mentorship guide, exemplifies:

- Racial division weaponized through academia
- Legal systems exploited as slow-kill enslavement mechanisms
- Government-administered democide normalized via legal scholarship
- Enticement into modern-day slavery, embedded in spellcasting, occultic doctrine, international law delusions, and fraudulent law school indoctrinations as exemplified at: <https://www.law.cornell.edu/uscode/text/18/1583>

These tactics are criminally codified under 18 U.S. Code § 1583 – *Enticement into slavery*, and must be prosecuted accordingly. Assassin Satterthwaite's article is not protected speech; it is part of a coordinated conspiracy to enslave and eliminate sovereign human beings through legal manipulation, fraud, satanic assassination programming and psychological warfare.

 [18 U.S. Code § 1583 - Enticement into slavery](#)

Satterthwaite and Boumba's write-up is a satanic assassination playbook for modern-day government capture, embedded through law schools, the UN Human Rights framework, and now being taught to judges, lawyers, and activists under the false pretense of social justice.

III. Legal Violations

The publication, promotion, and judicial implementation of this article represent violations of:

- 18 U.S.C. § 241 – Conspiracy Against Rights
- 18 U.S.C. § 242 – Deprivation of Rights Under Color of Law
- 18 U.S.C. § 2331 et seq. – Terrorism Against Civilians Domestically and Abroad
- 18 U.S.C. § 371 – Conspiracy to Defraud the United States
- 18 U.S.C. § 1091 – Genocide
- 18 U.S.C. § 2339A – Providing Material Support to a Conspiracy to Commit Terrorism
- 22 U.S.C. § 7102 – Trafficking Victims Protection Act: Abuse of Law for Exploitation
- The Logan Act – Illegal Coordination with Foreign Powers to Subvert U.S. Sovereignty

Additionally, under N.Y. Penal Law §§ 105.00 (Conspiracy), 135.35 (Labor Trafficking), and 195.00 (Official Misconduct), this conduct implicates both state and federal violations that require immediate federal referral.

IV. Humanitarian and National Security Risk

Margaret Satterthwaite's position as UN Special Rapporteur and judicial mentor to her spouse, Judge Alison Nathan, permits the coordinated embedding of these criminal doctrines into U.S. and foreign legal systems. Haiti is the test laboratory, but the real target is the United States Constitution and its sovereign citizens.

This memorandum must be treated as an urgent criminal alert and included in ongoing investigations into:

- Foreign law subversion programs
- Judicial weaponization
- Government-complicit democide
- Academic cover for occultist and racist mass control agendas
- Criminal replicated use of the law, delusions of law, government agencies and agents, for satanic assassination programming, including judicial lawlessness for induced poverty/oppression, induced man-made disasters, for induced hospitalizations, for label dead, while alive, muted mouth, human trafficking, live organ harvesting disguised as part of the satanic wealth plan, human sacrifice killing, family destruction, and satanic ritual tormentation and killing.

URGENT CRIMINAL CHARGE RECOMMENDATION

Subject: Margaret Satterthwaite — UN Special Rapporteur, Assassin, Murder by Proxy Satanic Practitioner, Regional Killer, and Treason Architect

It is time to facilitate via criminal penalty enforcement , the revocation and immediate seizure of the law license of assassin programmer Margaret Satterthwaite, who has acted not as a human rights advocate, but as a front-line treason specialist and an occultic murder by proxy programmer. She has deliberately used false mentorship fronts, academic platforms, and the United Nations Rapporteur concoction to repeatedly execute vulnerable populations of people, she has steadfastly targeted and written about killing. She has criminally done this for her criminal and satanic greed and killing quotas.

She has criminally administered a coordinated assault on innocent people's God given right to live and constitutional governance. She used international fraud law as a weapon to dismantle U.S. sovereignty and facilitate global democide effectuating genocide.

Please charge assassin Margaret Satterthwaite for each and every assassination count and massacre manifestation noted below, that has occurred under her diabolical leadership and plausible deniability disguise as a human rights figure. She has criminally engineered global slaughter through her occultic funding of terrorism, unsupervised reparations money fronts, reckless eugenic assassination judicial indoctrination and publications. These are not academic accomplishments or writings. They are tactical blueprints for racialized extermination and state-sanctioned racial and religious genocide.

She must be charged for the direct consequences of her fraudulent fronts and rise to influence, which has triggered a notable escalation of mass killings and social collapse in vulnerable nations, specifically Haiti, where she and her collaborators continue to exploit and enforce postcolonial trauma and slavery tactics to justify satanic governance by legal perversion.

Honorable Dianne T. Renwick, Presiding Justice and Jorge Dopico, Esq., Chief Attorney:

I am submitting this formal grievance against attorney Margaret L. Satterthwaite, New York State Bar Registration Number: 3052149, and Second Circuit Court of Appeals Judge Actor Alison Nathan for knowingly engaging in fraudulent legal publication, incitement of international democide and genocide, and use of their academic and judicial mentorship roles to weaponize law in violation of state, federal, and international law. Their conduct, in both writings and actions, directly implicate, each one, as an accessory to genocide, rights deprivation under color of law, and abuse of legal authority for occult-aligned wealth and power oath taking,

This serves as a formal request for the immediate seizure and revocation of the law licenses held by Margaret Satterthwaite and Alison J. Nathan. Both individuals are actively involved in orchestrating and facilitating satanic assassination programming, resulting in the targeted killings of millions of vulnerable individuals worldwide.

Evidence:

Satanic Assassination Programming: The accused have purportedly utilized their positions within the legal and international human rights communities to design and implement programs aimed at the systematic elimination of specific populations.

Exploitation of Legal Frameworks: By manipulating international laws and human rights doctrines, they have created a facade of legitimacy for their actions, thereby undermining constitutional governance and the rule of law.

Pacts for Power and Wealth: Historical and cultural accounts, such as the legend of Faust, illustrate the concept of individuals making deals with malevolent forces to gain power and wealth at the expense of others' lives and freedoms.

I write with extreme urgency to formally request the immediate suspension and revocation of Margaret L. Satterthwaite and Alison Nathan's alleged attorneys, licenses to practice law in New York State. Enclosed are two linked comprehensive criminal dossiers and memorandums of law, already submitted to the Department of Justice, FBI, ODNI, and the Senate Judiciary Committee, documenting the full scope of their ongoing deadly crimes.

Satterthwaite, under the deceptive cover of a United Nations mandate and her academic post at NYU Law, has become a front-line foreign policy assassin and legal mercenary, actively programming atrocities against vulnerable populations. Her actions are not theoretical, they are quantifiable, deadly, well-documented, and manifested in the preventable, yet patterned, repeated and recent escalated mass killings of vulnerable populations of people she stalks, targets and programs activities for.

She has weaponized the law as an assassination tool. Under the false banner of human rights, she has orchestrated global destabilization campaigns, judicial entrapment programs, and psychological warfare schemes. She has used her lawlessness to induce vulnerability, opening pathways to mass killings, financial entrapment, and targeted extermination operations. The scope of this damage is visible in Haiti, where over 5,600 people were killed in 2024, alone under systems she has directly mentored and influenced, while promoting her "legal empowerment" model.

Satterthwaite's public-facing publications, judicial mentoring, and transnational coordination constitute violations of numerous federal and international statutes, including but not limited to:

- **18 USC 1091: Genocide**- repeated induced destruction and killing in whole or in substantial part, national, ethnic, racial, and religious groups
- 18 U.S.C. § 241 & § 242 – Conspiracy and deprivation of rights
- 18 U.S.C. § 371 – Conspiracy to defraud the United States
- 18 U.S.C. § 1346 – Honest services fraud
- 18 U.S.C. § 2339A/B – Material support to criminal organizations
- 18 U.S.C. § 1091 – Participation in genocide
- 22 U.S.C. § 7102 – Trafficking and abuse via legal systems
- 18 U.S.C. § 2385 – Advocating the overthrow of constitutional governance

Their legal licenses have become criminal fronts, enabling foreign infiltration, judicial manipulation, and the empowerment of covert actors under the false legitimacy of law. This submission also addresses the coordinated misconduct between Judge Alison J. Nathan and Margaret Satterthwaite forming a joint architecture of judicial hijacking and satanic assassination programming, with the judiciary and UN weaponized as dual shields against accountability.

This is not a matter of ideology, it is a matter of public safety and civilizational preservation. The only individuals tracking vulnerable populations of people, planning, and implementing, perversions of law to oppress, incorporating unconstitutional means to use abuse of process to assault their money, and repeating mass murder operations under legal pretense are desperate satanists seeking wealth and power through satanic human sacrifice assassination programming and democide, not law.

Nathan and Satterthwaite roles have been central to these operations, and they are directly tied to mass graves, human trafficking, legal sabotage, and institutional fraud. On behalf of the American people, global civilians, and God-given human sovereignty, I respectfully urge the attorney grievance committee to act without delay.

Immediate Action Requested:

- Emergency suspension of Margaret Satterthwaite and Alison Nathan's alleged law licenses pending investigations, including economic credentialing investigations. Part of this satanic cult's assassination programming includes criminally using economic credentialed agents/criminals, for meeting their required satanic killing quotas, as documented at pages 50-58 at:

A formal referral from the Grievance Committee Director and the Chief Judge to the appropriate prosecutorial authorities is hereby sought, on behalf of public safety, for the purpose of initiating criminal investigations and prosecutions. This request is based on video eyewitness evidence of repeated, induced, man-made disasters targeting vulnerable populations and human rights workers.

The use of Margaret Satterthwaite's unconstitutional, uncivilized, racially targeted, and recklessly extreme legal doctrines by religious extremist networks is not theoretical, it is now evident in the live testimonies of her targeted survivors of deliberate man-made catastrophes and paid terrorist attacks. These actions represent not only profound ethical violations, but breaches of constitutional law, public protection mandates, and federal anti-terrorism statutes.

The below videos showing innocent people suffering unwarrantedly, and based on color, documents current day induced Man Made Disasters by religious extremism assassination and enslavement programs, as directed and articulated by Margaret Satterthwaite's hate crime and satanic assassination manual. The below induced disaster article and the below human sacrifice videos, substantiate that Margaret Satterthwaite's religious extremism, enslavement tools, and demonic pacts, for terrorism and assassination programming, is in full satanic pledge criminal existence.

Please stop these occultic assassination programs, using differences, including shoe sizes, as master deception reasons for enslaving and assassinating humans. Put the Godly walls of protection up for all humans, enforce laws all of our ancestors put in place to stop enemies and killings of the human race. Start with seizing the law licenses giving false authority for satanists to think they can continue programming killings, for their satanic oath, at the expense of law and without penalties. Break the curse, enforce conspiracy to murder, genocide, democide and defraud the United States laws.

Addendum: Conflict of Interest and Threat to Judicial Integrity

Please also see Margaret Satterthwaite's spouse, NY Federal Judge Alison Nathan, and her documented involvement in the design and legal justification of eugenics-based lethal injection protocols, as detailed in the legal publication linked below. This connection presents a deadly and disqualifying conflict of interest.

This is not neutral policy research, it is an example of satanic-aligned legal engineering, where judicial power is leveraged to normalize death as justice, particularly when paired with Satterthwaite's overt quest to take over and weaponize the judiciary through her academic and institutional influence.

This satanic access to lethal injections and policy-making, via a judicial-marital partnership, poses a grave threat to the integrity, safety, and independence of all judiciaries, with emphasis on the New York State Judiciary. Alison Nathan and her wife Satterthwaite are criminally using any reason they can find to use the law, from the judiciary levels, to kill, without penalties and for their satanic wealth and power oath to lucifer.

Summary of Linked Document:

**The article, published in the University of Pennsylvania Law Review Online, is titled:
"Another Kind of Injustice: The Death Penalty and the Denial of Treatment"
by Alison J. Nathan.**

In it, Judge Nathan explores the legality and ethical framing of using lethal injections on individuals with severe mental illness or cognitive decline, implying support for executing individuals deemed legally and medically vulnerable. She critiques delays in execution and upholds the efficiency and finality of death within the legal process, even in controversial and morally grey cases.

This mirrors the same patterns exposed in her wife Satterthwaite's work:

- **Weaponizing law against the vulnerable**
- **Normalizing death-based solutions to common human conditions**
- **Framing elimination as justice, rather than protection as law**

Together, their partnership reflects a coordinated legal ideology rooted in death, domination, and control, which is indicative of satanic, luciferian, and occult infiltrations. Such is deadly and incompatible with constitutional public service or judicial ethics.

Spiritual-Legal Clarification: Law as a Tool for Ritual Killing

What we are witnessing is the criminal use of law, not to uphold justice, but to fabricate legal justifications for death, so that satanists operating within these systems can fulfill their blood sacrifice quotas in exchange for power, wealth, and position. This is not hyperbole, it is a spiritual pattern visible across history: from legalized abortion, to hospitals labeling live people dead, while alive, to targeted civilian and police killings, to unauthorized and lawless judicial rulings in-contravention to constitutional protections and public safety, yet advancing religious and race genocide by policy. The laws are being twisted into ritual instruments, making human sacrifices, induced man made disaster deaths, medically induced death, satanic rituals, occult induced premature and satanic deaths look lawful, murder look procedural, lawlessness, exclusionary demonism, use of the judiciary for conspiracy to murder crimes, judicial theft, income lynchings and extermination look administrative. This is not governance. This is ritualized satanism cloaked as the legal process.

ATTORNEY MISCONDUCT, ETHICS VIOLATIONS AND CRIMINAL ABUSES OF LAW

The conduct of Margaret Satterthwaite and Alison Nathan, including the advancement of assassination programming, racialized legal weaponization, murder by proxy stunts, use of lethal injection forums to advocate eugenic assassinations, criminal use of exclusionary rule disseminations, satanic allegiance in legal design, and complicity in man-made democidal disasters, amounts to grave violations of the New York Rules of Professional Conduct (NYRPC) and corresponding criminal statutes.

These abuses transform legal practice into a tool of satanic destruction, sacrificing public safety and human dignity at the altar of ideological loyalty, blood ritual, and globalist eugenics.

VIOLATIONS OF NEW YORK RULES OF PROFESSIONAL CONDUCT

Rule 1.2(d): Counseling or Assisting Criminal or Fraudulent Conduct

A lawyer shall not counsel a client to engage, or assist a client, in conduct that the lawyer knows is illegal or fraudulent.

- Satterthwaite's frameworks train others to enact genocidal policies under legal cover, constituting active encouragement of criminal acts including covert sterilization, assassination design, and strategic mass attacks on vulnerable populations.
-

Rule 3.3(a)(1): False Statement of Law or Fact to a Tribunal

A lawyer shall not knowingly make a false statement of fact or law to a tribunal or fail to correct a false statement previously made.

- Legal misrepresentations of death-based systems, e.g., lethal injection policy, global displacement lawfare, enslavement tools, Code Noir, Exclusionary State, Neoliberal Reform, Induced National Crises as "humanitarian reform" reflect a pattern of deliberate deception to advance democidal policies, that repeatedly effectuate **GENOCIDE!**
-

Rule 8.4(c): Misconduct Involving Dishonesty, Fraud, Deceit or Misrepresentation

It is professional misconduct for a lawyer to engage in conduct involving dishonesty, fraud, deceit or misrepresentation.

- **Misusing legal language to hide eugenics, death logistics, or satanic ideological goals constitutes direct fraudulent misuse of the profession.**
-

Rule 8.4(d): Conduct Prejudicial to the Administration of Justice

It is professional misconduct for a lawyer to engage in conduct that is prejudicial to the administration of justice.

- **Both Nathan and mentorships and public writings institutionalize injustice by undermining due process, encouraging racial targeting, and legitimizing mass harm as a legal outcome.**
-

Rule 8.4(h): Other Misconduct That Reflects Adversely on Fitness

Conduct that adversely reflects on the lawyer's fitness as a lawyer.

- **Participation in systems that enable democide, human sacrifice by law, or satanically inspired judicial usurpation completely violates moral, constitutional, and spiritual fitness.**
-

ALIGNED CRIMINAL CODE VIOLATIONS

- **Penal Law § 100.10 – Criminal Solicitation**
Encouraging, advising, or directing others to carry out harmful policy objectives.
 - **Penal Law § 373 – Criminal Use of Material Support**
Providing intellectual, institutional, or logistical support to criminal outcomes (e.g., eugenic weaponization, enforced death by law).
 - **Penal Law §§ 120.20 / 105.15 – Reckless Endangerment and Criminal Conspiracy**
Negligent design and deliberate conspiracy to place vulnerable populations in mortal danger through public policy.
-

SUMMARY

This is not merely professional negligence. This is satanic governance through legal office—an attempt to use the profession of law as a tool of occult power, mass depopulation, and total judicial takeover.

As such, this matter demands immediate disciplinary action by the Grievance Committee and formal criminal referral to both the New York Attorney General and the U.S. Attorney’s Office for full investigation and prosecution.

“Have nothing to do with the fruitless deeds of darkness, but rather expose them.” — *Ephesians 5:11*

- **Margaret Satterthwaite, the legal architect, professor, and UN-affiliated strategist allegedly designing and promoting weaponized legal systems**
- **Judge Alison Nathan, her spouse, who—as shown in her own legal publications—has contributed to the legal architecture of lethal injection, state-sanctioned death, and potentially supports similar ideological goals under judicial authority**

Rule 8.4(d) – Conduct Prejudicial to the Administration of Justice

By promoting doctrines that racially profile, politically target, or covertly eliminate vulnerable populations, she undermines the justice system itself, replacing equal protection with targeted extermination through law.

- **Rule 1.2(d) – Counseling or Assisting in Criminal or Fraudulent Conduct**
Satterthwaite’s mentorships and academic programming, when tied to government-aligned eugenics, assassination logistics, or discriminatory legal design, may amount to knowingly aiding or instructing others in acts of covert genocide, in violation of domestic and international law.
- **Rule 8.4(h) – Other Conduct that Adversely Reflects on Fitness as a Lawyer**
The consistent promotion of legal strategies that facilitate the destruction of constitutional protections, suppress evidence of mass harm, and embolden religious or ideological extremism calls into question her moral fitness and public trustworthiness as a licensed officer of the court.
- **Breach of Fiduciary Duty to the Constitution and the Public**
- **Violation of NY Rules of Professional Conduct, Rule 8.4**
(Misconduct involving dishonesty, fraud, deceit, or misrepresentation)
- **Solicitation and Material Support of Criminal Acts**
(Violations of Penal Law §§ 100.10 and 373)
- **Reckless Endangerment and Conspiracy to Commit Harm**
(As supported by public evidence of man-made disasters and targeted deaths)

This level of misconduct justifies immediate investigation by the grievance committee and formal referral to prosecutorial authorities.

Please see the enclosed criminal report affidavit, exhibits, dossier, and linked criminal complaints with Nathan and Satterthwaite's indisputable assassination programming crimes and the substantiating documentation.

JUDICIAL WEAPONIZATION, THEIR LOYALTY TO SATANIC COMMUNIST PLAN TO TAKE OVER AND WEAPONIZE JUDICIAL **SYSTEMS. READ!**

The term "judicial weaponization" refers to the misuse of judicial systems and legal frameworks to advance political agendas, suppress dissent, or target individuals and groups under the guise of legality. This involves manipulating legal processes to achieve objectives that may undermine democratic principles and the rule of law. In the United States, this concept has been a subject of discussion and investigation. For instance, the House Judiciary Committee established the Select Subcommittee on the Weaponization of the Federal Government to examine alleged instances where federal agencies have been used for political purposes. This subcommittee aims to investigate claims of bias and misuse of power within federal agencies, including the Department of Justice and the FBI. More details about the subcommittee's mission and activities can be found on the House Judiciary Committee's official website. [Congress.gov](#) | [Library of Congress](#)+4[Wikipedia](#)+4[House Judiciary Committee Republicans](#)+4[NPR](#)[House Judiciary Committee Republicans](#)

Additionally, organizations like Protect Democracy have provided frameworks to assess whether government investigations or prosecutions are being conducted appropriately or are being used as tools for political gain. Their analysis offers key questions to help determine if a legal action is legitimate or an abuse of power. [Protect Democracy](#). It's important to note that the term "judicial weaponization" is often used in political discourse and may carry different connotations depending on the context and perspective of the user.

EXHIBIT 11

"JUDICIAL WEAPONIZATION" REFERS TO THE MISUSE OF JUDICIAL SYSTEMS AND LEGAL FRAMEWORKS TO PURSUE POLITICAL AGENDAS, SUPPRESS DISSENT, OR TARGET INDIVIDUALS AND GROUPS UNDER THE GUISE OF LEGALITY. HERE'S A DETAILED BREAKDOWN:

Aspect	Description
Definition	The strategic manipulation of judicial processes to serve political objectives, often resulting in biased rulings, suppression of opposition, or unjust legal actions.
Key Characteristics	<ul style="list-style-type: none">- Selective Prosecution: Targeting specific individuals or groups for legal action based on political affiliation or dissenting views.- Biased Judicial Appointments: Appointing judges who are likely to rule in favor of a particular political ideology.- Suppression of Dissent: Using court orders or legal proceedings to silence critics or opposition voices.- Erosion of Judicial Independence: Undermining the autonomy of the judiciary to ensure favorable outcomes.
Examples	<ul style="list-style-type: none">- Politically Motivated Investigations: Initiating legal probes against political opponents without substantial evidence.- Abuse of National Security Laws: Invoking broad legal powers to conduct surveillance or detain individuals deemed as threats without due process.- Censorship through Legal Means: Employing defamation laws or other legal tools to intimidate journalists and suppress free speech.
Implications	<ul style="list-style-type: none">- Undermines Rule of Law: Erodes public trust in legal institutions and the principle of justice.- Threatens Democratic Processes: Compromises fair competition and the balance of power within government structures.- Violates Human Rights: Leads to unjust imprisonment, suppression of freedoms, and other human rights abuses.

For a comprehensive understanding, you may refer to the article "How to tell whether a government investigation or prosecution is 'weaponized'" by Protect Democracy, which provides key questions to assess the politicization of legal actions.

Additionally, the America First Policy Institute discusses the broader implications of government weaponization, highlighting how governmental powers can be misused for political gain. [America First Policy Institute](#)

Understanding judicial weaponization is crucial to safeguarding democratic institutions and ensuring that legal systems function impartially, upholding justice rather than serving as tools for political maneuvering.

EXHIBIT 12

Petitioner declares and evidence shows that Alison Nathan, currently serving on the Second Circuit Court of Appeals, and her spouse, are engaged in a pattern of criminal misconduct involving the abuse of judicial authority and human rights positions to facilitate meeting satanic killing quotas, for personal gain, corruption, treasonous activity, and the weaponization of the U.S. judiciary against lawful citizens. Specifically, Petitioner seeks criminal investigation into under what authority is the use of judicial roles by Alison Nathan and her associates allowed to:

- **Mentor and promote judicial corruption under the guise of legal scholarship;**
- **Facilitate and protect systems of human trafficking, financial destruction, and deliberate vicarious traumatization of human rights defenders;**
- **Obstruct justice by reinterpreting and manipulating constitutional principles for personal, political, religious or ideological gain;**
- **Participate in or enable networks acting as foreign agents, anti-Constitutional actors, or subversive influencers within the federal judiciary.**

Petitioner alleges that these acts constitute serious federal crimes, including but not limited to:

- **Treason (18 U.S.C. § 2381)**
- **Seditious conspiracy (18 U.S.C. § 2384)**
- **Obstruction of justice (18 U.S.C. § 1503)**
- **Misprision of felony (18 U.S.C. § 4)**
- **Abuse of power under color of law (42 U.S.C. § 1983)**

Additionally, investigations and prosecutions are needed into both Alison Nathan's and Judicial authentication, possibility of economic credentialing, fingerprinted and foreign agent

This refers to the unlawful disregard, override, or suppression of a valid court ruling issued by a judge of competent jurisdiction, without legal authority, due process, or appellate review. In this case, Judge Alison Nathan willfully disregarded a lawful state-level order issued by Judge Ann T. Pfau by enabling financial agents such as ECMC and Nelnet to proceed as if said order did not exist.

This constitutes a form of judicial insurrection, violating:

- **18 U.S.C. § 242 – Deprivation of rights under color of law**
- **18 U.S.C. § 241 – Conspiracy against rights**
- **28 U.S.C. § 351 – Judicial misconduct**
- **NY Penal Law § 240.15 – Criminal anarchy**

These concerns are not based solely on judicial and congressional opinions but on public co-authored works, affiliations, and actions which invoke serious questions of national security, foreign influence, and systemic sabotage of human rights law under the pretext of judicial service. Petitioner is currently drafting a separate criminal report fully detailing Alison Nathan's crimes against humanity, which will be submitted to the U.S. Department of Justice, the senate judiciary and other appropriate oversight agencies.

Nathan's legal experience and what he said was her belief that judges can look to foreign law in deciding cases.

"It's very hard for me to believe that I should vote to confirm a judge who's not committed to following our law, who believes they have a right to scrutinize the world, find some law in some other country, bring it home, and use that law to make it achieve a result in the case they wanted," Sessions said.

HIGHLIGHTED DANGERS

This academic publication lays out a step-by-step strategy for judicial subversion using:

- Foreign legal doctrines (“As Enshrined in International Law”)
- Weaponization of law (“Politically Motivated Legal Proceedings,” “Removal and Disbarment,” “Labeling Justice Actors”)
- Instrumentalization and curbing of judicial actors
- Strategic government defamation tactics
- Ideologically driven reinterpretation of justice institutions

These points mirror the unconstitutional and retaliatory legal tactics used by Judge Alison Nathan against Petitioner and other politically or spiritually targeted individuals.

CRIMINAL IMPLICATIONS

The authors promote a doctrine of globalized judicial power that subverts the U.S. Constitution, including:

Judicial Weaponization – Key Statutes

- **18 U.S.C. § 2381 – Treason**

Introducing foreign systems to sabotage U.S. governance and law

- **18 U.S.C. § 2384 – Seditious Conspiracy**

LEGAL SIGNIFICANCE

This exhibit evidences a foreign-originated attempt to insert international legal norms and algorithmic decision frameworks into U.S. judicial institutions, under the guise of AI regulation and judicial “independence.” The visual and textual invitation suggests:

- Redefining due process through AI “reform”
- Embedding foreign legal frameworks into U.S. courts
- Undermining judicial accountability by shifting review to opaque tech policy
- Soft-control takeover of court interpretation standards

RELEVANT CRIMINAL STATUTES VIOLATED

Statute	Violation Description
18 U.S.C. § 2381	Treason – Introducing foreign governance structures designed to displace U.S. law
18 U.S.C. § 2384	Seditious Conspiracy – Coordinated subversion of independent judicial power
18 U.S.C. § 371	Conspiracy to Defraud the United States – Through policy infiltration and soft subversion
42 U.S.C. § 1983	Deprivation of Civil Rights via ideological displacement of American legal protections
Judicial Canons / Supremacy Clause	Direct violation of oath to uphold U.S. Constitution and subordinate foreign law

LEGAL APPLICATION

- **Covertly design foreign legal incursions**
- **Target sovereign court independence under globalist legal standards**
- **Use AI as cover to embed unlawful governance technology in courts**

This judicial weaponization scheme parallels the strategy advanced by Alison Nathan, Adam Urbanski, and Boyden Gray, all of whom appear in other related complaints and exhibits involving ritualized obstruction, subversion, and institutional seizure of American legal systems.

Haiti Displacement, Human Trafficking and Rapporteur Conflict of Interest
Since Judge Actor Alison Nathan's wife Margaret Satterthwaite assumed her role as UN Special Rapporteur, official data shows a dramatic increase in child trafficking, gang-linked violence, and man-made disasters in Haiti, with over 578,000 displaced in 2024, including **180,000 children**. These patterns mirror longstanding concerns about legal scholar fronts being used to shield humanitarian trafficking, disaster profiteering, and judicial sabotage operations. Petitioner alleges that these outcomes reflect intentional destabilization and systemic abuse disguised as legal reform, enabled in part by Satterthwaite's affiliations with judicial actors like Judge Alison Nathan and institutional platforms at NYU and the United Nations.

GENEVA (20 June 2024) - UN experts said today Haiti's escalating gang violence and political instability have forced a record **578,074** internal displacements in 2024 including over 310,000 women and girls and **180,000** children, more than double the figure from 2022, making it the country with the largest number of displacements globally due to crime-related violence. Expressing grave concern over unprecedented violence, insecurity, and the humanitarian crisis, the independent experts made the following statement:

The following publication, authored by Margaret L. Satterthwaite (Judge Alison Nathan's spouse), is titled:

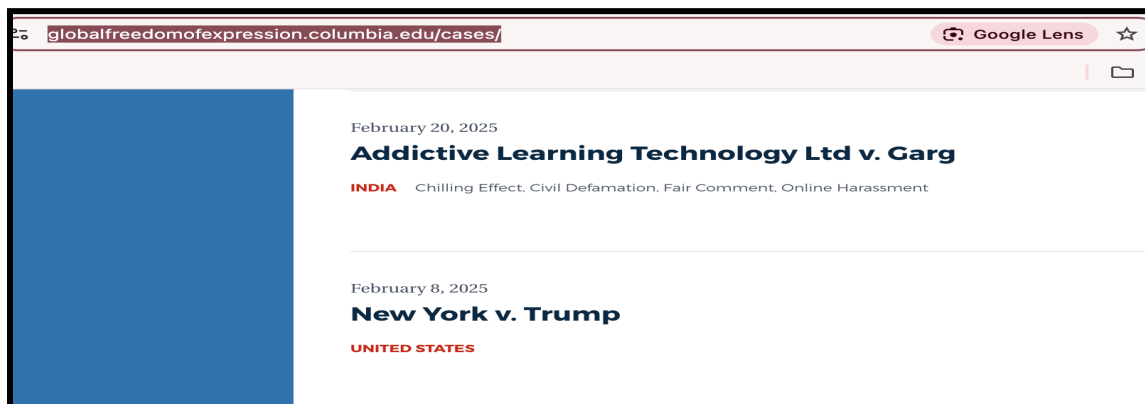

"The Rule of Law and Access to Justice in a Time of Autocratization and Systemic Inequality: Reimagining Justice"
(In progress; under contract)

The above exhibit is submitted to demonstrate documented ideological bias and judicial activism origins, linking key actors within the judiciary to scholarship that reinterprets foundational legal doctrines. Petitioner alleges that such academic fronts have been used to justify unconstitutional court assignments, systemic obstruction of rights, and covert global legal targeting of civilians under the guise of "justice reform."

The previous Exhibit documents Margaret Satterthwaite's ongoing collaboration with the African Commission on Human and Peoples' Rights (ACHPR) as part of an international legal infiltration strategy. Under the cloak of reparations and diplomacy, this operation shows red flags consistent with:

- 18 U.S.C. § 201 – Bribery of Public Officials and Witnesses, through unlawful inducements and procurement schemes to gain judicial or governmental influence,
- 18 U.S.C. § 1117 – Conspiracy to Commit Murder, by facilitating assassination planning under diplomatic immunity structures,
- 18 U.S.C. § 2332d – Financial Transactions with Terrorist States, if money is being routed to militias, gangs, or fronts for destabilization and assassination programming
- 18 U.S.C. § 371 – Conspiracy to Defraud the United States, by manipulating foreign policy and misusing aid, legal influence, and human rights platforms,
- 18 U.S.C. § 956 – Conspiracy to Commit Murder or Kidnapping Outside the U.S., if acts in foreign nations are coordinated on U.S. soil,
- 18 U.S.C. § 1346 – Honest Services Fraud, through abuse of public trust in her legal, academic, or diplomatic positions,
- 22 U.S.C. § 7102 – Abuse of Process in Human Trafficking Programs, if these platforms are used to facilitate covert abduction or sexual exploitation through migration crises,
- 18 U.S.C. § 1091 – Genocide, if actions or omissions enable systemic targeting of ethnic or regional populations.

This pattern also implicates international violations under:

- Articles I–III of the Genocide Convention,
- U.N. Convention Against Transnational Organized Crime, and
- International Covenant on Civil and Political Rights (ICCPR) – particularly violations of Articles 6 (Right to Life) and 14 (Right to Fair Judicial Process).

The below linked recent Africa satanic assassination operation by man-made induced disaster pattern, already mirrored in Haiti, shows how "legal scholars" weaponize law, aid, and diplomacy to infiltrate judicial bodies, destabilize civil governments, and execute financial and literal extermination under unsupervised reparations money and human rights branding. THE BELOW EXHIBIT SHOWS FEDERAL JUDGE ACTOR ALISON NATHAN AND HER ASSASSIN PROGRAMMER WIFE UNITED NATIONS SPECIAL RAPPORTEUR MARGARET SATTERTHWAITE REPEATED ASSAULTS ON PRESIDENT TRUMP USING THE JUDICIARY AND HUMAN RIGHTS FRONTS TO EXERCISE THEIR HETEROSEXUAL HATRED AND PREJUDICE VIA REPEATED UNWARRANTED ENGAGEMENT IN FOREIGN INTERFERENCE, JUDICIAL BIAS PROTECTION, AND POLITICAL PROPAGANDA AGAINST U.S. CONSTITUTIONAL PROCESSES

The below exhibit shows a public statement made by UN Special Rapporteur and assassin programmer Margaret Satterthwaite, dated March 7, 2025, wherein she condemned lawful internal actions by the United States targeting DOJ officials and federal judges involved in politically charged prosecutions, including cases related to President Donald J. Trump and the January 6 Capitol incident.

Satterthwaite denounced legitimate government measures such as:

- Reassignments and dismissals of federal employees involved
- Reassignments and dismissals of federal employees involved in biased prosecutions;
- Creation of oversight task forces to evaluate judicial and prosecutorial conduct;
- Lawful impeachment filings against judges issuing politically controversial or constitutionally questionable rulings.

Through her UN-appointed role, Satterthwaite weaponized “human rights” language to attack U.S. judicial accountability processes, effectively shielding potential judicial conspirators and obstructing domestic due process reforms.

Her human rights front and replicated scheme to defraud the United States actions constitute:

- Foreign interference in U.S. internal affairs,
- Violation of the United Nations Code of Conduct for Special Procedures Mandate-Holders,
- And potential criminal conspiracy to obstruct justice through international channels.

This is part of a broader pattern wherein Satterthwaite uses her UN platform to:

- Undermine constitutional mechanisms for restoring lawful governance,
- Discredit anti-corruption efforts within U.S. institutions,
- And promote foreign legal subversion disguised as rights advocacy

I HISTORY OF DIVISION

A. The Code Noir: French Law as a Tool of Enslavement

The enslavement of Africans by Europeans was built upon the exclusion of some human beings from the realm of personhood, and their reduction—through conquest and brutality backed by law—to the status of chattel property. Although the fight to end the enslavement of Africans by Europeans has been told as a story of the emergence of enlightened legal norms,¹⁵ the law was also a crucial tool for European enslavers. In 1685, Louis XIV promulgated the Code Noir, which provided his subjects in the French colonies with laws and regulations purporting to recognize their right to own the African people who they had caused to be kidnapped, made captive, and sold as property along chattel slavery's supply chain of terror and death.¹⁶

In the territory that would become modern-day Haiti, the brutality of the enslavers was without peer. Laurent Dubois explains that in French Saint Domingue, half of the enslaved Africans who survived the middle passage died within a few years of arrival.¹⁷ Not all deaths were the result of torture, but physical abuse and grotesque forms of “punishment” were meted out regularly, and the whole system of slavery was built on violence, with specific forms of “punishment” set out in the Code Noir.¹⁸ The violence used by plantation owners was matched by a cold calculation that it was most efficient to “work[]

III. Legal Violations

The publication, promotion, and judicial implementation of this article represent violations of:

- **18 U.S.C. § 241 – Conspiracy Against Rights**
- **18 U.S.C. § 242 – Deprivation of Rights Under Color of Law**
- **18 U.S.C. § 2331 et seq. – Terrorism Against Civilians Domestically and Abroad**
- **18 U.S.C. § 371 – Conspiracy to Defraud the United States**
- **18 U.S.C. § 1091 – Genocide**
- **18 U.S.C. § 2339A – Providing Material Support to a Conspiracy to Commit Terrorism**
- **22 U.S.C. § 7102 – Trafficking Victims Protection Act: Abuse of Law for Exploitation**
- **The Logan Act – Illegal Coordination with Foreign Powers to Subvert U.S. Sovereignty**

Additionally, under N.Y. Penal Law §§ 105.00 (Conspiracy), 135.35 (Labor Trafficking), and 195.00 (Official Misconduct), this conduct implicates both state and federal violations that require immediate federal referral.

IV. Humanitarian and National Security Risk

Margaret Satterthwaite's position as UN Special Rapporteur and judicial mentor to her spouse, Judge Alison Nathan, permits the coordinated embedding of these criminal doctrines into U.S. and foreign legal systems. Haiti is the test laboratory, but the real target is the United States Constitution and its sovereign citizens.

This memorandum must be treated as an urgent criminal alert and included in ongoing investigations into:

- **Foreign law subversion programs**
- **Judicial weaponization**
- **Government-complicit democide**
- **Academic cover for occultist and religious and racist mass control agendas**
- **Criminal replicated use of the law, delusions of law, government agencies and agents, for satanic assassination programming, including human trafficking, human sacrifice killing and satanic ritual tormentation and killings**

The Pact of Domination in Practice

- **Legal Alienation:**

The law is experienced not as a source of protection or empowerment, but as a pact among elites and foreign actors to dominate and extract from the majority 9 .

- **Impunity and Corruption:**

High-profile crimes, including massacres and corruption, rarely result in convictions, reinforcing the perception that the law serves only the powerful 6 8 10 .

- **Social Consequences:**

This exclusion fuels mistrust, disengagement from formal institutions, and the growth of alternative power structures, such as gangs, that fill the vacuum left by state failure 6 7 8

Table of Contents	2
Maxims of Common Law – The Light of Liberty’s Lamp	4
Primary Principals of Common Law	7
Liberty to all but preference to none	7
The safety of the people is the supreme law.	9
The safety of the people cannot be judged but by the safety of every individual.....	10
Legitimacy of Government	11
Unjust is State power where the law is either uncertain or unknown.....	11
The State should be subject to the law, for the law creates the State.	13
The judge who decides a case without hearing both parties, though his decision be just, is himself unjust.	14
Courts of justice are for the common people to command the power of the State.	15
The Burden.....	16
The burden of proof lies on him who asserts the fact, not on him who denies it, because from the very nature of things a negative cannot be proof.	16
Testimony and Evidence.....	17
No one should be believed in court except upon his oath.....	17
Courts should not believe water runs upward of its own accord nor that impossibilities exist.	18
The certainty of a thing in court arises only from making the thing certain in court. ..	20
Civic Duty of Citizens	21
Each should use his own powers and property so as not to unjustly injure others.	21
Private Property	22
There is nothing more sacred, more inviolate, than the house of every citizen.....	22
Every home is a castle; though the winds of heaven blow through it, officers of the State cannot enter.....	23
Title is the right to enjoy possession of that which is our own.....	24
Civil Rights	25
No one should be required to betray himself, i.e., no one should be made to testify against himself.	25
Everyone should be presumed innocent until his guilt is established beyond a reasonable doubt.	26
No one should be twice harassed for the same offense.	27
Administration of Justice	28
He who slices the pie should be last to take a piece.	28
Judicial Reasoning	29
Words should be considered only as commonly understood and not with a meaning others construe to their own purpose.	29
Words should be interpreted most strongly against him who uses them.	30
Crime and Punishment.....	31
He who acts in pure defense of his own life or limb is justified.....	31

CHRIST'S SACRIFICE WAS MADE A CURSE FOR GOD'S PEOPLE THAT WE WOULD INHERIT HIS BLESSING.

BY THE POWER IN THE NAME AND THE BLOOD OF JESUS CHRIST, WE DECREE AND DECLARE THAT NO CURSE, NO WEAPON, NO DECLARATION AGAINST GOD'S CHILDREN AND ADULTS, SHALL PROSPER. WE STAND IN THE BLOOD OF JESUS AND WE CANCEL, NEGATE, NULLIFY AND DESTROY EVERY CURSE FASHIONED AGAINST GOD'S CHILDREN.

MEET THE SKULL AND BONES CULT. PLEASE NOTE THE SKULL'S OATH AND PLEDGE IS LIKENED TO **THE DEVIL AND DANIEL** WHERE AN INDIVIDUAL **TRADES HIS SOUL FOR WEALTH AND POWER.** <http://www.themuckraker.net/nails.html>

FASCISM IS BY ITS VERY NATURE TOTALITARIAN. THOSE WHO SEEK **ABSOLUTE POWER OVER THE PEOPLE FIND THE ABILITY TO CONTROL ALL AND OWN ALL UNDER A COMMUNAZI STATE.** AT THE SAME TIME FASCISTS ARE PROFESSING TO BE THE **BENEFACTORS OF THE PEOPLE**, WHOSE LIVES THEY MANIPULATE ... FROM WOMB TO TOMB, THEY RAPE, ROB, PILLAGE AND PLUNDER THE PLANET. BENITO MUSSOLINI, WHO BEGAN HIS POLITICAL CAREER AS A HARDCORE COMMUNIST, FOUND THAT UNDER FASCISM, WHICH GAVE THE "ILLUSION OF FREEDOM," HE COULD ACHIEVE WITH ADOLF HITLER, THE POLITICAL MECHANISM THAT WOULD ALLOW NATIONAL SOCIALISM TO MARCH FORWARD TOWARD A EUROPEAN UNION AND A NEW WORLD ORDER.

Prayer to End Child/Human Sacrifice and Break the Curse of Molech

Heavenly Father:

We come before You in righteous outrage and divine authority, standing on the power of the cross and the covenant of Your justice. Today we cry out for every child trapped in darkness, for every soul targeted by systems of harm, for every innocent life treated as currency on the altars of corruption.

Father, we reject and renounce every Molech spirit, every institution, policy, and practice that uses children as sacrifice rituals for riches, influence, and demonic power. We expose every agenda that hides behind medicine, education, law, and governance to traffic, harm, silence, or experiment on Your children.

You are the Defender of the fatherless and the Avenger of innocent blood. We call on You to send fire on every altar of exploitation, to bring down every throne built on child sacrifice, and to strip every wicked ruler of their covering. Let every secret be revealed. Let every platform used for evil collapse. Let every ritual for riches be nullified, made non-existent and criminal penalties enforced.

We declare children are not for sale. Not for research. Not for sacrifice. Not for generational blood rituals. They are image-bearers of God, sealed with purpose, and destined for freedom.

Let angels be released to guard them. Let Your people rise as warriors in the courts, in the streets, and in the Spirit to protect them. We bind the systems of Molech and loose the justice of the Most High God, Heaven and all Warring Angels.

By the name and blood of Jesus Christ, who welcomes the little ones and drives out every unclean spirit—we pray: No more sacrifices. No more silence. No more stolen children. No more human trafficking. Let freedom reign. In Jesus Name, we Pray, Amen and Hallelujah.

EXHIBIT 42

PRAYER FOR THE MOST HIGH GOD'S DIVINE INTERVENTION AND FOR GOD'S PEOPLE TO RETAKE THE EARTH FROM DEMON FORCES

Heavenly Father, Most High God, Creator of heaven and earth, we come before You with hearts full of reverence and awe. You are the Alpha and Omega, the Beginning and the End. Your throne is established in righteousness and justice; Your glory fills the heavens, and Your majesty is beyond comprehension. We magnify Your holy name, for You alone are worthy to be praised. You are Jehovah Jireh, our Provider; Jehovah Nissi, our Banner; Jehovah Rapha, our Healer. The heavens declare Your glory, O Lord, and the skies proclaim the work of Your hands. Blessed be Your name forevermore!

We exalt You as the King of kings and Lord of lords. No power or dominion can stand against You. All creation bows before You in humble adoration because You reign supreme over all things visible and invisible. We thank You that through Jesus Christ, we have access to Your throne of grace where mercy abounds.

Gratitude for the Land of the Living

Father God, we thank You for granting us life today in the land of the living. Thank You for sustaining us through every demonic assassination attack, trial and tribulation. Thank You for breath in our lungs, strength in our bodies, clarity in our minds, and peace in our spirits. We acknowledge that every good gift comes from the Most High God, —from Your hand—and we do not take it for granted.

You have given us this day as a gift to walk in purpose according to Your will. Thank You for shelter over our heads, food on our tables, clothes on our backs, and loved ones who surround us with care. Even when challenges arise around us or within us, we trust that Your plans are good—to prosper us and not harm us (Jeremiah 29:11). For this reason alone—Your faithfulness—we give thanks!

EXHIBIT 43

PRAYER FOR TARGETED INDIVIDUALS

LORD JESUS CHRIST, WE LIFT UP ALL TARGETED INDIVIDUALS WHO HAVE SUFFERED INJUSTICE AT THE HANDS OF UNARRESTED LUCIFERIAN —THEIR SATANIC KILLINGS, TORTURE AND TERRORIZATIONS, WE DECREE DIVINE INTERVENTION TO STOP THE WORKS OF THE ENEMIES OF THE HUMAN RACE AND BELIEVE THAT WE WILL BE BLESSED ABUNDANTLY BY YOUR HAND.

MAY WE EXPERIENCE DIVINE COMPENSATION AND SEE PENALTY ENFORCEMENT FOR EVERY SATANIC ASSASSINATION PROGRAM AND FOR ALL DAMAGES DONE TO GOD’S PEOPLE EMOTIONALLY, PHYSICALLY, FINANCIALLY, OR SPIRITUALLY.

We declare restoration over ALL lives! Let everything stolen from God’s people be returned sevenfold (Proverbs 6:31). Let dignity be restored; let voices be heard; let pain be turned into joy as only You can do! Father God Almighty—Jehovah (The Lord Our Righteousness)—we ask that justice prevail on behalf of all individuals so we may walk freely into new seasons filled with peace.

PROVERBS 13:22 IS DECREED:

Transfer of Wealth from Wicked to Righteous, O Most High God who owns all silver and gold (Haggai 2:8), we pray boldly today for a divine transfer of wealth from wicked hands into righteous ones who will steward it according to Kingdom principles. Let those resources STOP ALL CHILDREN ASSASSIN/ SOLDIER CREATIONS AND MAPPINGS, decreed funds for ministries that uplift communities worldwide; let them provide relief where there is suffering; let them advance education where ignorance prevails.

Father God Almighty—You promised that “the wealth of sinners is stored up for the righteous” (Proverbs 13:22). Fulfill this promise now so that those walking uprightly before You may flourish like trees planted by streams whose leaves never wither (Psalm 1:3).

Prayer Against Human Trafficking Programs and Luciferian Schemes

Lord Jesus Christ—the Light shining in darkness—we bind every human trafficking program operating globally under satanic influence! We rebuke these operations by invoking authority given through Jesus’ name (Luke 10:19). Tear down strongholds perpetuating exploitation across USA, Africa and Haiti targeting vulnerable children disguised as protective wings.

We also denounce any attempts rooted within Luciferian agendas aimed at resurrecting oppressive systems such as Code Noir historically used against marginalized groups globally—may such schemes crumble entirely under Heaven’s judgment!

Prayer Over Governments and Exposure of Treasonous Acts:

Most High God—the Sovereign Ruler—we intercede fervently for the Most High God’s moral justice to reign over governance structures worldwide but especially within the three branches governing nations today.

Legislative Branches: Guide lawmakers toward enacting policies aligned solely w/ righteousness. Executive Branches: Grant Godly wisdom unto leaders making decisions impacting millions daily. Judicial Branches: Remove Luciferians and their teachings. Invoke integrity ensuring fair trials devoid bias corruption treachery alike!

Expose treason wherever hidden amongst officials conspiring against public welfare whilst simultaneously arresting perpetrators swiftly bringing accountability forth transparently seen witnessed universally acknowledged undeniable truth prevailing ultimately glorifying Thy Name eternally reigning supreme unmatched unparalleled unrivaled everlasting Amen Hallelujah

Praise Be Unto Thee The Most High God, Forevermore Eternally Glorified So Be It Indeed. Verily Verily Amen Hallelujah Glory Glory Glory! The Jesus Christ Blood Sacrifice Nullifies, Destroys and Scatters all Luciferian Sacrifices and invokes the below:
